I am writing to you to request that myself and other members of the NO GAMES 2010 COALITION be allowed to give a presentation before Richmond City Council on Monday January 27th, 2003.

We will discuss with you why many BC citizens such as ourselves are opposed to the 2010 Winter Olympics Bid for Vancouver-Whistler. With Vancouver holding a plebiscite on the Olympic Bid on February 22nd it is important that other communities such as Richmond also discuss the pros and cons of investing in this event. Our presentation will focus on the myth that the Olympic Games create great economic and job growth within the community hosting the event.

The NO GAMES 2010 COALITION will email and mail information to you before our presentation on the issues outlined above (economic growth and job stimulation).

Yours Truly,

Kevan Hudson, NO GAMES 2010 COALITION
