Staff Report

Origin

A technical error has been identified in Schedule C of the Tree Protection Bylaw, at the time the original Tree Protection Bylaw No. 8014 was repealed and replaced by the current Tree Protection Bylaw No. 8057.

Analysis

Schedule C contains the form for Notice of Non-Compliance and Stop Work Order. This form references the former Tree Protection Bylaw No. 8014. Although it is merely a technical irregularity, the reference should be consistent with the current Bylaw No. 8057. This will require a housekeeping amendment to Bylaw No. 8057.

Conclusion

It is recommended that the Tree Protection Bylaw No. 8014, Amendment Bylaw No. 8328, as attached to this Report, be enacted.
