Planning Designations	OCP Designation – Low density residential
Related Policies	Arterial Road Redevelopment Policy – Complies Lane Establishment Policy – Complies
Surrounding Development	Residential properties surrounding the sites are primarily older single-family homes. Hugh Boyd Park is located across No. 1 Road to the east. To the north is a commercial property with a TD Canada Trust and dental office.
Staff Comments	Original proposal to rezone 9051 to 9191 No. 1 Road to Single-Family Housing District, Subdivision Area K (R1/K) (RZ 02-207795 – Bylaw 7451). Public Hearing, 2 nd and 3 rd readings on June 16, 2003. Applicant has submitted a new application to rezone four of the original eight properties to R1 – 0.6. Bylaw 7451 will be abandoned at a later date when the remaining four properties decide to rezone (property owners are aware this will involve a new rezoning application and related process).
Analysis	The R1 – 0.6 zoning is considered appropriate for the site because of the existing lane and frontage along an arterial road (No. 1 Road). Proposal is similar to redevelopment currently being undertaken along this block of No. 1 Road between Williams Road and Francis Road. Existing lane at the properties rear not built to City standards – Fees are to be collected for future upgrading at subdivision.
Development Requirements	All subject properties must pay \$1,462.13 each for the lane upgrade behind 3960 Francis Road. 9071 & 9091 No. 1 Road to dedicate 2m along the No. 1 Road frontage.
