Staff Report

Origin

On January 22, 2007, Council adopted the enabling Notice of Bylaw Violation Dispute Adjudication Bylaw No. 8122, which establishes the Bylaw Dispute Adjudication System in Richmond effective April 1, 2007. In the covering report, it was noted that amendments would have to be made to the existing bylaws regulating parking both for on-street and off-street situations.

Analysis

With the establishment of the new Bylaw Dispute Adjudication System, many of the sections and schedules to the City's Traffic Bylaw No. 5870 (which regulates on-street parking) and Parking (Off-Street) Regulation Bylaw No. 7403 required amendment. These amendments comply with the replacement of Provincial Court action on disputed parking tickets with the more efficient and cost-effective adjudication of disputes through an independent Adjudicator.

The amendments will ensure that the revised bylaws are consistent with Notice of Bylaw Violation Dispute Adjudication Bylaw No. 8122 and provide a clearer outline of the related infractions through the revamped schedules.

These recommended bylaw amendments would come into effect concurrently with the new Notice of Bylaw Violation Dispute Adjudication Bylaw No. 8122 on April 1, 2007.

Financial Impact

The amendments incorporate the following:

- a \$5.00 per ticket increase to the early payment amount, which based on our expected ticket volume will result in an increase in Parking Program revenues of approximately \$90,000 per annum, and
- the addition of a late payment penalty of \$25.00 per ticket to cover a portion of the collection costs normally associated with these accounts, which based on our normal volume of payments on accounts under collection, will result in an increase in Parking Program revenue of \$31,000 per annum.

These expected increases have already been included in the Community Bylaws Operating Budget for 2007.

Conclusion

Staff recommends that Council:

- approve for adoption effective April 1, 2007, the necessary amendments to the City's Traffic Bylaw No. 5870, and
- approve for adoption effective April 1, 2007, the necessary amendments to the Parking (Off-Street) Regulation Bylaw No. 7403.
