## Staff Report

### Origin

City Council has the authority to provide financial assistance to community organizations under the Local Government Act. The City of Richmond Grants Policy (Policy 3705 – Attachment 1) outlines the principles and processes by which the grants are to be allocated.

A Staff Grants Review Committee (K. Huhtala, L. Sherlock, C. Russell, M. Small, C. Lussier, B. Lee, S. Issel and A. Stevens) has reviewed the applications for the 2006 program and the grant recommendations are provided in this report.

### Analysis

Advertisements were placed in the local newspapers advising the community of the grants process. Those who requested applications received them. The closing date for all applications was Friday October 14, 2005.

This year there were a total of forty-two (42) applications. Of the 42 applications, four came in after the October 14, 2005 deadline. The organizations that were late in applying were:

- Big Brothers of Greater Vancouver
- Kehila Society
- Richmond Stroke Club
- Richmond Youth Service Agency.

Staff has not recommended grants to these organizations for this year as it states on the application form that “Late applications will be not be considered”. Staff has set aside some funds should Council wish to reconsider these applications, and these amounts are reflected in the Summary attached (Attachment 2). The amounts suggested are as follows:

- Big Brothers of Greater Vancouver - \$3,000,
- Kehila Society - \$1,000,
- Richmond Stroke Club - \$1,000,
- Richmond Youth Service Agency - \$8,500.

The City’s Grants Policy defines eligible categories for applicants. Category 1 applicants are those “providing unique and essential services to the community of Richmond”. Applicants who are deemed to be Category 1 may apply for funding in subsequent years whereas Category 2 applicants are not eligible to apply or receive funding for two subsequent years.

The Richmond Singers and Scouts Canada – 18<sup>th</sup> Richmond Scouts received funding in 2004 and 2005 respectively under Category 2. In accordance with the Policy, these applicants would not be eligible to apply or receive funding for two subsequent years and staff have not recommended funding for 2006.

For the 2006 Grants Program there are 6 new applicants. These applicants are:

1. CARS BC
2. Community Meal – St. Alban’s Hall
3. Goan Overseas Association
4. Jewish Community Centre of Greater Vancouver
5. Multicultural Helping House Society
6. Richmond Safe Communities Alliance

### Summary of Grants Reviewed

The attached Grant Application Summary Sheets (Attachment 3) summarize the requests in each application, the services received from the City, how the funding from the previous year was spent, the financial status of the organization, and the staff rationale for the recommended grant.

A comparison of the Grants program over the past 3 years is provided in the table below.

	2006	2005	2004
<b>Total number of Grant Applications</b>	42	52	34
<b>Grants Denied including late and Category 2</b>	12	10	9
<b>Maintained at previous year’s level</b>	13	16	10
<b>New Applicants</b>	6	12	6
<b>Total amount recommended</b>	\$456,650	\$374,600	\$287,600

### Review of Policy 3075

Another area for Council consideration is a review of the Grants Policy. Grants Program – Council adopted Policy 3075 in 2000. Over the past six years the demographics and needs of the Richmond community have changed a great deal. Staff feel there is an opportunity to revisit the Policy to ensure the differing needs of the community are taken into consideration within the Policy.

### Financial Impact

This year the breakdown is as follows:

February 1, 2006

- 4 -

Richmond Addiction Services	\$171,950	
Health, Social and Safety Services	<u>\$222,000</u>	\$393,950
Cultural Services and Community Events		<u>\$ 62,700</u>
Total		<b>\$456,650</b>

The attached Summary (Attachment 2) provides a listing of applicants, their category, the requested grant amount, and the recommended grant amount and rationale.

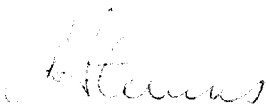

The 2006 grants program has a budget of \$500,000.

### **Conclusion**

The City Grants program is a way for the City to provide funding and assistance to organizations that provide required services to various residents of Richmond and who also meet the Policy criteria.

The total grant amount recommended for 2006 is \$456,650. This is comprised of Health, Social and Safety Services at \$393,950 and Cultural Services and Community Events at \$62,700. The 2006 budget has the appropriate funding level to meet grant recommendations.

In order to ensure the City is meeting the needs of the community today, a review of the policy would be beneficial at this time.

**GRANTS PROGRAM****POLICY 3705:**

It is Council policy that:

The principles on which grant funding will be approved are as follows:

**A. GENERAL PRINCIPLES:**

The City of Richmond supports the enhancement of a positive quality of life for all its residents, and the Council recognizes that one method of helping to achieve this goal is through an annual grants program.

Applications from non-profit or registered charitable organizations and/or groups are eligible for a City grant on the basis that they:

- offer projects, programs, services or events which have a demonstrated need in the community;
- provide the greatest benefits to the largest number of Richmond residents;
- exercise co-ordination and co-operation with other groups to prevent duplication of projects, programs, services or events;
- provide evidence of having sought funding from a variety of sources;
- promote volunteer participation and citizen involvement;
- apply a "user pay" philosophy, where applicable;
- use innovative approaches and techniques in addressing community issues;
- provide documentation supporting the financial need for funding, including, but not limited, to the current financial statements of the applicant;
- show real and financial need, and demonstrate the impact that would occur following non-funding from the City;

and on the understanding, that:

- Not all organizations meeting these general principles will automatically receive a grant or grant increase.
- Approval of a grant by the City in any particular year should not be viewed as an automatic ongoing source of annual funding. Grant renewals are not automatic,

## **GRANTS PROGRAM**

nor is any increase in funds. Grant approvals in a particular year, do not guarantee that grant requests in subsequent years will be successful.

- Only one application per year will be accepted per organization.

### **B. DEFINITIONS OF ELIGIBLE GRANT CATEGORIES:**

1. **Category 1 and Category 2 Applicants – Applicable category for any application to be determined by Council.**

Applicants may apply for Category 1 or Category 2 designation as follows:

Category 1 applicants must be deemed to be providing unique and essential services to the community of Richmond. Applicants must demonstrate how their services fit under this designation. Applicants who are deemed to be Category 1 may apply for funding in subsequent years; and

Category 2 applicants who receive funding would not be eligible to apply or receive funding for two subsequent years.

2. **Operating Assistance**

Regular operating expenses or core budgets of established organizations, including supplies and equipment, heat, light, telephone, photocopying, rent, and administrative support salaries.

3. **Projects**

One-time-only projects which respond to health, social and cultural needs within Richmond, must have a specific set of goals and objectives, and have a defined start and finish date.

4. **Programs and Services**

Ongoing programs and services which contribute to the health and social well-being of Richmond residents, or which contribute to the general interest and advantage of the City.

5. **Events (Community Promotion)**

Events which enhance and contribute to the cultural life of Richmond, which promote community involvement and spirit, and which have a defined start and finishing date (but may also be held annually), and which promote Richmond outside the City.

**GRANTS PROGRAM**

## **6. Council Discretion**

Council may, at its discretion, award grants to groups which offer a service deemed by Council to be of value to the City, or to community committees whose mandate is to function for the good of the City and its residents.

### **C. EXCLUSIONS FROM ELIGIBILITY FOR CITY GRANT:**

- Applications from individuals
- Activities which are restricted to people of specific religious or ethnic groups
- Annual fund-raising campaigns, form letter requests or telephone campaigns
- Building funds or capital construction campaigns
- Debt retirement
- Expenses related to attendance at seminars, workshops, symposiums, or conferences
- Agencies which primarily fund other organizations

### **D. GRANTS REVIEW CONSIDERATIONS**

Not all organizations meeting the criteria will automatically receive a grant. Grant allocations are dependent on the Grants budget established by City Council.

In reviewing grant applications and preparing recommendations for grant allocations, Council may give primary consideration to the following factors:

- Basic eligibility and demonstrates organizational efficiency, effectiveness and stability.
- numbers of Richmond residents served
- quality of service
- financial need of the organization
- community interaction
- role and number of volunteers
- use of existing community services and facilities
- local input into governance
