Staff Report

Origin

This report is the result of a new parking lot being created as part of the re-development of the BC Packers property in Steveston. This parking lot is off Railway Avenue, adjacent to the Coppersky condominium complex and Britannia Heritage Shipyard (refer to attached map of the area).

Analysis

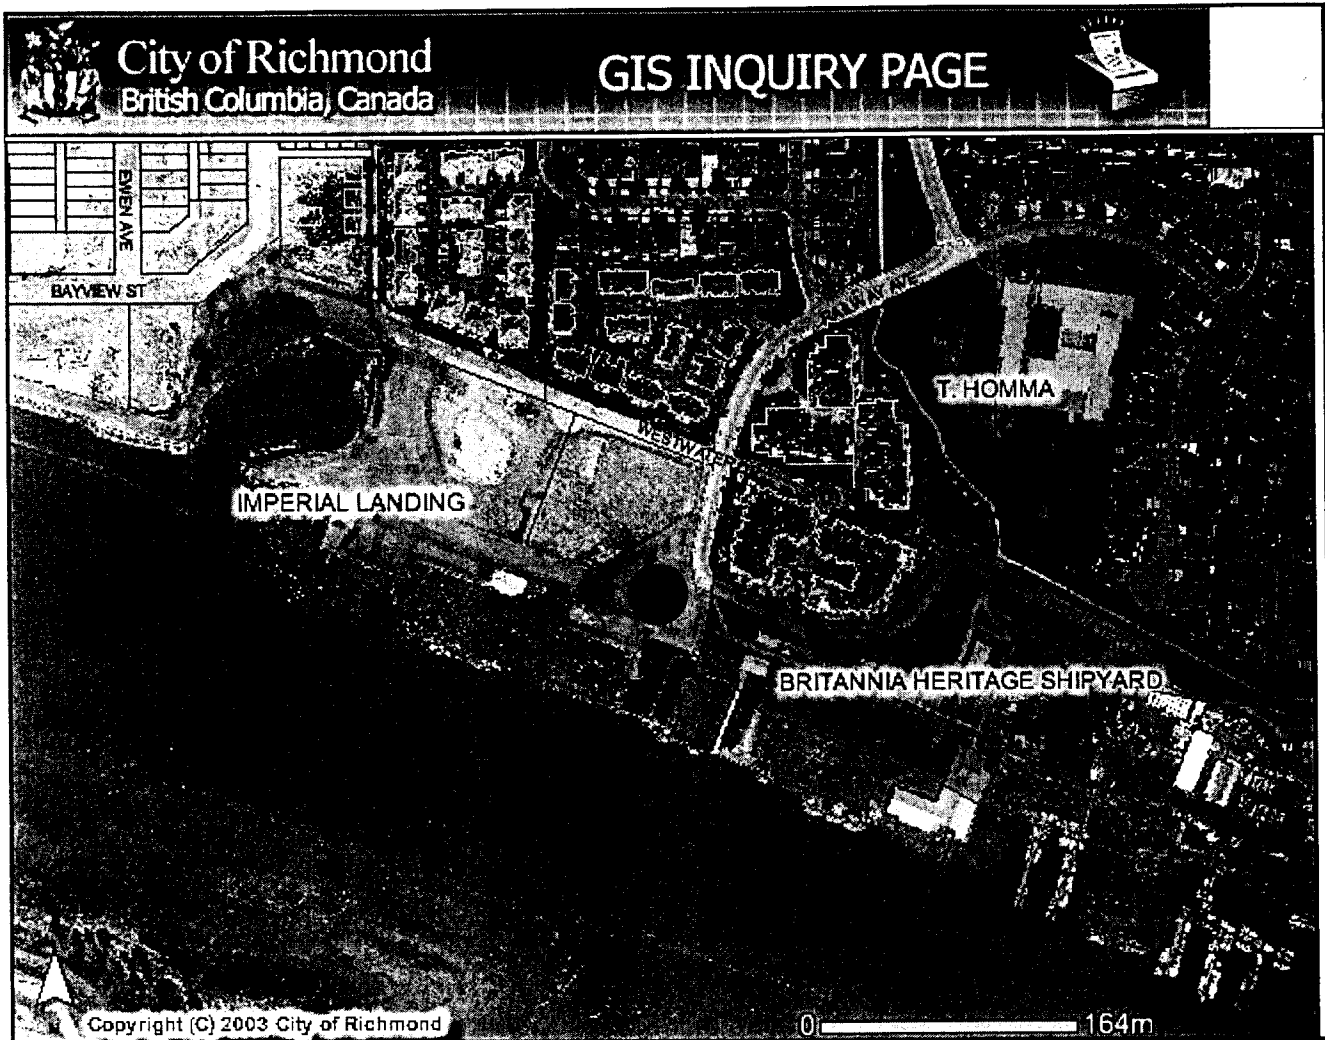

This is a newly developed facility not previously included in Schedule A of Parking (Off-Street) Bylaw. Adding the lot to the schedule will allow for the posting of regulatory signs and the enforcement of the time restrictions on parking in this location.

Conclusion

The proposed amendments to the Traffic Bylaw and Parking (Off-Street) Bylaw will promote turnover of parking in the lot.
