Re: Permit DV 06-351211 – Bylaw 5300

Dear Mr. Weber:

Please be advised that we are writing in regards to the Notice of Application for a Development Variance Permit for 12033 Riverside Way.

We are opposed to the first paragraph – to increase the maximum building height of the "Business Park Industrial District (13)" from 12 M (39.4 ft) to 14 m (46 ft). We feel that increasing the building height by 7 feet will obstruct our view and will negatively alter the esthetic of the Riverside Way.

We hope you will take our concerns into consideration as you determine whether or not to grant these provisions.

Thank you for your time.

Glenn Taylor
President
Global Collective Design Inc.
