Staff Report

Origin

The Local Government Act requires the appointment of a Local Court of Revision in order to:

1. hear complaints regarding the amount of frontage on which new assessments are based;
and
2. certify the taxable frontage as correct.

The Local Improvement Bylaws which will be on the agenda are:

1. Local Improvement Construction Bylaw No. 7356 (2nd Avenue, Hunt Street, Regent Street, and Georgia Street), and
2. Local Improvement Construction Bylaw No. 7399 (Georgia Street).

Analysis

At the Inaugural Council Meeting of December 2, 2002, the members of the Public Works and Transportation Committee – Councillors Rob Howard (Chair), Kiichi Kumagai, Linda Barnes, Derek Dang, and Mayor Malcolm Brodie - were appointed as the Court of Revision for Local Improvement Areas.

Council must establish the time, date and place for the sitting of the Local Court of Revision early enough to allow for the statutory advertising and public notification that is required under the Local Government Act.

Conclusion

It is recommended that the 2003 Local Court of Revision be scheduled for Thursday, April 24, 2003 at 3:50 p.m. in the Anderson Room at Richmond City Hall, immediately preceding the regularly scheduled Public Works and Transportation Committee meeting.
