**Re:** **S.K.M.B. Harchand Construction – Bylaw 7468**

---

This is to advise you that the Development Variance Permit (DV 02-218068) is scheduled to be issued by Council at the March 24, 2003 Council meeting, which is a requirement associated with Bylaw 7468. It would be appropriate to place this Bylaw on the same agenda for final adoption, however should Council not issue the Development Variance permit, then this Bylaw is to be withdrawn from the agenda.

This satisfies all Urban Development requirements prior to adoption of Bylaw 7468.
