STAFF REPORT

ORIGIN

The Municipal Act requires the appointment of a “Local Court of Revision”, the function of which is to hear any complaints from the public regarding the amount of property frontage on the basis of which they would be assessed for charges when the new local improvement areas are established.

The Local Improvement Bylaw which will be on the meeting agenda is **Bylaw 6842, Local Improvement Construction: Danube Road between 6091 Danube Road and Dorval Road, and Delaware Road from 8460 Delaware Road to 8400 Delaware Road, and Dorval Road from 6331 Danube Road to 8531 Dorval Road.**

ANALYSIS

At the Inaugural Council Meeting of December 6th, 1999, members of the Public Works and Transportation Committee – Councillors Lyn Greenhill, Derek Dang, Ken Johnston, Kiichi Kumagai, and Mayor Greg Halsey-Brandt – were appointed as the Local Court of Revision for 2000.

Sec. 361.2 of the Municipal Act requires Council to establish the time, date, and place for the Local Court of Revision. It is therefore recommended that the Court be scheduled for Wednesday, April 19th, in the Anderson Room, just prior to the Public Works and Transportation Committee meeting.

CONCLUSION

In order to allow sufficient time for statutory notification of affected property owners, it is necessary for Council to establish the Local Court of Revision in 2000 immediately preceding the April 19th Public Works and Transportation Committee meeting.
