Re: Delegation to Community Services Committee

I am writing on behalf of Volunteer Richmond to request an opportunity to come forward as a delegation to the Community Services Committee.

The purposes of our delegation would be to provide an overview of International Year of Volunteers (IYV) 2001, the work of the Richmond IYV Steering Committee, including our plans for celebration, promotion, training and recognition, and to ask for the Committee's input and feedback to our initiatives. We would also like to request a member of Council to act as a liaison for our committee as we continue with the rest of our plans for the year.

I have spoken with Councillor Harold Steves who is supportive of our delegation request.

I look forward to hearing from you as to the availability of this opportunity. Please let me know should you require any further information. I can be reached directly at 279-7029, or by email, eduda@volunteerrichmond.ca.

Sincerely,

Elizabeth Duda
