

Motion

Whereas the RCMP has typically run it's operations at less than full approved complement, and this results in tax dollars collected but not necessarily spent on police officers;

Let it be resolved

That staff be directed to come forward to the next Community Safety Committee meeting with a discussion paper and make recommendations on;

The RCMP complement and civilian workforce be increased as follows:

- *Up to a maximum of five additional officers, and*
- *An Auxiliary Constable Coordinator*

The funding of these positions be available through complement gap funding
