Planning Committee
City of Richmond,
6911, No.3 Road,
Richmond, B.S. V6Y 2C1

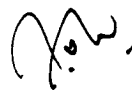

Dear Chair & Councillors,

Richmond Home Depot has requested the Richmond office of S.U.C.C.E.S.S. to write a letter of support to its application to the City Council for amending a zoning by-law to the effect that the 14 zone in Richmond be allowed to sell garden plants and landscaping supplies.

I am writing to confirm that Richmond Home Depot has been a very good corporate citizen in our community. Through the good work of Mr. Cliff Cheng of the Chinese InforMedia Consulting Group Inc., Richmond Home Depot supported a number of our programs for new immigrants in the past two years. They either made donations in kind to us or jointly organized with us presentations/demonstrations to newcomers and the Chinese community at large on Canadian cultural style of living, including gardening and home improvement. These help much adaption and settlement of new comers into our community.

Favourable consideration of Richmond Home Depot's application by your Committee will be much appreciated.

Yours truly,

(T.N. Foo)
Program Director,
Richmond Services.
