Attn: His Worship Mayor Greg Halsey-Brandt and  
 Members of City Council

Your Worship and Members of Council:

I am writing to request an appearance by the Vancouver International Airport Authority at the 17 April 2001 meeting of the General Purposes Committee of Council. The Authority wants to continue its practice of regular reporting to the City, both as one of our Nominating Entities and as the community in which the airport is located.

We would like to use the occasion to apprise Council of Authority plans for 2001 as well as to bring it up to date on several ongoing airport initiatives. Some of the topics, we would like to cover are:

- ◆ The recent economic impact study;
- ◆ Airport Connector and related road construction;
- ◆ Domestic Terminal renovations;
- ◆ Airside capacity and delay reduction; and
- ◆ Noise management.

We anticipate that the presentation will take approximately 15 minutes, and, as always, we would be happy to answer any questions that Council may have.

Attending the session on behalf of the Airport Authority will be Mel Goodwin, Director and the City's nominee to our Board, Anne Murray, Vice President Community and Environmental Affairs, Michael O'Brien, Vice President Strategic Planning and Legal Services; Craig Richmond, Vice President Airport Operations and me.

Please let me know if 17 April is acceptable to Council. In the meantime if you have any questions or concerns, I invite you to call Meg Comiskey at 276-6529.

Yours truly,

cc: George Duncan, City Administrator  
 J. Richard McKenna, City Clerk
