**Report to Committee**

To: General Purposes Committee  
 From: Anne Stevens  
 Manager, Customer Services  
 Re: JP Malone's Liquor Licence Application

Date: April 13, 2004  
 File: 12-8275-05/2004-Vol 01

**Staff Recommendation**

That City Council NOT support the application to amend the liquor licence for JP Malone's at 9031 Blundell Road for reasons outlined in the staff report dated April 13, 2004 from the Manager, Customer Service.

Anne Stevens

## Staff Report

### Origin

The provincial Liquor Control and Licencing Branch (LCLB) issues licences under the authority of the Liquor Control and Licencing Act and Regulations.

The LCLB, rather than the applicant, now notifies local government to give them the opportunity to provide comments and recommendations to the LCLB on all liquor licence applications.

This report will deal with the application from JP Malone's requesting an extension of hours.

### Analysis

JP Malone's has applied to the Province to extend their hours of operations Sunday through Thursday until 2:30 a.m., and Friday and Saturday until 3:30 a.m. This would be a **permanent** request.

JP Malone's presently has a temporary permit which expires the end of April 2004.

The Provincial Liquor Licencing process requires the City to provide resolution based on the comments received from the residents and agencies in the City.

The public process required the posting of a sign notifying the public of the application for a minimum of thirty days; three advertisements placed in the local paper and letters sent to residents within 50 metres of the establishment requesting their comments on the extension of hours for JP Malone's. The thirty-day time frame lapsed April 12<sup>th</sup>, 2004.

Listed below is a summary of the application and summary of comments:

### SUMMARY OF APPLICATION

Item	Details	Comments
Application	#33298	
Location	9031 Blundell Road	
Zoning	NHP Neighbourhood House	
Owner	J Grewal	
Establishment Name	JP Malone's	
Request	Extension of Hours Sun-Thurs 'til 2:30 a.m. & Fri Sat until 3:30 a.m.	
Date Received	March 2004	
Notice Sign	March 12, 2004	
Advertisements in Paper	March 10, 13 and 17, 2004	
Letters to residents	March 12, 2004	

**SUMMARY OF COMMENTS**

	<b>Details</b>	<b>Comments</b>
Resident's Comments	Resident's views were gathered as outlined in the process above. Over 40 letters were received plus comments from strata corporations were received. (Attached)	The objections from the residents were: <ul style="list-style-type: none"> <li>▪ Noise disturbance</li> <li>▪ Traffic issues</li> <li>▪ Vandalism</li> <li>▪ Littering of beer bottles</li> <li>▪ This is a neighbourhood setting</li> </ul>
JP Malone's Petition	A 34 page petition was received from JP Malone's. Not all the individuals who signed the petition live in Richmond and in some cases pseudo names were given.	It is stated in the LCLB guideline that "to avoid the perception of bias, it is very important that neither the applicant, nor a group opposed to the application, be involved in the collection of resident's views."
Health Comments	Comments for the Health Increase in noise was a concern	"Noise complaint history, site attended by staff February 1, 2004 in response to neighbourhood complaint. Letter sent to operator after a receipt of subsequent second complaint. Recommendation provided to City of Richmond that trial hours or operation extension not be renewed"
RCMP Comments	The Police were asked to comment on this establishment and the calls related to JP Malone's.	The comments from the police based on their calls to the establishment were: <ul style="list-style-type: none"> <li>Over-service to patrons</li> <li>Intoxicated patrons in public places</li> <li>Possession of prohibited weapons</li> <li>Alcohol taken from the pub to the individuals car</li> <li>Intoxicated people getting into their cars</li> <li>Yelling and shouting when leaving the pub which led to noise complaints</li> <li>Patrons urinating in public after closing</li> <li>Evidence of fights amongst patrons.</li> </ul>

Since the introduction of the new Provincial Liquor regulations, Council has expressed a strong concern against extension of hours for liquor establishments in Richmond and based on the information received from the public; RCMP and the Health Department, staff recommend that the request for extension of hours by JP Malone's be denied for the following reasons:

- Increase in police manpower, which is an additional cost to the City. Police resources do not exist to deal with the extension of hours and the negative impact extended hours has on the community.
- 97% of the residents who responded are opposed to the extension of hours. This does not include the petition from JP Malone's as it is suggested that petitions not be accepted as they would give the impression of bias.
- Negative impact on both the residential and commercial residents as shown in the letters from the residents.
- Increase in vandalism and litter which will be an additional cost to the City and the commercial area affected.
- Increase in late night noise and disturbances.
- Increase in car noise and speeding.
- This is a neighbourhood setting, as stated by a number of residents and is not conducive to late night bar hours.
- Potential for increase in violence, as stated in the police comments.

### **Financial Impact**

None

### **Conclusion**

Staff have completed all necessary reviews and recommend Council not extend hours of operations for JP Malone's at 9031 Blundell Rd.

REC'D  
CYP/14/104

Dear Sir / Madam,

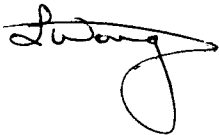

My wife and I are strongly against the application to extend the hours of operations by Mr John Grewal operating J.P. Malones Pub.

Currently the noise level after 12 midnight is very loud. Our condominium is north of the pub, on Garden City Road (approximately 1 city block away). On a Friday and Saturday night we can hear extremely loud music until 03:00 hours. When the pub closes we can hear patrons leaving. Many people often walk north on Garden City Rd, along the east sidewalk.

After a long five day work week, the last thing my wife and I want to listen to is a noisy pub, full of exuberant patrons, while we are lying in bed waiting to fall asleep.

Thank you for your time and consideration.

Sincerely,

Rec'd

Dear Sirs:

**RE: LICENSE AMENDMENT APPLICATION**

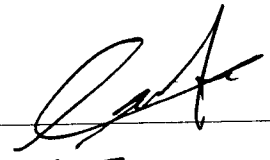

Residents of Royal Garden townhouse development, located at 7831 Garden City Road, recently discussed the prospect of extended hours at J.P. Malones.

Late night disturbances from pub patrons have become a problem for residents in the past and extending the hours may bring disturbances later into the night.

Residents of Royal Garden are opposed to approving the application to extend operating hours at J.P. Malones.

Please consider my opposition when The City of Richmond comes to a decision on this application.

Yours truly,

(Signed)

To Whom it May Concern,

Re.: Notice of application to extend hours of sale at JP Malones Pub by Mr. J. Grewal.

I wish to express my disapproval with this application for the following reasons:

- 1) At present, drunken, rowdy patrons of the pub spill out onto the streets and yell, disturbing nearby residents. Loud music also emanates from the pub until it closes, making it difficult to sleep some nights. Expanding the pub operating hours would simply extend the number of hours that nearby residents are exposed to this noisy disturbance.

All residents have the right to enjoy their home without the disturbance of noisy, rowdy pub patrons roaming the streets in the early hours of the morning. This application is not conducive towards this end.

- 2) Our complex has experienced damage to our property, such as our exterior lights, sprinkler heads, and planters, resulting in extra costs that all owners must bear. It is reasonable to assume that some of this property damage is caused by drunken patrons exiting the pub. Expanding the pub hours will increase patrons' drinking time, resulting in the potential for more disorderly behaviour and further damage to our complex.

Residents should not have to bear the costs of others willfully damaging our property.

For the above reasons, this application will not serve local residents well. It will contribute to the inability of local residents to enjoy their homes, as well as further property damage and ensuing costs. This application should not be approved.

Sincerely,

Kerri Fraser

RE: Liquor Licence Amendment Application  
Notice of Intent  
Under the Liquor Control Licensing Act  
Mr. John Grewal operating J.P. Malones at 9031 Blundell Rd Richmond B.C.  
to extend hours of operation 2:30 Sundays to Thursday and 3:30 Friday and Saturday

Dear Sir:

Please accept this letter as my formal objection to the above mentioned application.

My understanding of the idea of a neighbourhood pub was for neighbours to walk to and socialize and to close at a reasonable hour (midnight) due to location in the middle of communities. Since J.P. Malones was granted the temporary late night closing it has caused numerous problems in the community. I have called the police on several occasions to breakup fights in the parking lot and street. The late night closing draws too many people from all over as no other venue is available in Richmond at that time. Their location is too close to homes and families. Their patio enclosure is made of plastic and does nothing to contain the loud music, which makes it especially difficult to sleep on weekday nights until 2:30 am The parking is not adequate which causes people and cars to spill out into the otherwise quiet streets at 3:30am. This late night closing promotes an undesirable downtown atmosphere in Richmond, is this what we want in our communities?

Re: Lansdowne LBR Marketing Ltd.

We are writing to express our concern regarding the application to extend the liquor sale hours for this business operating under the name of JP Malones Neighbourhood Pub.

One just has to watch the news to see crime and other activity occurring late into the evening in the city of Vancouver, to realize it will only be a matter of time before it becomes more of a problem in our city as well. We no longer feel safe on our city streets later at night. Just look at the late night speeding which happens regularly up Gilbert.

In the Richmond News, April 10, 2004 edition, page 8, Councillor Derek Dang states "our fire and police costs have been exceeding our target. This council has to find the means to finance these ... very important departments." What more strain will this have on our policing costs to have this location open later selling alcohol.

We do not want this licence approved.

RE: Liquor Licence Amendment Application  
Notice of Intent

Under the Liquor Control Licensing Act  
Mr. John Grewal operating J.P. Malones at 9031 Blundell Rd Richmond B.C.  
to extend hours of operation 2:30 Sundays to Thursday and 3:30 Friday and Saturday

Dear Sir:

Please accept this letter as my formal objection to the above mentioned application.

My understanding of the idea of a neighbourhood pub was for neighbours to walk to and socialize and to close at a reasonable hour (midnight) due to location in the middle of communities. Since J.P. Malones was granted the temporary late night closing it has caused numerous problems in the community. I have called the police on several occasions to breakup fights in the parking lot and street. The late night closing draws too many people from all over as no other venue is available in Richmond at that time. Their location is too close to homes and families. Their patio enclosure is made of plastic and does nothing to contain the loud music, which makes it especially difficult to sleep on weekday nights until 2:30 am. The parking is not adequate which causes people and cars to spill out into the otherwise quiet streets at 3:30am. This late night closing promotes an undesirable downtown atmosphere in Richmond, is this what we want in our communities?

Att: Anne Stevens

Dear Ms. Stevens;

This letter is in regards to an extended hours business license that has been issued to Malone's Pub located at the corner of Garden City and Blundell. I am a resident of a building located half a block away from this pub.

I understand that the city of Richmond has their own requirements for an extended License however; I would like to put forth my concerns as a neighbor of this pub in the hope that you will include my concerns prior to issuing an extension or permanent license. There has been considerable traffic increase, noise from patrons due to the open doors and patio at Malone's pub. Also, it is a concern to have people milling around on the streets into the wee hours of the morning, 2am is one thing, but 4am is quite another.

Further, it would appear that our (neighborhood) property values would go down, being located near a pub operating as a nightclub, rather than the neighborhood pub as it was licensed and permitted to be upon opening business. Additionally, please consider the problems that have occurred in the other Cities or Municipalities that have extended hours for drinking establishments such as this one.

Thank you for taking the time to read my concerns and I hope that you will support the many residents that wish to keep the neighborhood as peaceful as we can during the night.

Sincerely,

Mykel Thuncher

Dear Sirs:

**RE: LICENSE AMENDMENT APPLICATION**

Residents of Royal Garden townhouse development, located at 7831 Garden City Road, recently discussed the prospect of extended hours at J.P. Malones.

Late night disturbances from pub patrons have become a problem for residents in the past and extending the hours may bring disturbances later into the night.

Residents of Royal Garden are opposed to approving the application to extend operating hours at J.P. Malones.

Please consider my opposition when The City of Richmond comes to a decision on this application.

Yours truly,

(Signed)

Re: J. P. Malones Pub - at Blundell & Garden City

We vigorously object to this Pub's  
hours being extended to 3:30 A.M. The  
closing should be no later than midnight  
as it is located right in the centre of  
a residential district.

Thank you,  
Mari Mitchell & Ray Mitchell

*To Whom It May Concern,*

*I again wish to voice my opposition in allowing JP Malone's Pub to extend its current operating hours.*

*We are a residential neighbourhood, and as such should not be allowing a Pub to remain open until 2:30 and 3:30am in the morning. The patrons are loud, as there is an outdoor seating area at the pub, which is utilized seven days a week, there is just no escape from the noise.*

*The patrons of JP Malone's leave the pub, usually getting into their vehicles and speeding away loudly from the pub. Those that are walking away from the pub have continually vandalized our strata property, including lighting fixtures, landscaping, and signage. As an owner of a condominium within this building, I have seen my maintenance fees rise due to constantly having to repair these same items time and time again. I do not see JP Malone's offering our strata any compensation for the actions of its patrons.*

*Please deny JP Malone's Pub its request to extend its operating hours.*

*Sincerely,*

*Danielle Lemieux*

12mar/2004

Dear Sir/mdm

I am writing in response to the letter regarding the application to extend the operating hours of J.P. Malones.

The benefit to such an extension will definitely be to the owner of the establishment and perhaps some people who like drinking outside of their homes until the wee hours of the morning.

The downside is that, the longer people stay at a pub, the more they drink and the more they drink, the more noise they will create when they go out and the more hazard they pose to the public when they go out to drive their cars. From this point of view, the residents in the area will be at a disadvantage.

With the present operating hours of J.P. Malones, its patrons are already causing disturbances to people in the neighbouring homes. These patrons create noise coming in and going out of the place. Aside from the noise that the patrons create, the pub plays music very loudly. Residents are not able sleep because of this. If people are not able to sleep at night, they can not work productively during the day.

My suggestion is to let the store keep its present operating hours or even reduce them. We need to keep our neighbourhood quiet. This is a residential district, not a pub strip. Please leave the all-night bars to other places, we don't need them here.

Sincerely,

COPY

Victoria, BC  
V8W 9J8*

*Dear Sir or Madam,*

*I am writing to you today to express my opposition in regards to the application by JP Malone's Pub located at 9031 Blundell Road, Richmond BC to amend their current operating hours.*

*I am extremely concerned about the effect this will have on our urban neighborhood and our community as a whole.*

*Currently, I encounter a very high volume of noise and disturbance emitting from the pub (indoor and outdoor seating), as well as the outflow of their customers onto the street after closing time (yelling/rowdiness/cars speeding away down the road). Numerous times during the year the volume in the pub is so loud that I have to close my windows to block out both the music and the noise of the customers in the pub as I attempt to get a decent nights sleep before I have to get up for work the next morning.*

*There have been several instances of fighting and property damage from the patrons of the pub. I have enclosed a copy of an RCMP news release in regards to one assault that has taken place in the area, but for the few that are reported, there are many others occurring each week that go unreported.*

*The noise, partying, and public disturbances happen seven days a week, not just on the weekends. I accept the fact that they must do business, but at what cost? By keeping the pub open until 2:30am / 3:30am you are inviting trouble not only from our city, but from other outlying areas, as there will be an influx of trouble makers flocking to our quiet corner of the city based only on the fact that they will be able to drink into these ungodly hours. We also have to ask ourselves, how are they getting here?*

*Chances are they are driving themselves from another establishment to JP Malone's where they will continue to drink. We are asking for trouble as the risk to drink and drive increases, and threatens the innocent people of our community.*

*Please do not allow JP Malone's Pub to extend their hours of operation.*

*Sincerely,*

MAF

Mar 12, 2004

I am strongly against the extension of my hours re J.P. MALONES @ 9031 BLUNDALL ROAD, RICHMOND B.C.

If this extension is allowed, I believe the numbers that will attend the Pub will increase & increase.

The attendance during this (late or early) <sup>EXTENSION</sup> will certainly take away from our residential area. The noise level relating to automobile traffic alone will be disturbing.

Patrons leaving after the Pub closing certainly could be a SAFE DRIVING risk, in this neighborhood or any other neighborhood.

Will all leaving J.P. Malones <sup>AT 2:30 AM</sup> submit to the <sup>3:30 AM</sup> testing of their alcohol level as they leave the Pub?? Perhaps the Police could provide us with this service. It might help save lives.

MB Foster

THE CITY OF RICHMOND  
PERMITS SECTION  
LIQUOR LICENCE APPLICATIONS  
6911 NO. 3 RD  
RICHMOND, B.C. V6Y 2C1

To Whom It May Concern:

This letter is in response to the Schedule A letter recently received outlining the application by **Mr. John Grewal** operating **J.P. Malones at 9031 Blundell Road, Richmond, BC** to **extend the hours of operation to 2:30 on Sundays through Thursdays and 3:30 A.M. Fridays and Saturdays.**

I wish to inform you that I **strongly oppose the application.** I feel that access to alcohol at that time of the morning makes our streets and neighbourhoods more dangerous. Extending the hours of operation does not serve the interests of our neighbourhood in my opinion and I will be greatly disappointed if the application is approved.

Sincerely,

Kevin Hammerstrom

March 15, 2004

Dear Sir / Madam,

I am writing in response to the letter regarding the application to extend the operating hours of J.P. Malones.

For one thing, what is the benefit of the extension? The answer is definitely the owner of J.P and maybe some drinkers. I am new to this area and was surprised when I found out there was a liquor store opened so late in this area. As a rule, the liquor stores mostly closed on Sunday. It is good thing we should keep.

The downside is obvious. More noise will be caused and more drinkers will be sticking around this area after midnight, plus, drug dealers are coming in to looking for potential drug consumer. As a result, the residents living in this area will suffer the danger.

Just a reminder, this is not a pure commercial zone.

Absolutely, my suggestion is to let the store keep its present operating hours or even, if possible, reduce them. We need to keep our neighbourhood quiet. This is a residential district, not a pub strip. Please leave the all-night bars to other places, we don't need them here.

Sincerely,

Dear Sir or Madam:

I received a sheet of information about extending the hours of operation of J. P. Malones at 9031 B Bundell Rd., Richmond, B.C.

I do not think that the hours of operation should be extended at J. P. Malones. If people are drinking for a longer period of time, I believe that they will be more likely to cause an accident when they leave. They would likely be sleepier if they leave at a late hour and more likely to injure or kill someone.

I believe it may be more work for the police as they may want to check the premises. Noise from the premises may disturb people who are nearby.

If people want to drink alcohol in the middle of the night, they could buy a bottle of it and drink it at home.

My cousin was killed by a drunken driver. I think that we should do everything we can to prevent people being

injured or killed by people who have  
too much alcohol to drink.

Thank you very much for your  
consideration of my views.

Yours sincerely,  
Erval Chapman

**To:** MayorandCouncillors  
**Subject:** JP Malones

Mayor and Councillors,

I've been living across the street from JP Malones for the past 11 years. I do enjoy the Neighbourhood however since the 3:00am closing at JP Malones has been intolerable and very stressfull. I have been woken up between 2:00am - 4:00am with sound of the bass and loud voices coming from the covered patio area. This has now become the after hours pub after all the others pubs are closed they end up at JP Malones it is like rush hour traffic at 2:30am. This goes on for hours, then at closing everyone is getting in their cars and loud voice yet again some like to continue the party outside in the parking lot. The next morning when walking the dog there are beer bottles/cans are scattered in and around to the pub.

I am also dreading the summer months, it will be much worse I am certain.

This Neighbourhood is highly residential and no place for pub to be open until 3:00am. If this bylaw passes for 3:00am closing I will be putting my place up for sale and will have to move. I would hate to be forced out my home.

I appreciate your consideration in this matter.

With kind regards,

**Sent:** March 5, 2004 12:54 PM  
**To:** MayorandCouncillors  
**Subject:** JP Malone's Pub

Attention: Richmond City Council

As a long time resident of the Garden City and Blundell neighborhood, I am appalled by the business hours of JP Malone's Pub. Often while visiting a neighbor living in my condominium complex, we could hear the base from the music and voices from outside the pub at a time when most people are sleeping. As well every morning using the bus stop, just outside the Pub, I have noticed an increase in litter and empty beer bottles at the adjacent lot. Having endured the extended hours for the last few months, I cannot imagine what the noise level would be like during the summer months if patrons of the pub were allowed to sit outside in the patio until the early hours in the morning.

I would be extremely disappointed if JP Malone's Pub was allowed to continue operating with the extended business hours. I have read in the local newspaper about the lack of complaints from residents in the area and from the police. However, this is not a fair representation of the neighborhood.

This type of business establishment belongs in the downtown area not in a suburban residential area. I would appreciate this matter to be seriously addressed after their temporary permit for extended business hours has expired.

Thank you

Dear Madam/Sir,

We are writing in response to your notice about J.P. Malones at 9031 Blundell Road, Richmond, B.C. having made application to extend their hours of operation to 2:30 on Sundays through Thursdays and 3:30 a.m. Fridays and Saturdays.

As we have both experienced noise disturbances and sustained property damages at the present closing times, we do not wish to see the bars operating hours extended. We feel that the noise and property damage problems would increase as a result of extended drinking hours in this location.

We thank you for your attention to our concerns.

Terry Watson

## **LIQUOR LICENCE AMENDMENT APPLICATION NOTICE OF INTENT**

### **Under the Liquor Control and Licensing Act.**

An application has been received by the Liquor Control and Licensing Branch, Victoria B.C. and by the City of Richmond from:  
Lansdowne LBR Marketing Ltd. operating JP Malones Neighbourhood Pub at 9031 Blundell Rd., Richmond, B.C.

The intent of the application is to change the hours of sale on Monday to Thursday from the currently approved hours between 10:00am to midnight to 9:30am to 2:30am. Friday & Saturday from the currently approved hours between 11:00am and 1:00am to 9:30am and 3:30am. Sundays from the currently approved hours between 11:00am to 1:00am to 9:30am to 2:30am.

Residents, property owners and business owners may comment on this proposal by writing to

**The City of Richmond  
Permits Section  
Liquor Licence Applications  
6911 No. 3 Rd.  
Richmond, B.C. V6Y 2C1**

To ensure the consideration of your views, your letter must be received on or before April 12th, 2004. Your name and address must be included on your letter.

Please note that your comments may be made available to the applicant where disclosure is necessary to administer the licensing process.

To whom it my Concern,

RE: JP MALONES NEIGHBOURHOOD PUB  
LIQUOR LICENCE AMENDMENT APPLICATION NOTICE OF INTENT  
Under the Liquor Control and Licensing Act.

I am writing in response to the application made for extension of the business hours on permanent basis by JP Malones Neighbourhood Pub.

I have been a resident and property owner of the above address for the past 11 years. Since the 3:30am closing at JP Malones the noise disturbance has been completely intolerable and very stressful. I am repeatedly woken by sounds of the bass and loud voices coming from the covered patio area. The patrons are arriving at JP Malones from other local pubs once those close and frequently "continue the party" and drink alcohol in the parking lot until 4:00 am or later.

This neighbourhood is highly residential and is certainly no place for a neighbourhood drinking establishment to be open until 2:30am or 3:30 am. If this application is approved I am extremely concerned that I will be forced out of my home.

I appreciated your consideration in this matter.

With Kind regards,

Toni Gaye Biltzan

**RE: Application by Lansdowne LBR Marketing Ltd/ JP Malones Neighbourhood Pub to extend hours of sale**

To Whom It May Concern:

I am writing to express my opposition to the above application. My husband and I purchased a townhome at 7733 Turnill Street in August 2003. Our intent was to buy into a quiet family neighborhood in order to raise our 8 year old son and our second child, due in April. Our expectations for our new home and community have been met, with one exception. Since January, when Malone's began staying open until 3 am, I have been awakened every weekend morning between 2 and 3 by the excessive noise of patrons leaving the pub. Shouting, singing, car door slamming, engine revving, horn honking, and car alarms have become routine for at least a one-half hour period, every single weekend. My next-door neighbor has complained of the same. Although signs are posted outside the pub asking patrons to respect nearby residents, and stating that noise will not be tolerated, it is clear that the signs are ineffective, and that nothing is being done to curb the excessive noise. This intrusion into my otherwise quiet home is becoming intolerable, and therefore I am strongly opposed to the possibility of having similar disruptions every day of the week, if extended sales are permitted.

While I understand that Malone's existed prior to the construction of the new townhouses in the area, the fact is that where there were once a half-dozen single family homes, there are now well over 100 families living within earshot of this pub, and more townhouse developments are planned even closer to the pub. The City of Richmond has made a decision to increase the density of this neighborhood, and therefore the City also bears the responsibility of ensuring that all subsequent decisions are consistent with the needs of these new communities. Clearly, allowing extended liquor sales in a dense residential neighborhood is not consistent with the goal of creating safe, peaceful, liveable communities.

I urge the City to consider the greater good of the community in reviewing this application. I cannot think of a single benefit that extended hours of liquor sales would offer to the surrounding community. The desire of a single business to increase profits must not come at the expense of hundreds of families who have a right to the quiet and peaceful enjoyment of their homes.

Sincerely,

Kathryn Runnalls and family,

Richmond, BC  
V6Y 4H9

March 20, 2004

Re: J P Malones at 9031 Blundell Road, Richmond BC  
Extend hours of operation

My comment is NO to extending hours of operation.

In my view, this pub is too close to the vicinity of residences. The noise from the pub is disturbing sleep. Music and talking can be heard even now with the windows closed. Come summer when we have to open the windows it will be impossible to get a good night's sleep at all. This problem came up when they <sup>(pubs)</sup> were allowed to operate longer hours.

To add salt to the wound when you are already trying to sleep, some ~~and~~ patrons will get rowdy and they yell out on the streets or honk their cars.

With ~~this~~ pub next door to residences, it should only be allowed to open till midnight.

March 15, 2004

Dear Sir,

I am writing in response to the letter regarding the application to extend the operating hours of J.P. Malones.

The benefit to such an extension will definitely be to the owner of the establishment and perhaps some people who like drinking outside of their homes until the wee hours of the morning.

The downside is that, the longer people stay at a pub, the more they drink and the more they drink, the more noise they will create when they go out and the more hazard they pose to the public when they go out to drive their cars. From this point of view, the residents in the area will be at a disadvantage.

With the present operating hours of J.P. Malones, its patrons are already causing disturbances to people in the neighbouring homes. These patrons create noise coming in and going out of the place. Aside from the noise that the patrons create, the pub plays music very loudly. Residents are not able sleep because of this. If people are not able to sleep at night, they can not work productively during the day.

My suggestion is to let the store keep its present operating hours or even reduce them. We need to keep our neighbourhood quiet. This is a residential district, not a pub strip. Please leave the all-night bars to other places, we don't need them here.

Sincerely,

Hsiu-Hua Ko HSU

*Please Take Note:*

*We live at Regents Gate, one block north of JP Malones Neighbourhood Pub. The traffic on Garden City Road both day and night, is becoming increasingly heavier and excessive speed seems to be practised by the majority of drivers. Quite often late at night we can hear vehicles racing down Garden City Road. We DO NOT think more drunk drivers need to be set loose at 3:30 am in our neighbourhood. We don't think that any neighbourhood pub in Richmond needs to be open any later than 1:00am on any day of the week. It is also not necessary for any neighbourhood pub to be open before 11:00am either.*

*We therefore oppose JP Malones application to extend it's hours in any form.*

*Yours sincerely,*

  
*JK Elliott*

Dear Sir,

This letter is a response to the application to extend the operating hours of J.P. Malones.

At present, JP Malones already disturbs the sleep of people in our neighbourhood because of the loud music they play at night. Their customers also cause disturbance due to the noise they make until after midnight.

If you could, please make the pub close before midnight. This place would be a better place for residents if that were to happen.

Sincerely,

Liquor licence applications

6911 No. 3 Rd.

Richmond, B.C. V6Y 2C1

Reference: Application for extended hours of trading by JP Malones Neighbourhood Pub. (at 9031 Blundell Rd.)

We see no valid reason to extend the already liberal hours of trading allowed to pubs in Richmond. The city is not a tourist destination and thus only caters to local residents.

The pub is situated in a densely populated suburban area and there is no valid reason for it to cater to either any late entertainment being offered by its own establishment or that of any other nearby establishments.

While we do not intimate that these remarks we make that: " excessive extended hours of liquor consumption " contributes to the possibility of greater vehicle accidents applies specifically to the clients of the applicant, there is the possibility that this may be a valid statement in general terms.

While we are not situated within the close environs of the applicants business, our objections to the extended hours requested are objected to, purely on the basis of being residents of Richmond.

I thus ask that this application be refused.

RE: operation of JP Malone's Neighborhood Pub

I am a resident at 8760-blundell road. I am not apposed to the extension of hours however, I am apposed to the level of noise that is generated throughout the neighborhood. On any given night after say midnight, the sound from the clubs audio speaker system radiates amongst the buildings and apartment complexes. At times the window glass in my bedroom vibrates from the bass notes. I have been in the music business myself for a number of years and totally understand how sound travels and the scale of decibel readings. In my opinion the music sound levels are an infraction of the city noise bylaws and should be dealt with first before any consideration of extended hours is entertained.

Section 3

Part 3.2

Sub section 3.2.2, 3.2.2.1 (b), 3.2.2.2 (b), and also 3.2.2.3 (a)

As specified in the City Of Richmond's noise bylaws.

This is a neighborhood pub not a nightclub you have to be very clear on that. JP Malone's Pub would have to consider some extensive acoustic sound proofing to contain the sound levels of the type of hip hop music they play. We have a lot of residents within a blocks radius of the club and another complex going up directly across the street.

From all the problems that are going on in downtown Vancouver from the extension of **bar** hours I think this city council should take a long hard look at the possible outcome of **extending** hours of operation in this case. We already have to many Liquor outlets **popping** up all over the place as it is.

In all consideration in regards to location, sound levels and situations in Vancouver I would have to vote No... to any extension of hours and a closer look at infractions to the city **noise** bylaws. The workers compensation board might be of assistance to you

Sincerely,

Mr R.J. Resek

Attention: Ann Stevens

Dear Sirs:

Re: JP Malone's Bar and Grill – Garden City and Blundell  
Roads, Richmond, B.C.

---

We, concerned residents of Blundell Gardens located at 8760 Blundell Road, are writing with respect to the late night openings at JP Malone's Bar and Grill located at the corner of Garden City and Blundell Roads, Richmond, B.C.

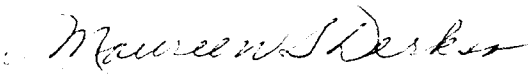

We understand that since January 01, 2004 "Malone's" has had late night openings until 3:00 am. This has resulted in unacceptable levels of noise late at night, rowdy behaviour by patrons with police vehicles often in attendance as well as the incumbent late night traffic. The karaoke can often be heard well after 2:00 a.m. The level of noise is so increased since the inception of the late night openings, that even suites on the south facing side of our premises (which face onto Palmer School), cannot leave their windows open at night. We have had complaints of lack of sleep, of residents in suites on the north side of the building having drunken (and unwell) patrons of the pub loitering on the front of our premises.

As you are aware, our area is heavy density with townhomes, condominiums and some regular residential. Many of the new townhomes are being built right to the door of the Pub in question. It hardly seems appropriate in a primarily residential neighbourhood to allow a Pub to have the same late hours that might be afforded to a downtown Vancouver Club located in an area zoned for that particular purpose.

As Strata Chairperson at Blundell, I have personally fielded numerous complaints from residents of Blundell Gardens and have encouraged them to contact the City of Richmond and/or RCMP to voice themselves.

Accordingly we would request Council consider this letter when the application for JP Malone comes before you for continuation of their late night openings.

Sincerely,

Maureen S. Derkson  
Strata Chairperson  
Blundell Gardens

To Whom It May Concern:

I am responding to a Notice of Intent letter for the extension of hours of J.P. Malones Pub at 9031 Blundell Rd., Richmond B.C. I am opposed to this extension for the following reasons:

- It is a neighborhood pub, not a night club
- It is in a residential setting, not downtown
- When other pubs and restaurants close, people move to anywhere that is open
- I live adjacent to the pub and hear the on-going noise levels in the wee hours
- I have witnessed the willful damage to bus stops, chain fences, and property

I understand that Mr. John Grewal is a business man and longer hours equals more revenue, however, the working community also needs rest. Leave the late-night clubs downtown or at least in the non-residential areas. Thank you.

Shawn Farrell

To Whom It May Concern,

RE: J.P. Malones Pub  
Blundell, Richmond, B.C.

In regards to the extended  
pub hours. It is my personal  
opinion that it is a  
service to the public of  
Richmond, not a hindrance.

The owner and staff seem  
to stay on top of the  
bylaws, and are aware  
of any problems surrounding  
them.

Sincerely

Carl Jędrowski  
#318-8333 Gore Rd.  
Richmond B.C.

Dear Sirs:

**RE: LICENSE AMENDMENT APPLICATION**

Residents of Royal Garden townhouse development, located at 7831 Garden City Road, recently discussed the prospect of extended hours at J.P. Malones.

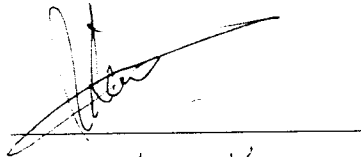

Late night disturbances from pub patrons have become a problem for residents in the past and extending the hours may bring disturbances later into the night.

Residents of Royal Garden are opposed to approving the application to extend operating hours at J.P. Malones.

Please consider my opposition when The City of Richmond comes to a decision on this application.

Yours truly,

(Signed)

Regarding the pub extend the hours of operation.

I'd like to express that I oppose to extend the hours of operation to 2:30 am on Sundays through Thursday and 3:30 AM Fridays and Saturdays. The reasons are as follows:

### 1. Community Security

I had seen the drunken customers come out from the pub damaged the community property. e.g. Kicking down the grey mail container and left it lied on the street. RCMP CAME to the pub to deal with the customers of the pub for some reasons.

Drunken customers take off and drive. It is not only dangerous to the driver, but to the street users.

### 2. Noise

Customers speak loudly and not behaving themselves when they get out of the pub, and the way to pick-up their vehicles which parked in the parking of the pub or even closeby on the curb side of the street.

I understand that there are <sup>some</sup> more problems occur that I haven't mention about. So the longer the time that the pub operate, the more problems we have.

Thank you for your attention.

To whom it may concern -  
I feel that drinking hours in the local pubs  
are long enough now!

I would not vote to lengthen hours.  
I enjoy a drink myself - but feel that people  
being able to drink longer daily - will only  
cause opportunities for more car accidents and  
bad behavior on our streets. Our neighborhoods  
have enough problems now with young people  
& driving.

I have been a Richmond resident & property  
owner for over 40 years. I brought up two  
children here & now have grandchildren & want  
safe streets for all of us.

Many places we drive in Richmond, we  
see road side memorials - to honour those killed  
I feel many of these are because of road rage,  
racing & alcohol!

Yours truly,  
Jane Morris
