<p>Analysis</p>	<ul style="list-style-type: none"> • The proposal for a residential subdivision to permit the subject site to be redeveloped into two (2) small single-family lots is consistent with applicable OCP land use designations and Lot Size Policy (5470) for the neighbourhood. • The properties to the immediate east and west have been rezoned to R1/A. The property to the east recently received subdivision approval and is undergoing construction. Other properties along Dunfell Road have received rezoning approval, but have not yet either applied or received subdivision approval.
