**Re: Lexis Systems' Presentation to City Council
May 12, 2003 Richmond City Council Meeting**

I would like request to be put on the Agenda to make a presentation to the Mayor and Council at the May 12th City Council Meeting.

Lexis Systems is a Richmond based manufacturer of automated pay stations. We make a superior product than the City of Richmond's current meter supplier and we are prepared to deliver 42 machines meeting the same specifications as the current supplier for \$465,000.

Please contact me at (604) 248-6010 to confirm my attendance at this meeting or if you have any questions.

Sincerely,

Robert Ziola
President & CEO

Dear Mr. Ziola:

Re: Pay Parking Equipment

In response to your email dated April 11th, 2003, this is to confirm your appearance as a delegation to Council regarding the City's pay parking equipment at the Council Meeting scheduled for Monday, May 12th, 2003, at 7:00 p.m. in the Council Chambers, Richmond City Hall. Because this item is not on the agenda you will be heard at or near the end of the Council meeting. It is noted that you have declined to discuss this matter with the appropriate committee of Council.

As you are aware, Council procedures allow five minutes for you to make your presentation, not including any questions which Council members may ask. This five-minute limit is strictly enforced to ensure that all business for the meeting is dealt with.

Please conclude your presentation with a specific request on what you are seeking by appearing before Council as a delegation.

Yours truly,

J. Richard McKenna
City Clerk
