Application	RZ 04-268290
Location	4180 Garry Street
Owner	C. Morrell; M. Wittman; J. Wittman
Applicant	G. & R. Basra (Danny Basra)
Date Received	March 31, 2004
Acknowledgement Letter	April 14, 2004
Fast Track Compliance	April 19, 2004
Staff Report	April 27, 2004
Planning Committee	May 18, 2004
Site Size	1,004 m ² (10,807 ft ²)
Land Uses	<i>Existing</i> – A single-family dwelling. <i>Proposed</i> – Two single-family residential lots (each 502 m ² or 5,403.5 ft ²)
Zoning	<i>Existing</i> – Single-Family Housing District, Subdivision Area E (R1/E) (Minimum width 18 m or 59 ft.) <i>Proposed</i> – Single-Family Housing District, Subdivision Area A (R1/A) (Minimum width 9 m or 29.5 ft.)
Planning Designations	Steveston Area Plan Land Use Map designation – ‘Multiple-family’ However, a townhouse project is only possible if both the subject lot and neighbouring lot to the west (4160 Garry Street) develop together. The applicant has approached the neighbour, but is unable to reach an agreement for a joint development for a multi-family use at this time. The proposal for a single-family residential subdivision is generally consistent with the Area Plan.
Related Policies	Lot Size Policy 5471 (rezoning permitted to R1/A) – <i>Complies</i>
Surrounding Development	To the east – Lions Park Seniors housing complex zoned Townhouse and Apartment District (R3) To the west – Existing single-family dwelling on a lot zoned R1/E To the north – Three-storey townhouses To the south – Single-family dwellings on small lots zoned under Land Use Contract 130 Garry Street contains a mix of single-family small lots and multi-family townhouse developments.
Staff Comments	Most of the single-family residential redevelopment along this block of Garry Street containing the Lot Size Policy has been east of the subject site. However, 4100 Garry Street (west of Yoshida Court) recently received approval to rezone to R1/A on January 13, 2004.
Analysis	<ul style="list-style-type: none"> Although the Steveston Area Plan designates the site for ‘multiple-family’, a townhouse proposal requires a joint development with the neighbouring lot to the west. No agreement could be arranged with the neighbouring property owner. The adjacent lot (4160 Garry Street) will also qualify for rezoning and subdivision under the R1/A zoning district at a future date to complete development in this remaining pocket. The Lions Park Seniors housing complex (R3) is on the neighbouring property to the east. As such, a rezoning to permit a residential subdivision is considered appropriate for the subject lot and complies with the existing Lot Size Policy, and is generally consistent with the existing mix of residential uses on Garry Street.
