Dear Mr. McKenna:

Re: Water Route for Cargo - Fraser River Port Authority – Scheduling

As per our telephone conversation of January 23, 2004, this letter is to request a time to make an in-camera presentation to Mayor and Council. The topic of the presentation is “*Water Route for Cargo*”. Allen Domaas, President and CEO, and possibly one of our Board members, will make the presentation.

The presentation, which has already been made and well received by other municipalities, is of approximately 15 minutes in length and is followed by questions and answers. With the well documented and growing traffic congestion in the Greater Vancouver Gateway, I am confident your Council will find this presentation stimulating.

Please contact me at your convenience to confirm a date and time. I can be reached directly at (604) 523-4801, or via e-mail at carmeng@frpa.com

Thank you for your assistance.

Yours truly,

FRASER RIVER PORT AUTHORITY
