RE: "Hire a Student" - Richmond Human Resource Centre for Students

Dear City Councilors:

Mayor Halsey-Brandt of Richmond and Mayor Jackson of Delta are proclaiming June 5- 9 as the official "Hire a Student Week". I am aware that the City Council meeting is on the *Monday June 12*, following the "Hire a Student Week". I would like to ask for the opportunity to make a presentation at the Council meeting regarding Human Resource Centre for Students and our services.

We provide employers with a job posting service at no charge, labour legislation, and employment standards information. As a one stop employment centre we offer students resume writing help, interview preparation, internet access, and a career resource library.

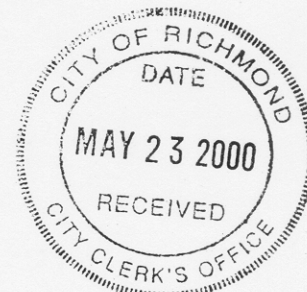

Since most of the City Council meetings are televised, it would provide us with the needed media exposure to reach potential employers that would post their job vacancies with our centre. This way we will be able to help more of Richmond's enthusiastic youth gain valuable work experience.

In conjunction with the Mayor's proclamation of "Hire A Student Week", your cooperation would be a terrific way to make our summer a success.

If you need any more information, or if we could be of any further assistance please contact us by phone at (604) 666-2570, or fax (604) 666-2230.

Yours Truly,

Marko Dekovic
