----------------	---

Analysis	<ul style="list-style-type: none"> <li>• Lot Size Policy 5472 was adopted by Council on December 18, 2003. The Lot Size Policy for the area was developed in conjunction with the rezoning of a property to the east (12340 Woodhead Rd – RZ 03-226615)</li> <li>• There are a number of existing R1/B zoned lots in the area (particularly along Cameron Dr to the south)</li> <li>• The adjacent large lot to the west (12260 Woodhead Rd) has potential to rezone and subdivide into two (2) R1/B lots. However, the existing lot width (35.36 m) is only marginally short of the lot width required (36 m) for three (3) future R1/B lots. The subject site has the lot width to subdivide into two (2) R1/B lots and provide a 0.64 m wide strip of property to the neighbouring lot to the west thus preserving the future ability of 12260 Woodhead Rd to subdivide to create three (3) R1/B lots</li> <li>• Staff requested the applicant contact the owner of 12260 Woodhead Rd regarding this situation and report back on the possibility of 12260 Woodhead Rd purchasing a 0.64 m wide strip of land to facilitate a future 3-lot subdivision. The applicant has advised in writing that             <ul style="list-style-type: none"> <li>• The property owner of 12260 Woodhead Rd is not interested in pursuing redevelopment in the near future as the existing single-family dwelling has recently undergone significant renovations, and</li> <li>• The applicant wishes to proceed with a rezoning and subdivision that does not include the sale of a 0.64 m wide strip of land to the neighbouring lot at 12260 Woodhead Rd</li> </ul> </li> <li>• Staff contacted Mr. Ginn, the owner of 12260 Woodhead Rd, regarding this situation and confirmed he was approached regarding the purchase of a 0.64 m wide strip of land. Mr. Ginn, indicated he is not interested in pursuing redevelopment at this time and while he has interest in purchasing the strip of land, an acceptable purchase price could not be agreed on</li> <li>• Staff recommend the proposed subdivision plan be revised to preserve a 0.64 m wide strip of land along the western property line of the proposed western lot in order to preserve the full subdivision potential of 12260 Woodhead Rd (Attachment 3). This strip of land would be protected by a “no build” Restrictive Covenant until the adjacent lot to the west (12260 Woodhead Rd) pursues redevelopment. The Restrictive Covenant will include language to ensure this area is transferred at fair market value upon redevelopment of 12260 Woodhead Rd. Staff recommend this Restrictive Covenant be required as a condition of final adoption of the rezoning bylaw</li> </ul>

Recommendation	The proposal complies with Lot Size Policy 5472 and the applicable OCP Land Use designations. There is significant precedent for R1/B designated lots in the surrounding area. On this basis, staff support and recommend approval of the application.
