 Re: Application by Brian Sharma for Rezoning at 10800 & 10820 Finlayson Drive File: 12-8060-20-8255
 and 2460 Baydala Court from Single-Family Housing District, Subdivision
 Area D (R1/D) to Single-Family Housing District, Subdivision Area B (R1/B)

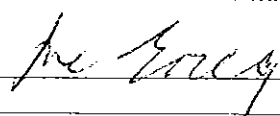

Staff Recommendation

That Bylaw No. 8255, for the rezoning of 10800 & 10820 Finlayson Drive and 2460 Baydala Court from "Single-Family Housing District, Subdivision Area D (R1/D)" to "Single-Family Housing District, Subdivision Area B (R1/B)", be introduced and given first reading.

Jean Lamontagne
 Director of Development

EL:blg
Att.

FOR ORIGINATING DEPARTMENT USE ONLY
CONCURRENCE OF GENERAL MANAGER

Staff Report

Origin

Mr. Brian Sharma has applied to the City of Richmond for permission to rezone 10800 & 10820 Finlayson Drive and 2460 Baydala Court (**Attachment 1**) from Single-Family Housing District, Subdivision Area D (R1/D) to Single-Family Housing District, Subdivision Area B (R1/B) in order to permit the site to be subdivided into four (4) single-family residential lots.

Findings of Fact

A Development Application Data Sheet providing details about the development proposal is attached (**Attachment 2**).

Surrounding Development

- To the north: Single-family dwellings on Single-Family Housing District, Subdivision Area D (R1/D) lots;
- To the east: Newer single-family dwellings on Single-Family Housing District, Subdivision Area B (R1/B) lots;
- To the south: Baydala Court cul-de-sac and then a former rail right-of-way (ROW); and
- To the west: A pedestrian walkway and then single-family dwellings on Single-Family Housing District, Subdivision Area D (R1/D) lots.

Related Policies & Studies

Bridgeport Area Plan

The subject property is located within the Bridgeport Area Plan, Schedule 2.12 of the Official Community Plan (OCP). The West Bridgeport Land Use Map in the Bridgeport Area Plan designates the subject property for "Residential (Single-Family)".

Lot Size Policy 5448

The subject property also falls within the area covered by Single-Family Lot Size Policy 5448 (**Attachment 3**). This Policy was adopted in 1991 and permits subdivision of lots fronting an internal street to a Single-Family Housing District, Subdivision Area B (R1/B) (minimum 12 m or 39.4 ft. wide).

Official Community Plan (OCP) Aircraft Noise Sensitive Development (ANSD) Policy

The subject site is located within the Aircraft Noise Sensitive Development (ANSD) Policy Area within a designation that permits new single-family development that is supported by an existing Lot Size Policy. As the site is affected by Airport Noise Contours, the development is required to register a covenant prior to final adoption of the rezoning bylaw.

Staff Comments

Tree Preservation

A Tree Survey is submitted (**Attachment 4**) and one (1) bylaw-sized tree was noted on site. The applicant is proposing to remove this tree and an Arborist Report (**Attachment 5**) was submitted in support of the proposed tree removal. Tree Preservation staff have reviewed the Arborist Report and concurred with the recommendations made by the Arborist. Based on the 2:1 tree replacement ratio goal stated in the Official Community Plan (OCP) and according to the size of replacement tree requirement of the Tree Protection Bylaw No. 8057, two (2) replacement trees at 5 m tall or 9 cm calliper are required.

In order to enhance the future lots, the applicant has agreed to plant six (6) additional trees, each at a minimum of 5 cm calliper, on site. As a result, a total of eight (8) trees will be planted on the future lots (two (2) trees per lot). To ensure that the landscaping works are undertaken, the City would require a Landscaping Security in the amount of \$4,000 for planting of eight (8) trees on-site prior to final adoption of the rezoning bylaw.

Pedestrian Walkway

An existing pedestrian walkway connecting Finlayson Drive and Baydala Court is located to the west of the subject site. Parks, Recreations & Cultural Services was consulted and there is no concerns or upgrades needed.

Flood Management

In accordance with the Interim Flood Protection Management Strategy, registration of a Flood Indemnity Covenant on title is required prior to final adoption of the rezoning bylaw.

Site Servicing

An independent review of local servicing requirements (storm and sanitary) has concluded that upgrades to the existing local storm sewer system along Finlayson Drive is required to support the proposed development. The developer is also required to provide voluntary contributions to cover proportionate share of upgrade costs to water (\$3,072.44), storm (\$17,842.32), and sanitary (\$9,268.16). If the proposed subdivision is completed after June 30, 2008, the new Development Cost Charge (DCC) rate will apply and the above voluntary contributions will no longer be required.

Subdivision

Prior to approval of subdivision, the developer will be required to enter into a Servicing Agreement for the design and construction of offsite improvements along Finlayson Drive, from the west property line of adjacent walkway to the east property line of the site. Works to include:

1. Storm sewer upgrading to 600 mm diameter pipe between existing Manhole D5 located near the west property line of 10800 Finlayson Drive and Manhole D4 located near the east property line of 10820 Finlayson Drive as determined via the capacity analysis;
2. Curb and gutter;
3. Pavement widening;
4. 1.50 m concrete sidewalk;

5. 0.80 m grass boulevard between curb and sidewalk;
6. Street trees at 9 m spacing between sidewalk and south property line of Finlayson Drive; and
7. Water, Storm and Sanitary Sewer connections and driveway crossings for each lot.

At subdivision stage, the developer will also be required to pay Development Cost Charges (DCCs), Greater Vancouver Sewerage Drainage DCCs, School Site Acquisition Charge, Address Assignment Fee and Servicing Costs.

Analysis

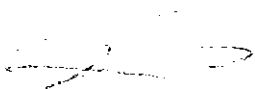

The proposal to rezone and subdivide a portion of the subject properties is consistent with overall Official Community Plan (OCP) and Area Plan land use policies for the area, as well as Council's Single-Family Lot Size Policy 5448. Staff have no objection to the proposal.

Financial Impact or Economic Impact

None.

Conclusion

The rezoning application complies with all policies and land use designations contained within the Official Community Plan (OCP) and is consistent with the direction of redevelopment currently ongoing in the surrounding area. On this basis, staff support the application.

Adopted by Council: September 16, 1991

POLICY 5448

File Ref: 4045-00

SINGLE-FAMILY LOT SIZE POLICY IN QUARTER-SECTION 23-5-6

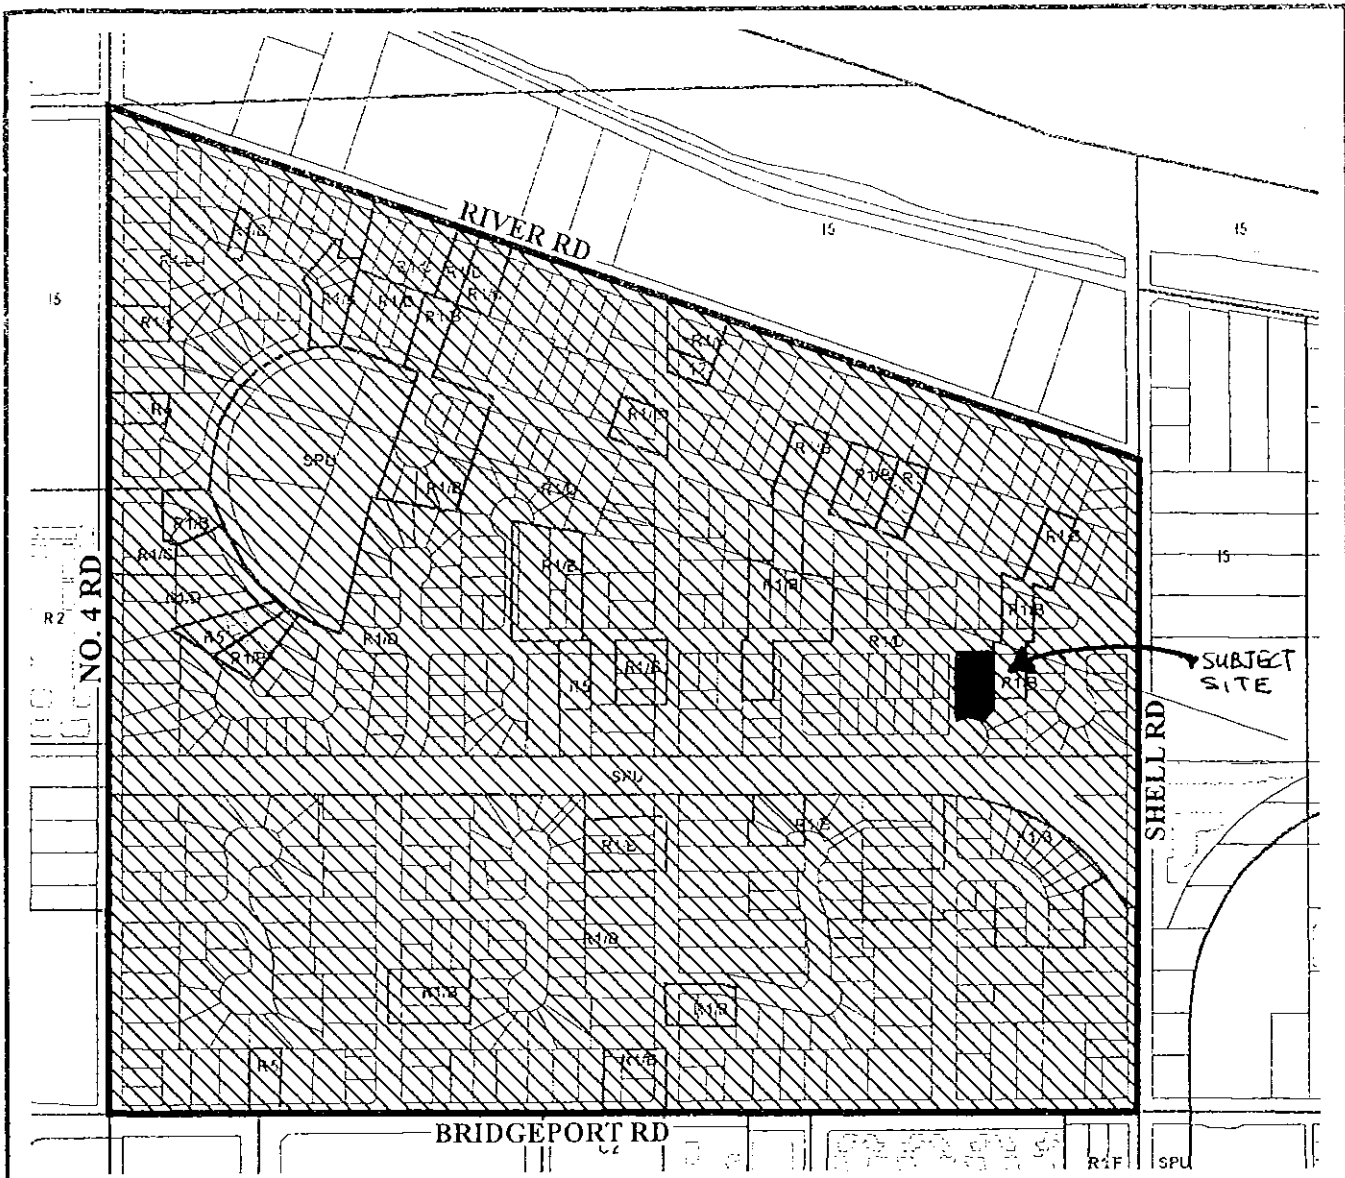

POLICY 5448:

The following policy establishes lot sizes in a portion of Section 23-5-6, bounded by the Bridgeport Road, Shell Road, No. 4 Road and River Drive:

That properties within the area bounded by Bridgeport Road on the south, River Drive on the north, Shell Road on the east and No. 4 Road on the west, in a portion of Section 23-5-6, be permitted to subdivide in accordance with the provisions of Single-Family Housing District (R1/B) in Zoning and Development Bylaw 5300, with the following provisions:

- (a) Properties along Bridgeport Road and Shell Road will be restricted to Single-Family Housing District (R1/D) unless there is lane or internal road access in which case Single-Family Housing District (R1/B) will be permitted,
- (b) Properties along No. 4 Road and River Drive will be restricted to Single-Family Housing District (R1/C) unless there is lane or internal road access in which case Single-Family Housing District (R1/B) will be permitted;

and that this policy, as shown on the accompanying plan, be used to determine the disposition of future single-family rezoning applications in this area, for a period of not less than five years, unless changed by the amending procedures contained in the Zoning and Development Bylaw.

Subdivision permitted as per R1/B except:

1. River Drive: R1/C unless there is a lane or internal road access, then R1/B.
2. Shell Road: R1/D unless there is a lane or internal road access, then R1/B.
3. No. 4 Road: R1/C unless there is a lane or internal road access then R1/B.
4. Bridgeport Road: R1/D unless there is a lane or internal road access then R1/B.

Re: Richmond Project Number: 06-353829

10800 & 10820 Finlayson Drive and 2460 Baydala Court, Richmond BC

Tree Preservation Report

Please find enclosed my **Tree Preservation Report**. I am also attaching as appendices to the Report, a **Tree Protection Plan** drawing for reference purposes.

1. TREE PRESERVATION SUMMARY

2	Trees on site
0	Trees to be retained and protected
2	Trees to be removed
2	Replacement Tree Proposed

2. TREE PRESERVATION REPORT

I have been provided with a tree survey of the subject property. I have visited the site and assessed the tree resource at the site. All the Trees have been assessed and information recorded concerning their species, stem size, drip line radius, height, health, structural condition

Site Conditions

The site is large and flat and is composed of three lots and two houses. There are only two trees located on the site. The rest of the lots are covered with grass. See picture next page:

Proposed Development Plans

The proposed development will create 4 lots from the existing 3 lots. Single family houses will be built on each lot. The proposed building envelopes are 6.3m from the front and back property lines and 1.25m from the side property lines.

Figure 1. Aerial photo of subject properties - from the City of Richmond's online mapping and GIS website - <http://www.richmond.ca/discover/maps.htm>

Tree Resource

There are a total of two trees that will be impacted by the construction. See inventory below:

#	Type	dbh cm	Ht m	Drip line radius m	Health	Structural Condition and notes
1	Flowering Cherry	42	10	5	Fair-poor	Poor; Tree has decay in trunk and is infested with Cherry Bark Tortrix and Bacterial Blight
2	White Pine	14	5	1.5	Good	Fair; Tree has been poorly pruned and had the canopy raised too high

The trees have been poorly maintained and are not prize specimens.

DISCUSSION

Tree Removals

Both trees are located within the building envelopes and need to be removed.

Tree Retention

There are no suitable trees for retention as Both trees are located within the building envelopes.

Off-site Trees and City Trees

There are no off-site or City Trees that will be impacted by the development of this site.

Drawings

One drawing is included in this report.

A **Tree Protection Plan** drawing, which plots all trees and replacement trees in relation to the proposed development and the replacement trees is attached in the Appendix.

Replacement Trees

The White Pine is undersized so it does not require a replacement tree. The Cherry is 42cm in diameter and will require 2 replacement trees at least 9cm in diameter. I am recommending that two replacement trees be planted.

Type	Size	Quantity
Crimson King Norway Maple	9cm	1
Katsura Tree	9cm	1

See Tree Protection Plan Drawing for locations. The trees must be planted as per BCNTA's standards.

Tree Protection Fencing

No trees are being retained so no protection fencing is required.

End Report.

CERTIFICATION:

This report and the opinions expressed within it have been prepared in good faith and to accepted arboricultural standards within the scope afforded by its terms of reference and the resources made available to the consultant.

Froggers Creek Tree Consultants Ltd.

ASSUMPTIONS AND LIMITING CONDITIONS

1. This report and the opinions expressed within it have been prepared in good faith and to accepted arboricultural standards within the scope afforded by its terms of reference and the resources made available to the consultant. The report provides no undertakings regarding the future condition or behavior of the trees reviewed within it. Tree hazard and condition assessments are not an exact science. Both qualities can and do change over time and should be reappraised periodically.
2. This assessment was limited to a visual tree evaluation only. No core samples were taken. No tissue samples have been cultured or analyzed by plant pathologists. No root crown excavations were undertaken. No aerial reconnaissance was attempted, beyond that made possible by binoculars. The evaluation period for this assessment is 12 months.
3. Any legal description provided to the consultant/appraiser is assumed to be correct. No responsibility is assumed for matters legal in character. Any and all property is appraised or evaluated as though free and clear, under responsible ownership and competent management.
4. It is assumed that any property is not in violation of any applicable codes, ordinances, statutes, or other governmental regulations.
5. Care has been taken to obtain all information from reliable sources. All data has been verified insofar as possible; however, the consultant/appraiser can neither guarantee nor be responsible for the information provided by others.
6. The consultant/appraiser shall not be required to give testimony or to attend court by reason of this report unless subsequent contractual arrangements are made, including payment of an additional fee for such services as described in the fee schedule and contract of engagement.
7. Loss or alteration of any part of this report invalidates the entire report.
8. Possession of this report or a copy thereof does not imply right of publication or use for any purpose by any other than the person to whom it is addressed, without the prior expressed written or verbal consent of the consultant/appraiser.
9. Neither all nor any part of the contents of this report, nor copy thereof, shall be conveyed by anyone, including the client, to the public through advertising, public relations, news, sales or other media, without the prior expressed written or verbal consent of the consultant/appraiser— particularly as to value conclusions, identity of the consultant/appraiser, or any reference to any professional society or institute or to any initiated designation conferred upon the consultant/appraiser as stated in his qualification.
10. It is impossible to predict exactly how a tree will react to any excavation near the tree. Sometimes underground soil water movement can be changed because of the building of a house and this could stress or kill a tree.

Rezoning Considerations
10800 & 10820 Finlayson Drive and 2460 Baydala Court
RZ 06-353829

Prior to final adoption of Zoning Amendment Bylaw 8255, the developer is required to complete the following:

1. Registration of an aircraft noise sensitive use covenant on title.
2. Registration of a flood indemnity covenant on title (min. habitable elevation 0.9 m).
3. The City acceptance of the developer's offer of a contribution to the City in the amount of \$3,072.44 for water upgrades.
4. The City acceptance of the developer's offer of a contribution to the City in the amount of \$17,842.32 for drainage upgrades.
5. The City acceptance of the developer's offer of a contribution to the City in the amount of \$9,268.16 for sanitary upgrades.
6. Provide a Landscape Security to the City of Richmond in the amount of \$4,000 for the for planting of the eight (8) trees on site: two (2) at 5 m tall or 9 cm calliper and six (6) at 5 cm calliper.

Prior to Subdivision Approval:

1. Enter into a Servicing Agreement* for the design and construction of off-site improvements along Finlayson Drive, from the west property line of adjacent walkway to the east property line of the site. Works to include:
 - a. Storm sewer upgrading to 600 mm diameter pipe between existing Manhole D5 located near the west property line of 10800 Finlayson Drive and Manhole D4 located near the east property line of 10820 Finlayson Drive as determined via the capacity analysis;
 - b. Curb and gutter;
 - c. Pavement widening;
 - d. 1.50 m concrete sidewalk;
 - e. 0.80 m grass boulevard between curb and sidewalk; and
 - f. Street trees at 9 m spacing between sidewalk and south property line of Finlayson Drive.

Note: Design should include Water, Storm and Sanitary Sewer connections and driveway crossings for each lot. Street Lighting exists on Finlayson Drive and Baydala Court is fully upgraded.
2. Payment of Development Cost Charges (City & GVS&DD), School Site Acquisition Charge, and Address Assignment Fee and Servicing Costs.

* Note: This requires a separate application.
