City of Richmond
Attn: J. Richard McKenna, City Clerk
6911 No. 3 Road
Richmond, B.C. V6Y 2C1

Dear Sir:

All residents of this area of Richmond will be affected by the proposed changes to the Development Permit (DP-198029).

By building taller buildings to the South of the present residences, views, privacy and large shadows will be created by the proposed changes on those properties. Shadows and light are a very large part of where and how we live. The lack of natural light and shadows affect gardening, any use of outside patios or grass areas and the use of interior lighting during the long dark winter months.

We are strongly opposed to any variances to the development of 4500 and 4600 Westwater Drive

Sincerely,

Steffany Walker
