To whome it may concern:

We are in favor of the rezorning.

This is unfair that people from Garry st. can not do rezorning. The opening of McMath School has resulted in a decrease in property values for the homeowners on Garry st. and increase in traffic. Also there are lot of old houses on this street.

We really hope the lot size policy review is successful this time.

Sincerely,

C. Campion
Tomoko Sakai

Chris Campion
