Dear Mayor Brodie:

The BC Crime Prevention Association (BCCPA) will be hosting its 28<sup>th</sup> Annual Training Symposium on September 21<sup>st</sup> – 23<sup>rd</sup>, 2006. BCCPA is very pleased to be partnering with Richmond RCMP to deliver our 2006 Symposium, *Community Tapestry ~ Diversity in Crime Prevention*, which will be held at the Delta Vancouver Airport Hotel. This year's Symposium will focus on the theme of *diversity and youth*, with emphasis on creating inclusive initiatives when addressing issues of crime prevention and community safety.

We anticipate an attendance of approximately 500 delegates including police, volunteers, businesspersons and other concerned citizens from throughout BC. We are writing to seek the financial assistance of the City of Richmond through the Community Safety Committee, in the amount of \$10,000, to aid us in the delivery of another successful symposium.

In return for your financial support, the City of Richmond will receive the following benefits:

- Recognition as a major sponsor during the symposium, in the delegate package and in *BCCPA News*
- The option to be recognized as a Luncheon/Banquet Sponsor, with the opportunity to address delegates during the function
- The opportunity to be a participant at the *Information Exchange* to promote initiatives or programs delivered by the City of Richmond
- 2 complementary Full-Training Symposium registration
- Sponsorship of the following workshop sessions:
  - Team Izzat, Positive Ticketing & Onside Program facilitated by Richmond RCMP
  - Preventing yourself from becoming part of the accident: Safety Awareness for those who find themselves in a 'First Responder Situation' facilitated by Richmond Fire Department
  - Responding to Crystal Meth ~ A Rural & Urban Approach facilitated by Richmond Addictions & Drug Action Team in partnership with Smithers Crystal Meth Education Project

The BC Crime Prevention Association (BCCPA) is a non-profit organization dedicated to preventing crime through education and awareness. Since its establishment in 1978, BCCPA has promoted effective partnerships between police, business and citizens by hosting an annual training symposium.

*Working Together to Improve Community Safety Through the Reduction of Crime*

This year marks the 28<sup>th</sup> year of this highly successful event, which has acquired a reputation of being the premier forum for crime prevention practitioners from around the province to receive basic and advance training in the latest developments in community safety topics. The symposium comprises annual general meetings of several provincial crime prevention groups, forty-one workshops and two plenary sessions - all providing delegates with opportunities to share promising practices and learn new skills to help make their communities safer.

We look forward to your positive reply. Should you have any questions, please contact me at 604-291-9959 ext 230.

Yours truly,
