Dear Mayor Brodie:

Re: Proposed Riverport Expansion

Our company has over 750,000 customers a year and employs 30, people.

We are particularly proud of our work and the services we provide to the special needs community as well as to seniors and Richmond youth. In the past 10 days alone we have had over 3400 school children through our premises.

Our staff, customers and suppliers all have a significant interest in the proposed Riverport expansion.

Please ensure that we have an opportunity to publicly express our views on this issue at the July 21st Counsel meeting. Thank you.

Sincerely,
