To our neighbors,

We, Loren and Janie Slye are asking for your support to build a home for our daughter, son-in-law and grandson.

We are requesting an allowance for a 'Directional Lot Change' from the City of Richmond for our two lots in the Steveston community. This allowance will permit us to build a similar Craftsman style Heritage home to match our Heritage type home rather than tear down our existing home to build two new houses.

The lots are situated on the corner of Broadway and Third Ave (11911 Third Ave).

To our neighbors.

We, Loren and Janie Slye are asking for your support to build a home for our daughter, son-in-law and grandson.

We are requesting an allowance for a 'Directional Lot Change' from the City of Richmond for our two lots in the Steveston community. This allowance will permit us to build a similar Craftsman style Heritage home to match our Heritage type home rather than tear down our existing home to build two new houses.

The lots are situated on the corner of Broadway and Third Ave (11911 Third Ave).

To our neighbors,

We, Loren and Janie Slye are asking for your support to build a home for our daughter, son-in-law and grandson.

We are requesting an allowance for a 'Directional Lot Change' from the City of Richmond for our two lots in the Steveston community. This allowance will permit us to build a similar Craftsman style Heritage home to match our Heritage type home rather than tear down our existing home to build two new houses.

The lots are situated on the corner of Broadway and Third Ave (11911 Third Ave).

Thank you for your support in our endeavor.

Please sign below, Loren Slye.
