Dear Sir /Mesdames:

**Re: Resignation from Richmond City Council**

With regret, I hereby tender my resignation from my elected position as a City Councillor for the City of Richmond. My resignation is effective immediately. I have thoroughly enjoyed my years working with my Council colleagues and staff as we confronted the challenges of governing a progressive City.

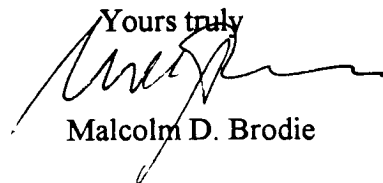

I look to the future with tremendous enthusiasm and optimism, as I prepare to turn the page and make a new commitment to community service.

Within weeks, I intend to submit my nomination for election to the office of Mayor. Should the citizens of Richmond afford me this honour, I will assume the challenge of further contributing in a leadership position to our tradition of excellence in civic government. It would be a privilege to work with all City Councillors, whether veterans or newly-elected, along with an extremely capable staff and the community, as a whole, as we enter and approach a promising new era in Richmond.

To enhance our quality of life in Richmond, our City faces enormous challenges. We must address transportation, economic, community safety, cultural, revenue, environmental and social concerns to mention only a few. With the experience I gained as a City Councillor and as a volunteer in the community, I believe I offer the necessary leadership skills for the position of Mayor. I look forward to continuing to contribute to the well-being of our truly world-class City.

I thank City staff for their tireless dedication and support during my time on City Council. I look forward to the challenges ahead.

Yours truly

Malcolm D. Brodie
