Staff Report

Origin

The provincial Liquor Control and Licensing Branch (LCLB) issues licences in accordance with the Liquor Control and Licensing Act and Regulations.

The LCLB notifies local government to give them the opportunity to provide comments and recommendations to the LCLB on certain liquor licence applications and amendments. For a new licence or an amendment to an existing licence, the process requires the local government to provide a Council resolution that either:

- comments on the legislative review criteria (views of residents, potential for noise, impact on the community), or,
- declines comment on the application.

This report deals with applications by two licensed establishments at Vancouver International Airport (YVR) to amend the hours of sale for their Liquor-Primary licences.

Analysis

Plaza Premium Lounge BC Ltd, doing business as “Plaza Premium Lounge (Departures Lounge)”, has applied to the LCLB to change the hours of sale for their Liquor-Primary licence. Currently, the hours of sale are from 9:00 am – midnight Mondays through Sundays. They have applied to extend the hours until 3:00 am every day to better serve passengers of overnight flights (Attachment 1).

Cara Operations Ltd, doing business as “Stateside Bar & Grill”, has also applied to the LCLB to change the hours of sale for their Liquor-Primary licence. Currently, the hours of sale are from 9:00 am – 11:00 pm Mondays through Saturdays, and from 11:00 am – midnight on Sundays. They have applied to change the hours on Sundays only from 9:00 am – 11:00 pm to meet passenger demands (Attachment 2).

Both of these establishments are located in the post-security area at YVR. This area is for ticket holders only who have cleared security, cleared customs, and those who are making a transfer to another flight. This area is not open to the general public or to anyone visiting the airport.

Staff recommends that Council decline comment on these applications for the following reasons:

- the establishments are located in the post-security area of YVR;
- the amendments do not directly affect the general public in Richmond. The legislation states that the views of residents/businesses are to be gathered if the City considers them to be directly affected,
- staff feel it is not appropriate to have the applicant go through the City’s process, which would require the applicant to pay \$500, to post signs on the site, and to place ads in the local paper;

By declining comment on these applications, the Province would then assume responsibility for the process.

Financial Impact

None

Conclusion

This report deals with applications by two licensed establishments at Vancouver International Airport (YVR) to amend the hours of sale for their Liquor-Primary licences.

Staff recommends that Council decline comment on these applications as the establishments are located in the post-security area of YVR, and they do not directly affect the general public in Richmond. By declining comment on these applications, the Province would then assume responsibility for the process.

Staff recommends that a copy of the resolution be forwarded to the LCLB in accordance with the legislative requirements.
