Dear Mr. Weber:

It would be appreciated if you would arrange to include me as a delegation to speak on a Non-Agenda item, during the up coming Council meeting on September 11, 2006.

The subject of the presentation is as follows:

The decision of Council to temporarily relocate Tram #1220 from its location in Steveston Park, to the Britannia Heritage Shipyard Park and the pending decision as to a permanent site for the static display of the tram.

May I anticipate your confirmation of this request, to either of:

d.fairweather@stov.ca or 604 244-3788

Many thanks,

D.M. Fairweather
