Re: Parks, Recreation and Culture Committee Meeting

Dear Mr. Weber;

The Richmond Arts Coalition would like to make a presentation to the Parks, Recreation and Culture Committee at their scheduled meeting of Wednesday, September 7, 2005. The Richmond Arts Coalition is a collection of artists, arts and cultural organizations, and supporters of the arts in Richmond who are interested in raising the exposure of arts and culture in our community. The purpose of our presentation would be to introduce the committee to our organization, provide some background information on how we came to be, our current mandate and our future goals. We are keenly interested in forming a strong partnership with the City of Richmond, and feel this is an important step in building our relationship.

Thank you for your consideration of our request.

Kindest regards,
