Dear Mr McKenna,

0925-13

I have been levied interest and penalty on my taxes for the year 2000. I feel this is very unfair.

When I bought the house on June 28/00, I was under the impression that my portion of the taxes had been deducted. The City of Richmond did not inform me for the whole year until June 01 that the taxes were still outstanding. I have been advised by Mr Jim Bruce that although the closing of the house took place on June 28/00, it did not go through into your system until August 18th, 2000 by which time, the reminder notices had been sent out to the previous owner. I feel that City of Richmond should have been informed that the new owner had been informed on August 18th, 2000 as they should have.

that the taxes were still outstanding.

I find myself a victim of the system.

Therefore I request we reach a compromise.

I am willing to pay the interest which too is very high and the city of Richmond should remove the penalty.

I look forward to your co-operation in this matter so we can resolve it. If you are unable to do this, would you please make arrangements for me to appear before the General Purpose Committee in September 2001 so I may appeal this penalty.

Thanking you in advance,

Yours sincerely,

Z. Ramji.
