TIME 1:20

Mayor Malcolm Brodie and Councillors
City of Richmond
6911 No. 2 Road
Richmond, B.C.

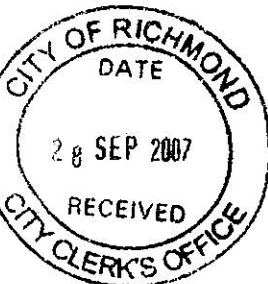

Dear Mayor Brodie:

I would like to speak at the next council meeting about these topics. I would be very pleased if the city of Richmond would send a letter to the Guinness Book of World Records to request that my non-smoking sign on my front lawn be recognized as the world's largest.

I would be pleased if the city would cut down the trees in front of my house as I believe they are a hazard because they are under the hydro lines. These trees are on city property.

Thank you for your consideration.
Yours sincerely,

M. Wigglesworth
