Staff Report

Origin

The following Bylaws were considered and adopted by Council:

- Animal Control Regulation Bylaw No. 7932 on June 13, 2005;
- Dog Licencing Bylaw No. 7138, Amendment Bylaw No. 7965 on July 11, 2005; and
- Municipal Ticket Information Authorization Bylaw No. 7321, Amendment Bylaw No. 7934 on June 27, 2005

Analysis

Since the adoption of the above named bylaws, a number of inconsistencies have been discovered in the way the Animal Control Regulation Bylaw and the Dog Licencing Bylaw section references and fine information are cited in the Municipal Ticket Information Authorization Bylaw. This was caused by an oversight during the bylaw drafting process. The affected portions of the bylaws were related primarily to Animal Control issues.

This has produced very viable Animal Control and Dog Licencing Bylaws but has left the Municipal Ticket Information Authorization Bylaw with inconsistent section number and fines for certain infractions. This has made it impossible to enforce under a number of sections of the Bylaws.

The attached amendment bylaw will correct the Schedules of the Municipal Ticket Information Authorization Bylaw and allow effective enforcement to continue.

Financial Impact

Given the housekeeping nature of these amendments, there is no change to applicable fees or fines and no financial impact from adoption. All financial implications were addressed and considered by Council during the original amendments in June, 2005.

Conclusion

Staff recommends adoption of the amended Schedule B1 for the Animal Control Bylaw, Schedule B3 for Business Regulation Bylaw and Schedule B5 for Dog Licencing Bylaw within the Municipal Ticket Information Authorization Bylaw.
