Staff Report

The attached bylaw, No. 7310, is a revised version of the Public Parks & School Grounds Regulation Bylaw No. 6959, which was adopted in May of 2000, and subsequently amended in July of 2001. The new bylaw has been brought forward to delete the title of "General Manager, Community Services" which no longer exists in the organization, and to replace it with the new position of "General Manager, Parks, Recreation & Cultural Services". This a minor but important change because certain General Manager positions are given specific authority under the bylaw. In addition, a minor clarification has been made to the definition of "Park" to include "Parked/Parking" and to the definition of "Stop" to include "Stopped/Stopping", thereby making these definitions consistent with other City bylaws. In all other respects the bylaw is identical to the one it is replacing.
