STAFF REPORT

ORIGIN

Anne Lo, of Sutton Group – Seafair Realty, has applied on behalf of Pak Leung Lai and Hui Ming Li, to rezone 6651 and 6671 Mayflower Drive from Single-Family Housing District, Subdivision Area E (R1/E) to Two-Family Housing District (R5) in order to strata title the existing duplex on the subject property.

FINDINGS OF FACT

ITEM	EXISTING	PROPOSED
Owner	Pak Leung Lai and Hui Ming Li	To be determined
Applicant	Anne Lo, Sutton Group – Seafair Realty	No change
Site Size	1,138.5 m ² (12,255 ft ²)	Two strata lots approximately 569.25 m ² (6,127.5 ft ²) each
Land Uses	Duplex	No change
OCP Designation – Generalized Land Use Map	Neighbourhood Residential	No change
OCP Designation – Specific Land Use Map	Low-Density Residential	No change
Zoning	Single-Family Housing District Subdivision Area E (R1/E)	Two-Family Housing District (R5)

RELATED POLICIES & STUDIES

Both the Neighbourhood Residential and Low-Density Residential designations in the Official Community Plan (OCP) permit two-family housing.

The area to the immediate west is subject to 702 Policy 5411, which restricts the area around Gibbons Drive to Single-Family Housing District, Subdivision Area E (R1/E).

The lot to the immediate north is zoned Two-Family Housing District (R5).

There are ten Two-Family Housing District (R5) zoned properties in Section 11-4-7. Furthermore, in addition to the subject property, there are at least eight other duplexes in this section that exist but do not have the Two-Family Housing District (R5) zoning.

STAFF COMMENTS

There were no adverse comments from the staff who commented on the proposed rezoning application or strata title conversion subdivision application.

ANALYSIS

Prior to the approval of a strata title conversion, it is standard City policy to require that the applicant:

- a) Pay all City utility charges and property taxes up to and including the following year if the subdivision is approved after September 1st;
- b) Agree to the City filing a restrictive covenant limiting the number of dwelling units to two (which would be a condition of rezoning adoption in case the strata title conversion does not proceed); and
- c) Submit the appropriate plans and documents for execution by the Mayor and City Clerk within 180 days of the date that Council approves the strata title conversion (in this case, when Bylaw No. 7181 is adopted).

The applicants are aware of and have agreed to these requirements. Furthermore, the owners have confirmed in writing that the existing duplex is only being used as a two-family dwelling.

Staff can offer no reason why both of these applications should not be approved, particularly since there are a number of Two-Family Housing District (R5) zoned properties and other duplexes in this neighbourhood.

FINANCIAL IMPACT

None to the City.

CONCLUSION

Anne Lo, of Sutton Group – Seafair Realty, has applied on behalf of Pak Leung Lai and Hui Ming Li, to rezone 6651 and 6671 Mayflower Drive from Single-Family Housing District, Subdivision Area E (R1/E) to Two-Family Housing District (R5) in order to strata title the existing duplex on the subject property. Staff have no objection to either application.

There is one requirement to be dealt with prior to final adoption, specifically a legal requirement for a covenant to limit the use of the subject property and residence thereon to a two-family dwelling for no more than two families.
