Re:

2020 Utility Rate Amendment Bylaws

#### Staff Recommendation

That each of the following bylaws be introduced and given first, second, and third readings:

- a) Waterworks and Water Rates Bylaw No. 5637, Amendment Bylaw No. 10113;
- b) Drainage, Dyke and Sanitary Sewer System Bylaw No. 7551, Amendment Bylaw No. 10114; and
- c) Solid Waste & Recycling Regulation Bylaw No. 6803, Amendment Bylaw No. 10115.

REPORT CONCURRENCE					
ROUTED TO:	CONCURRENCE	CONCURRENCE OF GENERAL MANAGER			
Law	A	Miling			
REVIEWED BY STAFF REPORT / AGENDA REVIEW SUBCOMMITTEE	INITIALS:	APPROVED BY CAO			

#### **Staff Report**

#### Origin

At the April 23, 2019 Regular Council meeting, the following recommendation was endorsed by Council

That Option 3 – Sewer Rate Cap, as outlined in the report titled "Water Meter Program and Sewer Rate Update" dated March 21, 2019, from the Acting Director, Engineering, be endorsed for use in the preparation of the 2020 utility rate options.

At the November 4, 2019 Finance Committee, the following resolution was endorsed by Committee as part of their consideration of the 2020 Utility Budgets and Rates:

That the 2020 Utility Budgets, as outlined in Option 1 for Water, Option 2 for Sewer, Option 3 for Drainage and Diking, and Option 3 for Solid Waste and Recycling including a new personnel complement control number for a regular full-time Recycling Coordinator position, as outlined in the staff report, dated October 15, 2019 from the General Manager, Finance and Corporate Services and the General Manager, Engineering and Public Works, be approved as the basis for establishing the 2020 utility rates and preparing the Consolidated 5 Year Financial Plan (2020-2024) Bylaw.

Subject to Council's acceptance of the above Finance Committee recommendation, this report presents the amending bylaws required to bring the utility rates into effect for 2020.

This report supports the following strategies within Council's Strategic Plan 2018-2022:

Strategy #1, A Safe and Resilient City:

Enhance and protect the safety and well-being of Richmond.

- 1.2 Future-proof and maintain city infrastructure to keep the community safe.
- 1.3 Ensure Richmond is prepared for emergencies, both human-made and natural disasters.

Strategy #2, A Sustainable and Environmentally Conscious City:

Environmentally conscious decision-making that demonstrates leadership in implementing innovative, sustainable practices and supports the City's unique biodiversity and island ecology.

- 2.1 Continued leadership in addressing climate change and promoting circular economic principles.
- 2.2 Policies and practices support Richmond's sustainability goals.

#### Strategy #5, Sound Financial Management:

Accountable, transparent, and responsible financial management that supports the needs of the community into the future.

- 5.1 Maintain a strong and robust financial position.
- 5.2 Clear accountability through transparent budgeting practices and effective public communication.
- 5.3 Decision-making focuses on sustainability and considers circular economic principles.
- 5.4 Work cooperatively and respectfully with all levels of government and stakeholders while advocating for the best interests of Richmond

#### **Analysis**

The following is a summary of the proposed changes for Waterworks and Water Rates Bylaw No. 5637, Drainage, Dyke and Sanitary Sewer System Bylaw No. 7551, and Solid Waste and Recycling Bylaw No. 6803, as outlined in the "Water Meter Program and Sewer Rate Update" report, dated March 21, 2019, and the "2020 Utility Budgets and Rates" report, dated October 15, 2019:

#### 1. Waterworks and Water Rates Bylaw No. 5637, Amendment Bylaw 10113

• Changes to implement the 2020 water rates as outlined in Option 1 of the "2020 Utility Budgets and Rates" report.

# 2. Drainage, Dyke, and Sanitary Sewer System Bylaw No. 7551, Amendment Bylaw No. 10114

- Changes to implement sewer rate cap as outlined in Option 3 of the Water Meter Program and Sewer Rate Update report dated March 21, 2019.
- Changes to implement the 2020 sanitary sewer rates as outlined in Option 2, and drainage and diking rates as outlined in Option 3 of the "2020 Utility Budgets and Rates" report.

#### 3. Solid Waste & Recycling Regulation Bylaw No. 6803, Amendment Bylaw 10115

• Changes to implement the 2020 solid waste and recycling rates as outlined in Option 3 of the "2020 Utility Budgets and Rates" report.

#### Financial Impact

The rates outlined in the proposed amending bylaws represent full cost recovery for each respective utility area including infrastructure utility-related Metro Vancouver imposed costs and City operating costs. The impact to ratepayers is outlined in the "2020 Utility Budgets and Rates" report, dated October 15, 2019.

#### Conclusion

The amending bylaws presented with this report require Council's approval to charge for the various utility services in 2020. These services include the provision of high-quality drinking water for all residents and businesses, sewage conveyance and treatment, flood protection, and solid waste and recycling services.

A strong fiscal management approach is applied towards ensuring that on-going replacement costs are also included in the City's rates, as part of ensuring sound capital investment for infrastructure. This ensures a high level of consistent services for the community.

The costs and rates strategy outlined manage these competing costs effectively while balancing the fiscal challenges presented by increases in regional costs.

# Waterworks and Water Rates Bylaw No. 5637, Amendment Bylaw No. 10113

The Council of the City of Richmond enacts as follows:

- 1. The Waterworks and Water Rates Bylaw No. 5637, as amended, is further amended by deleting Schedules A through G and substituting Schedule A attached to and forming part of this Bylaw. For greater certainty, any reference to Schedule B, Schedule C, Schedule D, Schedule E, Schedule F, and Schedule G shall be interpreted as a reference to Schedule A.
- 2. This Bylaw is cited as "Waterworks and Water Rates Bylaw No. 5637, Amendment Bylaw No. 10113" and is effective January 1, 2020.

#### SCHEDULE "G" to BYLAW 5637

#### **BYLAW YEAR - 2020**

#### RATES FOR VANCOUVER INTERNATIONAL AIRPORT AUTHORITY (YVR)

Applicable rate is \$0.8707 per cubic meter of water consumed, plus the following amounts:

- YVR's share of future water infrastructure capital replacement calculated at \$0.3372 per m<sup>3</sup>
- 50% of the actual cost of operations and maintenance activities on water infrastructure shared by the **City** and YVR, as shown outlined in red on the plan attached as Schedule H
- 100% of the actual cost of operations and maintenance activities on water infrastructure serving only YVR, as shown outlined in red on the plan attached as Schedule H
- 76 m<sup>3</sup> of water per annum at a rate of \$0.8707 per cubic meter for water used annually for testing and flushing of the tank cooling system at Storage Tank Farm TF2 (in lieu of metering the 200 mm diameter water connection to this facility)

(Note: water infrastructure includes water mains, pressure reducing valve stations, valves, hydrants, sponge vaults and appurtenances)

# Drainage, Dyke and Sanitary Sewer System Bylaw No. 7551, Amendment Bylaw No. 10114

The Council of the City of Richmond enacts as follows:

- 1. The **Drainage**, **Dyke and Sanitary Sewer System Bylaw No. 7551**, as amended, is further amended:
  - a) By deleting subsection 2.1.2 and replacing it with the following:
    - 2.1.2 Every owner of a **one-family dwelling** or **two-family dwelling** which has a water meter installed:
      - (a) pursuant to the universal or voluntary water metering program under section 14(b) or 22A of the *Waterworks and Water Rates Bylaw No.* 5637; or
      - (b) as a consequence of a **City** infrastructure renewal program,

will receive a credit to be applied to future sewer charges equal to the difference between the metered charges for the first 12 months of consumption subsequent to the initial meter reading for billing purposes and the amount that would have been payable on a flat rate basis, provided:

- (c) the metered charges exceed the flat rate by more than \$10;
- (d) the **property owner** submits a request for the credit to the **City** in writing within 15 months of the initial metered billing start date; and
- (e) there has been no change in ownership of the property.

Notwithstanding any other provisions herein, user fees on **one-family dwellings** and **two-family dwellings** will be capped in the third quarter (July-September) of each year at a quarterly equivalent of the flat rate.

b) By deleting Schedule B and Schedule C in their entirety and substituting Schedule A attached to and forming part of this Bylaw.

Bylaw 10114 Page 2

Amendment Bylaw No. 10114" and is effective January 1, 2020.
