

City of Richmond

Report to Council

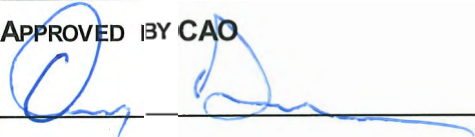

To: Richmond City Council
From: Jerry Chong
Acting General Manager, Finance and Corporate Services
Date: May 13, 2021
File: 01-0375-01/2021-Vol 01
Re: 2020 Annual Report and 2020 Annual Report Highlights

Staff Recommendation

That the reports titled, "2020 Annual Report and 2020 Annual Report – Highlights" be approved.

Jerry Chong
Acting General Manager, Finance and Corporate Services
(604-276-4064)

Att. 2

REPORT CONCURRENCE	
CONCURRENCE OF GENERAL MANAGER  Acting GM, F&CS	
REVIEWED BY SMT	INITIALS: 
APPROVED BY CAO 	

Staff Report

Origin

Pursuant to Section 98 of the Community Charter, before June 30th, in each year, a Council must:

- a) Prepare an annual report
- b) Make the report available for public inspection
- c) Have the report available for public inspection at a Council or other public meeting

This report supports Council's Strategic Plan 2018-2022 Strategy #5 Sound Financial Management:

Accountable, transparent, and responsible financial management that supports the needs of the community into the future.

5.1 Maintain a strong and robust financial position.

This report supports Council's Strategic Plan 2018-2022 Strategy #8 An Engaged and Informed Community:

Ensure that the citizenry of Richmond is well-informed and engaged about City business and decision-making.

8.2 Ensure citizens are well-informed with timely, accurate and easily accessible communication using a variety of methods and tools.

Analysis

The City of Richmond's annual report formally presents the audited financial statements and other relevant financial, economic and demographic indicators to the public. The report also highlights many of the City's significant achievements and milestones from 2020.

Two versions of the Annual Report are produced each year in order to reach the different audiences interested in this information. The comprehensive 2020 Annual Report meets all legislative requirements for financial reporting as required under the Community Charter for British Columbia's local governments. This version will be publicly available through the City's website at www.richmond.ca and printed only on a demand basis. The comprehensive version includes the City's audited consolidated financial statements; the City's corporate objectives and success indicators, as identified through Council's Term Goals; and a listing of permissive exemptions. In addition to the statutorily required information, the comprehensive version provides information on the City's milestones from 2020, including awards and achievements and a variety of key corporate financial and community demographic statistical data for the year.

For a broader audience, the City also produces a condensed financial reporting document known as the 2020 Annual Report – Highlights. This shorter version, which is designed to be accessible

May 13, 2021

- 3 -

and easily understandable for a general audience, provides information about the City of Richmond, its services, highlights from 2020 and the City's financial condition. In order to support sustainable practices the condensed version is available through the City's website and distribution will be done electronically. There will be limited printed copies for presentation purposes and to fulfill statutory obligations. This year, the layout has been enhanced to allow for an expanded section highlighting the City's safe, sustainable and culturally diverse initiatives during the pandemic.

Both copies will be submitted to the Government Finance Officers Association for consideration in their annual awards program.

The reports are produced entirely in house through the joint efforts of the Finance Department and the Corporate Communications and Marketing Department.

Financial Impact

None.

Conclusion

The City of Richmond 2020 Annual Report and the 2020 Annual Report – Highlights satisfy the Community Charter requirements for financial reporting and are important instruments in ensuring public transparency and accountability for the management of City finances. The reports also provide useful information on the City's achievements and milestones during the 2020 fiscal year.

Message from the Mayor

The City of Richmond has always provided a high quality of life and worked hard to preserve this standard into the future.

The past year saw challenges far beyond anything anticipated. This 2020 Annual Report highlights examples of our innovation and success as we continued our journey to make Richmond Canada's most livable and well-managed community.

It was not an easy journey due to the pandemic, but public safety and security remained paramount. Recognizing the long-term impact of COVID-19 on our residents and businesses, Council quickly declared a state of emergency enabling us to transition key programs and services online to reduce the risks of community transmission.

COVID-19 safety plans were developed for all City-operated facilities. Richmond was a leader in making masks mandatory in all its buildings. Reducing property taxes and delaying payment deadlines offered support to residents during a period of uncertainty. Council also recognized the growing strain the local business community was facing and implemented initiatives such as traffic flow and access changes in Steveston Village, one of the region's most popular destinations, to enhance safety while enabling businesses to remain open.

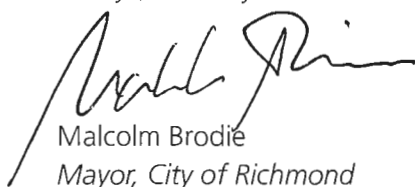

Many long-running, popular events and festivals were cancelled in 2020 in order to maintain public safety. That did not mean we could not celebrate and show our community spirit in other ways. The popular Doors Open Richmond event went online, attracting over 22,000 visits to 37 virtual locations. The annual Maritime Festival was reimaged and drew almost 50,000 people to its online site.

Throughout the pandemic, our #RichmondHasHeart social media campaign helped bring the community together to share their images and stories as a way to show support for the frontline workers and City staff working to keep people safe while essential services were in place.

In May 2020, Council endorsed a statement against racism and violence related to the COVID-19 pandemic. In August, the City and Richmond RCMP partnered on an anti-hate campaign urging individuals to reach out to police if they experienced or witnessed hateful behaviour.

Of course not all civic services provided by the City could be offered in a virtual manner. The South Dike Upgrade between Gilbert Road and No. 3 Road was widened and raised almost two metres, offering further protection for climate change-induced sea level rise. Over 12 kilometres of watermain, sanitary sewers and storm sewers were constructed in 2020, helping to ensure adequate capacity to support future growth.

Richmond's success, despite the challenges of COVID-19, is a credit to those who contribute to making our city a better place, including our staff, volunteers, businesses, and community and government partners. This Annual Report contains examples of our goals and achievements. As always, I invite your comments and questions through my office.

Message from the Chief Administrative Officer

I am pleased to present the City of Richmond's Annual Report for 2020. It details our strong financial position, and outlines many of the initiatives we are undertaking to achieve our vision of making Richmond Canada's best managed city.

During this past year, our administration made significant progress in implementing Council's new strategic plan, despite the many challenges presented by the COVID-19 pandemic. Many of those achievements are highlighted throughout this report.

Keeping essential programs and services operating during a period of uncertainty was crucial, as was protecting our staff, residents and businesses. Shifts to online service were quickly implemented and safety improvements were made at City Hall and various Community Centres, Fire Halls, Police Offices, Libraries and Aquatic amenities to enable safer use by all.

A Community Ambassador outreach program was launched mid-summer, redeploying staff from across the City to assist with the patrolling of parks, outdoor facilities and businesses. The Ambassadors helped to emphasize common sense approaches to safety such as the need for physical distancing and to provide accurate information on Provincial Health Orders. It was an example of why Richmond had among the lowest COVID-19 case numbers in the region.

One of the foundations for any successful organization is its ability to demonstrate strong financial stewardship. A Financial Resiliency Plan was established as a multi-level effort to reduce the pressure facing residents and businesses during the pandemic, and all discretionary spending ceased. The City's long term financial strategy remained a hallmark of our administration and enabled us to continue to maintain effective and responsive service levels with a reduced property tax rate and deferred payment deadline.

Building in Richmond reached a construction value of \$717 million in 2020, excluding the value of approvals and anticipated permits which exceeded \$900 million. By administering the Building Regulation Bylaw and working closely with industry, the City ensured that construction was safe and met all applicable codes, standards, regulations, and planning objectives. Construction of the Hamilton Sanitary Pump Station and new sanitary utility in the area also commenced in 2020.

The City also continued to recognize the need to protect our most vulnerable residents with the establishment of the Emergency Response Centre in Minoru as a safe, temporary shelter and connection to important support services.

Richmond has long been recognized as a leader in environmental action and sustainability, while supporting development and building strong and connected communities. Our Recycling Depot was redesigned to enable more efficient access to recycling, while the City continued to shift its fleet vehicles toward electric and other fuel alternatives in order to further reduce greenhouse gas emissions. The City also planted hundreds of new trees in our parks through the Urban Forest initiative, using funding from developers as a "two for one" replacement for authorized tree removals necessary for building.

The City of Richmond is a strong, culturally proud community and remains committed to continued growth and success within a framework of diversity, sustainability and value for our taxpayers.

A stylized, handwritten signature in black ink, appearing to read 'George Duncan'.

George Duncan
Chief Administrative Officer

Council Strategic Plan: 2018 to 2022

The Community Charter requires all BC municipalities to include a statement in the Annual Report of their objectives for the current and future years, along with measures to track success towards those objectives.

The City of Richmond's objectives and success indicators are expressed through the Council Strategic Plan. Soon after Council began its four-year term in October 2018, it undertook a strategic planning process to help fulfill its governance role and achieve a successful term of office. Through that process, Council adopted a revised set of eight Strategic Focus areas, which provided the framework for the City's programs and services through 2020.

1. A Safe and Resilient Community

Enhance and protect the safety and well-being of Richmond.

2020 Achievement

Richmond was the first municipality in the region to implement a mandatory mask policy, further protecting residents from COVID-19. Ongoing commitments to community safety saw residential break and enter crimes drop 21 per cent, while theft from vehicles decreased 18 per cent.

2. A Sustainable and Environmentally Conscious City

Environmentally conscious decision-making that demonstrates leadership in implementing innovative, sustainable practices and supports the City's unique biodiversity and island ecology.

2020 Achievement

Upgrades to the City's Recycling Depot improved access and efficiency, leading to over 4,500 tonnes of materials received. Council also supported a pilot partnership with FoodMesh which resulted in 644,800 meals served to those in need and 414,555 kg of unwanted food items diverted from waste streams.

3. One Community Together

Vibrant and diverse arts and cultural activities and opportunities for community engagement and connection.

2020 Achievement

Council was among the first in Canada to adopt and endorse a statement against racism and violence related to the pandemic. The City also opened its first Emergency Response Centre, a multi-stakeholder partnership to provide safe spaces for vulnerable residents and those experiencing homelessness due to COVID-19.

4. An Active and Thriving Richmond

An active and thriving community characterized by diverse social and wellness programs, services and spaces that foster health and well-being for all.

2020 Achievement

Despite access limitations due to the pandemic, the City fully opened the state-of-the-art Minoru Centre for Active Living. Conveniently located in Richmond's city centre, the facility features a 780 m² (8,400 sq. ft.) fitness centre, a 177 m² (1,900 sq. ft.) fitness studio, 650 m² (7,000 sq. ft.) leisure pool, two 25 metre pools and an errant rain cloud shower public art piece.

5. Sound Financial Management

Accountable, transparent, and responsible financial management that supports the needs of the community into the future.

2020 Achievement

Council took the unprecedented step of reducing property taxes by 2.01 per cent and delayed the payment due date by several months to support residents and businesses as they faced the challenge of COVID-19. Through a variety of initiatives, the City maintained a position of financial resiliency and service throughout the pandemic.

6. Strategic and Well-Planned Growth

Leadership in effective and sustainable growth that supports Richmond's physical and social needs.

2020 Achievement

Over \$900 million in combined construction approvals and anticipated building permits occurred in 2020 and almost \$50 million in development cost charges was collected or anticipated. A further \$6 million in Community Amenity Contributions was also secured through the City Centre Area Plan.

7. A Supported Economic Sector

Facilitate diversified economic growth through innovative and sustainable policies, practices and partnerships.

2020 Achievement

The City launched a Business Support Centre as a one-stop resource for accurate and timely information for local businesses to access programs and resources from all levels of government and other agencies during the pandemic. It included job opportunities for displaced workers and a guide to Richmond-made PPE and other safety supplies.

8. An Engaged and Informed Community

Ensure that the citizenry of Richmond is well-informed and engaged about City business and decision-making.

2020 Achievement

The creation of a dedicated COVID-19 section on the City's website enabled residents to access the latest impact of the pandemic on programs, services and amenities, with around 130,000 visits to the site in the first six months. A Community Safety app, developed in partnership with the RCMP, was also unveiled as an added information channel.

Richmond: safe, sustainable, strong

2020 was a year like no other.

It began with a strong sense of optimism for the coming year. Richmond's business sector was active, support for residents was strong and the City's financial position was solid with cash and investment balances over \$1.2 billion and an accumulated surplus that reached \$3.2 billion.

Then came the pandemic, and the City quickly pivoted to enhance and protect the safety of its residents and put processes in place to support local businesses as they faced some of their toughest challenges due to government-directed lockdowns and closures.

Council declared a State of Emergency on March 19 which gave it the authority to quickly and effectively address emerging issues as a result of the COVID-19 pandemic and make decisions in the best interests of Richmond. Property taxes were decreased 2.01 per cent and the payment deadline shifted to enable residents and businesses to adjust to the changing landscape.

A Community Ambassador program was launched to support community outreach regarding the safe use of public amenities and business operations. City staff were redeployed from all areas to assist Community Bylaw Officers with the patrolling of parks, outdoor facilities and businesses, and to provide information on Provincial Health Orders and to educate the

public on physical distancing guidelines. It was an outstanding success and another strategy that led to Richmond maintaining some of the lowest COVID-19 case numbers in the region.

Richmond also became the first Metro Vancouver city to make masks mandatory in all its facilities, and developed initiatives such as an expedited patio program so restaurants, pubs and cafes could quickly convert sidewalks and roadways into added business space if desired as a means of added support.

The uncertainty of the pandemic was worrying to many, but also frustrating to some. Council tackled the emerging issue of COVID-19 racism head-on in May with a public statement condemning racism and violence related to the situation. It said, in part, that "*Richmond does*

TIMELINE OF KEY COVID-19 MILESTONES IN THE CITY

BC confirms province's first COVID-19 case	World Health Organization declares global pandemic	City closes public buildings, arenas, community centres	Council declares State of Emergency to maximize response to growing pandemic	Council meetings shift online	Utility payment deadline extended to June 30	Bylaws introduces increased fines for businesses non-compliant with public health orders	#Richmond HasHeart campaign unveiled	City launches COVID-19 Business Support Centre for local businesses

not—and never will—condone or tolerate racist behaviour in any form...COVID-19 should not be blamed on any single culture or country and it is certainly not the fault of anyone in our community.”

While the pandemic dominated many aspects of 2020, our achievements and expectations for the future will continue to improve the lives and affairs of our residents and businesses. The City of Richmond has always been a leader with bold, innovative programs and strategies that reflect our character and reputation as a safe, sustainable and culturally diverse city – the most appealing, livable and well-managed community in Canada.

On May 25, Richmond City Council adopted and endorsed the following statement against Racism and Violence related to the COVID-19 pandemic:

“In Richmond, we are a community that celebrates a rich history of culture, diversity and heritage linked to the arrival and influence of immigrants that began over a century ago. The City of Richmond does not—and never will—condone or tolerate racist behaviour in any form. Such attitudes and actions do not reflect our community’s cultural diversity or the spirit of inclusion that we are all proud of. Events of the past few months have created uncertainty, frustration and fear for some. But that is no excuse to cast blame on others. COVID-19 should not be blamed on any single culture or country and it is certainly not the fault of anyone in our community. Now, more than ever, we must stand together and be true to our shared values of diversity, inclusion and respect. Racial and discriminatory responses and actions have no place in Richmond. They have no place in our society.”

2020 Awards

A measurement of the City's success in achieving its goals are the honours and recognition from our peers and others. In 2020, Richmond again received numerous international, national and provincial awards recognizing our commitment to excellence and innovation.

Road Safety

Richmond was the recipient of the Institute of Transportation Engineers Award for Greater Vancouver's Road Safety Project of the Year for its Network Screening Study that identified the City's top 20 collision prone intersections and measures to make them safer. This annual award celebrates technical excellence in the field of road safety.

District Energy

Recipient of over a dozen awards in the past decade, Richmond's District Energy Program continues to collect accolades for its innovation, efficiency and green sustainability. Among its honours in 2020 was an International District Energy Association Innovation Award, and a Canadian Energy Globe Foundation Award. This continued international recognition from peers in the District Energy industry is a result of the City and Lulu Island Energy Company's dedication to excellence, innovation and commitment to reducing greenhouse gas emissions through the use of district energy systems.

Flood Protection

The Gilbert Road to No. 3 Road South Dike Upgrade project was announced as the 2020 recipient of the Public Works Association of BC Project of the Year Award. The prestigious honour is presented annually to an organization that constructs a major and complex public works or utilities project which deserves special merit because of its unique features or complexity relative to the resources of the community.

Preserving our Heritage

The Edwardian Cottage at Terra Nova Rural Park was named by the BC Recreation and Parks Association as the recipient of its provincial Facility Excellence Award for projects with a capital cost less than \$1 million. The annual award recognizes outstanding facility design that reflects community culture and spaces that are accessible, engage the public in design consultation, and ultimately improve the well-being of the community.

Financial Reporting

Once again, the Government Finance Officers Association of the US and Canada presented Richmond with the Canadian Award for Financial Reporting (the 18th year in a row) and the Outstanding Achievement in Popular Financial Reporting Award (the 11th successive year) for its 2019 Annual Reports.

Sustainability

The City of Richmond's fleet received a Certificate of Achievement through the Government Fleet Magazine and American Public Works Association Leading Fleets award. The award recognizes operations that are performing at a high level in fleet innovation and leadership.

Building for the Future

Richmond received the Canadian Association of Municipal Administration Professional Development Award for the City's Engineer-in-Training program. This award recognizes a community that has developed a unique and innovative program for staff that can be replicated in other communities.

For its Annual
Financial Report
for the Year Ended

December 31, 2019

Christopher P. Morill

Executive Director/CEO

Report from the General Manager, Finance and Corporate Services

Mayor Malcolm Brodie and members of Richmond City Council,

I am pleased to submit the Consolidated Financial Statements and Auditors' Report for the fiscal year ended December 31, 2020 for the City of Richmond, pursuant to Section 98 and 167 of the Community Charter. The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards as prescribed by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. Preparation of the financial statements is management's responsibility.

KPMG LLP was appointed by City Council to independently audit the City's consolidated financial statements. They have expressed an opinion that the City's consolidated financial statements present fairly, in all material respects, the consolidated financial position of the City of Richmond as at December 31, 2020 and its consolidated results of operations, its changes in net consolidated financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

These financial statements combine the accounts of the City of Richmond, Richmond Olympic Oval, and Richmond Public Library (collectively referred to as the "City"), as well as the City's investment in Lulu Island Energy Company, which is accounted for as a Government Business Enterprise.

Consolidated statement of financial position (in \$000s)

	2020 Actual	2019 Actual	Change
Financial assets	\$1,471,442	\$1,320,747	\$150,695
Liabilities	582,457	514,878	67,579
Net financial assets	888,985	805,869	83,116
Non-financial assets	2,495,221	2,433,473	61,748
Accumulated surplus	\$3,384,206	\$3,239,342	\$144,864

The City's overall financial position improved by \$144.9 million, with accumulated surplus totaling \$3.4 billion. A significant part of this increase is due to growth in financial assets, as well as additions to capital and statutory reserves. This is partially offset by an increase in liabilities, especially accounts payable relating to postponed remittances to other governments relating to COVID-19 and deferred revenue related to the collection of Development Cost Charges (DCCs).

The City's cash and investments are \$1.4 billion while long-term debt continues to decline with an outstanding balance at the end of 2020 of \$22.7 million. Meanwhile, the City's tangible capital assets increased by \$60.3 million, which includes \$58.2 million of in-kind contributions from development as conditions of re-zoning.

Statutory reserves (in \$000s)

	2016	2017	2018	2019	2020
Total reserves	\$4,184,6	\$484,883	\$540,153	\$557,576	\$609,533

Statutory reserves are established by Bylaw for specific purposes, mainly capital expenditures.

The increase in the balance to \$609.5 million is mainly attributable to the timing of these capital expenditures and contributions. There are annual transfers through the City's utility and operating budget as well as through other respective entities annual budget. Council's Long Term Financial Management Strategy also states that increases in transfers through the City's operating budget be done annually.

Consolidated statement of operations (in \$000s)

	2020 Budget	2020 Actual	2019 Actual
Revenues	\$577,229	\$579,052	\$581,942
Expenses	489,865	434,188	483,690
Annual surplus	\$87,364	\$144,864	\$98,252

The City's consolidated revenue for the year totaled \$579.1 million, a decrease of \$2.9 million from 2019 mainly due to decreases related to COVID-19.

Expenses decreased by \$49.5 million from prior year mainly due to cost mitigations relating to COVID-19 as well as a contribution in 2019 towards the Canada Line Capstan station of \$28.1 million that did not occur in 2020.

The annual surplus for 2020 was \$144.9 million and represents the change in investment in tangible capital assets, reserves and other accumulated surplus.

Budget variance

Consolidated revenue of \$579.1M was greater than budgeted revenue by \$1.8M mainly due to:

- \$9.0M in developer cash contributions, \$6.5M in gain on sale of land and \$9.3M related to the Safe Restart Grant from the Province of BC relating to COVID-19.
- \$14.8M lower than budgeted sales of services mainly due to facility closures due to COVID-19.
- \$11.8M lower than budgeted gaming revenue mainly due to the closure of River Rock Casino due to COVID-19.
- \$12.4M lower than budgeted DCC revenue due to the timing of capital expenditures. Revenue is recognized when the amounts are spent while the budget represents the 2020 allocation of DCCs towards capital projects that can be spent over multiple years.

Consolidated expenses of \$434.2M were lower than budgeted by \$55.7M. The main variances include:

- \$21.1M lower than budgeted community services costs mainly due to facility closures due to COVID-19.
- \$12.3M lower than budgeted general government costs due to vacancies and staff redeployment for the temporary Community Ambassador Program due to COVID-19.
- \$5.3M lower than budgeted community safety costs mainly due to the RCMP police contract savings from lower officer complement and salary savings relating to filling new fire fighter positions approved in 2020.

The City's consolidated annual surplus of \$144.9 million exceeded the budgeted annual surplus of \$87.4 million by \$57.5 million, prior to transfers to reserves and other accumulated surplus.

Year over year change

Consolidated revenue of \$579.1M decreased by \$2.9M from 2019 mainly due to:

- a decrease of \$32.3M in other revenue mainly due to reductions in developer cash contributions of \$18.4M and gain on sale of land of \$11.7M.
- an increase of \$32.0M in other capital funding mainly due to developer contributed assets, which included \$58.2M in 2020 and \$28.9M in 2019.
- a decrease of \$13.7M in sales of service revenue mainly due to the facility closures relating to COVID-19.
- a decrease of \$12.4M in gaming revenue due to the closure of River Rock Casino relating to COVID-19.
- an increase of \$9.8M in property taxes due to the approved rate increase and growth related to new development.
- an increase of \$6.4M licences and permits mainly due to building permits revenue.

Consolidated expenses of \$434.2M decreased by \$49.5M over 2019 mainly due to:

- \$28.1M contribution for the Canada Line Capstan station that occurred in 2019 and did not recur in 2020.
- \$16.7M decrease in community services costs mainly due to facility closure due to COVID-19.

Financial sustainability

2020 saw new challenges with the COVID-19 pandemic including reductions in revenues, as well as increased cleaning and other costs incurred to prevent the spread of the coronavirus. Wherever possible, these impacts were mitigated through reduced expenditures such as implementing a tactical hiring freeze, staff redeployments, reduced seasonal staff, cancellation of special events and projects, and general operating costs reductions.

Respectfully submitted,

Jerry Chong, CPA, CA
Acting General Manager, Finance and Corporate Services
May 10, 2021

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of the City of Richmond

Opinion

We have audited the consolidated financial statements of the City of Richmond (the "City"), which comprise:

- the consolidated statement of financial position as at December 31, 2020;
- the consolidated statement of operations for the year then ended;
- the consolidated statement of changes in net financial assets for the year then ended;
- the consolidated statement of cash flows for the year then ended; and
- notes to the consolidated financial statements, including a summary of significant accounting policies

(hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the City as at December 31, 2020, and its consolidated results of operations, its consolidated changes in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

City of Richmond
Page 3

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

See accompanying notes to consolidated financial statements.

CITY OF RICHMOND

Notes to Consolidated Financial Statements
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

1. Operations:

The City of Richmond (the "City") is incorporated under the Local Government Act of British Columbia. The City's principal activities include the provision of local government services to residents of the incorporated area. These include administrative, protective, transportation, infrastructure, environmental, recreational, water, sewer, and drainage.

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. This resulted in governments worldwide, including the Canadian federal and provincial governments enacting emergency measures to combat the spread of the virus. The economic conditions and the City's response to the pandemic had a material impact on the City's operating results and financial position in 2020. The City temporarily closed civic facilities, including recreation and community centres, managed workforce challenges, including the implementation of systems and processes to facilitate remote work, and workforce adjustments, such as delayed hiring, reallocation of staff resources and temporary layoffs. This affected both revenues and expenses for the City and included mitigation measures to reduce the overall financial impact. The primary impact was on parks, recreation and facilities as well as corporate services, bylaw enforcement and fire/rescue. The situation is still dynamic and the ultimate duration and magnitude of the impact on the economy and the financial effect on the City is not known at this time.

2. Significant accounting policies:

The consolidated financial statements of the City have been prepared in accordance with Canadian public sector accounting standards as prescribed by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants Canada.

(a) Basis of consolidation:

The consolidated financial statements reflect a combination of the City's General Revenue, General Capital and Loan, Waterworks and Sewerworks, and Reserve Funds consolidated with the Richmond Public Library (the "Library") and the Richmond Olympic Oval (the "Oval"). The Library is consolidated as the Library Board is appointed by the City. The Oval is consolidated as they are a wholly owned municipal corporation of the City. Interfund transactions, fund balances and activities have been eliminated on consolidation. The City's investment in Lulu Island Energy Company ("LIEC"), a wholly owned government business enterprise ("GBE"), is accounted for using the modified equity method.

(i) General Revenue Fund:

This fund is used to account for the current operations of the City as provided for in the Annual Budget, including collection of taxes, administering operations, policing, and servicing general debt.

(ii) General Capital and Loan Fund:

This fund is used to record the City's tangible capital assets and work-in-progress, including engineering structures such as roads and bridges, and the related debt.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

2. Significant accounting policies (continued):

(a) Basis of consolidation (continued):

(iii) Waterworks and Sewerworks Funds:

These funds have been established to cover the costs of operating these utilities, with related capital and loan funds to record the related tangible capital assets and debt.

(iv) Reserve Funds:

Certain funds are established by bylaws for specific purposes. They are funded primarily by budgeted contributions from the General Revenue Fund and developer contributions plus interest earned on fund balances.

(b) Basis of accounting:

The City follows the accrual method of accounting for revenue and expenses. Revenue is recognized in the year in which it is earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods and services and/or the creation of a legal obligation to pay.

(c) Government transfers:

Restricted transfers from governments are deferred and recognized as revenue as the related expenditures are incurred or the stipulations in the related agreement are met. Unrestricted transfers are recognized as revenue when received or if the amount to be received can be reasonably estimated and collection is reasonably assured.

(d) Cash and cash equivalents:

Cash and cash equivalents consist of cash, highly liquid money market investments and short-term investments with maturities of less than 90 days from date of acquisition.

(e) Investments:

Investments are recorded at cost, adjusted for amortization of premiums or discounts. Provisions for losses are recorded when they are considered to be other than temporary.

(f) Investment in government business enterprises:

Government business enterprises are recorded using the modified equity method of accounting. The City's investment in the GBE is recorded as the value of the GBE's shareholder's equity. The investment's income or loss is recognized by the City when it is earned by the GBE. Inter-organizational transactions and balances are not eliminated, except for any gains or losses on assets remaining within the City.

(g) Accounts receivable:

Accounts receivable are net of an allowance for doubtful accounts and therefore represent amounts expected to be collected.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

2. Significant accounting policies (continued):

(h) Development cost charges:

Development cost charges are restricted by legislation to expenditures on capital infrastructure. These amounts are deferred upon receipt and recognized as revenue when the expenditures are incurred in accordance with the restrictions.

(i) Post-employment benefits:

The City and its employees make contributions to the Municipal Pension Plan. As this plan is a multi-employee plan, contributions are expensed as incurred.

Post-employment benefits also accrue to the City's employees. The liabilities related to these benefits are actuarially determined based on service and best estimates of retirement ages and expected future salary and wage increases. The liabilities under these benefits plans are accrued based on projected benefits prorated as employees render services necessary to earn the future benefits.

(j) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets:

Tangible capital assets are initially recorded at cost, which includes amounts that are directly attributable to acquisition, construction, development, or betterment of the assets. The cost, less estimated residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

Asset	Useful life - years
Buildings and building improvements	10 - 75
Infrastructure	5 - 100
Vehicles, machinery and equipment	3 - 40
Library's collections, furniture and equipment	4 - 20

Amortization is charged over the asset's useful life commencing when the asset is acquired. Assets under construction are not amortized until the asset is available for productive use.

(ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

2. Significant accounting policies (continued):

(j) Non-financial assets (continued):

(iii) Natural resources, works of art, and cultural and historic assets:

Natural resources, works of art, and cultural and historic assets are not recorded as assets in the consolidated financial statements.

(iv) Interest capitalization:

The City does not capitalize interest costs associated with the construction of a tangible capital asset.

(v) Labour capitalization:

Internal labour directly attributable to the construction, development or implementation of a tangible capital asset is capitalized.

(vi) Leased tangible capital assets:

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(vii) Impairment of tangible capital assets:

Tangible capital assets are written down when conditions indicate that they no longer contribute to the City's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

(viii) Inventory of materials and supplies:

Inventory is recorded at cost, net of an allowance for obsolete stock. Cost is determined on a weighted average basis.

(k) Revenue recognition:

Revenue is recognized in the period in which the transactions or events occurred that gave rise to the revenue. All revenue is recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impractical.

The City is required to act as the agent for the collection of certain taxes and fees imposed by other authorities. Collections for other authorities are excluded from the City's taxation revenue.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)

(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

2. Significant accounting policies (continued):

(l) Property taxes:

The City establishes property tax rates based on assessed market values provided by the British Columbia Assessment Authority (BCA). Market values are determined as of July 1st of each year. The City records taxation revenue at the time the property tax bills are issued. The City is entitled to collect interest and penalties on overdue taxes.

(m) Deferred revenue:

The City defers a portion of the revenue collected from permits, licenses and other fees and recognizes this revenue in the year in which related inspections are performed, other related expenses are incurred or services are provided.

Deferred revenue also represents funds received from external parties for specified purposes. This revenue is recognized in the period in which the related expenses are incurred.

(n) Deposits:

Receipts restricted by the legislation of senior governments or by agreement with external parties are deferred and reported as deposits and are refundable under certain circumstances. When qualifying expenses are incurred, deposits are recognized as revenue at amounts equal to the qualifying expenses.

(o) Debt:

Debt is recorded net of related sinking fund balances.

(p) Budget information:

Budget information, presented on a basis consistent with that used for actual results, was included in the City's Consolidated 5 Year Financial Plan (2020-2024) ("Consolidated Financial Plan") and was adopted through Bylaw No. 10183 on May 11, 2020.

(q) Contaminated sites:

Contaminated sites are a result of contamination being introduced into air, soil, water, or sediment of a chemical, organic or radioactive material of live organism that exceeds an environmental standard. Liabilities are recorded net of any expected recoveries.

A liability for remediation of contaminated sites is recognized when a site is not in productive use and the following criteria are met:

- (i) An environmental standard exists;
- (ii) Contamination exceeds the environmental standard;
- (iii) The City is directly responsible or accepts responsibility;

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

2. Significant accounting policies (continued):

(q) Contaminated sites (continued):

(iv) It is expected that future economic benefits will be given up; and

(v) A reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

(r) Use of accounting estimates:

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amount of revenue and expenditures during the reporting period. Areas requiring the use of management estimates relate to performing the actuarial valuation of employee future benefits, the value of contributed tangible capital assets, value of developer contributions, useful lives for amortization, determination of provisions for accrued liabilities, performing the actuarial valuation of employee future benefits, allowance for doubtful accounts, and provision for contingencies. Actual results could differ from those estimates. Adjustments, if any, will be reflected in the consolidated financial statements in the period that the change in estimate is made, as well as in the period of settlement if the amount is different.

(s) Segment disclosures:

A segment is defined as a distinguishable activity or group of activities of a government for which it is appropriate to separately report financial information to achieve the objectives of the standard. The City has provided definitions of segments as well as presented financial information in segment format.

3. Investments:

	2020		2019	
	Cost	Market value	Cost	Market value
Short-term notes and deposits	\$ 339,607	\$ 339,695	\$ 409,759	\$ 409,874

Other bonds	167,565	171,729	181,517	182,039
	<u>\$ 834,010</u>	<u>\$ 846,003</u>	<u>\$ 830,896</u>	<u>\$ 832,265</u>

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

4. Investment in Lulu Island Energy Company Ltd:

The City owns 100% of the issued and outstanding shares of LIEC, which was incorporated under the British Columbia Business Corporations Act on August 19, 2013. LIEC develops, manages and operates district energy utilities in the City of Richmond, on the City's behalf, including but not limited to energy production, generation or exchange, transmission, distribution, maintenance, marketing and sales to customers, customer service, profit generation, financial management and advisory services for energy and infrastructure.

Summarized financial information relating to LIEC is as follows:

	2020	2019
Cash, cash equivalents, and investments	\$ 12,619	\$ 11,826
Accounts receivable	3,034	1,303
Tangible capital assets	37,360	33,412
Total assets	53,013	46,541
Accounts payable and accrued liabilities	1,792	778
Deferred contributions	7,352	6,183
Concession liability	11,133	8,166
Total liabilities	20,277	15,127
Shareholder's equity	\$ 32,736	\$ 31,414
Total revenue	\$ 5,591	\$ 5,295
Total expenses	4,269	3,661
Net income	\$ 1,322	\$ 1,634

Included in accounts payable and accrued liabilities in the City's consolidated statement of financial position are payables to LIEC in the amount of \$323,020 (2019 - \$136,168).

On October 30, 2014, LIEC and the Oval Village district energy utility developer ("the Concessionaire") entered into a 30-year Concession Agreement, which is a public-private partnership project ("P3"), where the Concessionaire will design, construct, finance, operate, and maintain the infrastructure for the district energy utility at the Oval Village community. As part of the Agreement, the infrastructure will be owned by LIEC.

On October 30, 2014, the Concessionaire and the City entered into a Limited Guarantee Agreement. The City is the Guarantor and guarantees the performance of some of LIEC's obligations under the Concession Agreement to a maximum of \$18.2 million (2019 - \$18.2 million).

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

5. Accounts receivable:

	2020	2019
Water and sewer utilities	\$ 11,760	\$ 13,671
Casino revenue	-	3,903
Capital grants	4,278	1,291
Other trade receivables	5,483	9,542
	<u>\$ 21,521</u>	<u>\$ 28,407</u>

6. Debt reserve fund deposits and contingent demand notes:

The City issues its debt instruments through the Municipal Finance Authority (the "MFA"). As a condition of these borrowings, a portion of the debenture proceeds is withheld by the MFA in a Debt Reserve Fund. The City also executes demand notes in connection with each debenture whereby the City may be required to loan certain amounts to the MFA. These demand notes are contingent in nature and are not reflected in the City's accounts. The details of the cash deposits and contingent demand notes at December 31, 2020 are as follows:

	Cash deposits	Contingent demand notes
General Revenue Fund	\$ 508	\$ 2,447

7. Accounts payable and accrued liabilities:

	2020	2019
Trade and other liabilities	\$ 156,975	\$ 73,403
Post-employment benefits (note 15)	35,121	34,187
	<u>\$ 192,096</u>	<u>\$ 107,590</u>

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

11. Debt, net of MFA sinking fund deposits:

The interest rate for the year ended December 31, 2020 on the principal amount of the MFA debenture was 3.30% (2019 - 3.30%) per annum. Interest expense incurred for the year on the long-term debt was \$1,676,895 (2019 - \$1,676,895). The maturity date of the MFA debt is April 7, 2024.

The City obtains debt instruments through the MFA pursuant to security issuing bylaws under authority of the Community Charter to finance certain capital expenditures.

Gross amount for the debt less principal payments and actuarial adjustments to date are as follows:

	Gross amount borrowed	Repayments and actuarial adjustments	Net debt 2020	Net debt 2019
General Fund	\$ 50,815	\$ 28,074	\$ 22,741	\$ 27,891

Repayments on net outstanding debt over the next four years are as follows:

2021	\$ 5,355
2022	5,570
2023	5,792
2024	6,024
	<u>\$ 22,741</u>

Year ended December 31, 2020

12. Tangible capital assets (continued):

(a) Assets under construction:

Assets under construction having a value of \$83,592,534 (2019 - \$115,432,086) have not been amortized. Amortization of these assets will commence when the asset is put into service.

(b) Contributed tangible capital assets:

Contributed tangible capital assets have been recognized at fair market value at the date of contribution. The value of contributed assets received during the year is \$58,239,544 (2019 - \$28,866,769) comprised of land in the amount of \$38,682,057 (2019 - \$14,665,393), infrastructure in the amount of \$16,979,272 (2019 - \$14,191,349), buildings in the amount of \$2,578,215 (2019 - nil), and no library collections in 2020 (2019 - \$10,027).

(c) Tangible capital assets disclosed at nominal values:

Where an estimate of fair value could not be made, the tangible capital asset was recognized at a nominal value.

(d) Works of art and historical treasures:

The City manages and controls various works of art and non-operational historical cultural assets including building, artifacts, paintings, and sculptures located at City sites and public display areas. The assets are not recorded as tangible capital assets and are not amortized.

(e) Write-down of tangible capital assets:

There were no write-down of tangible capital assets in 2020 (2019 - \$1,754,513).

13. Accumulated surplus:

	General and Reserve Funds	Waterworks Utility Fund	Sewerworks Utility Fund	Richmond Olympic Oval	Library	2020 Total	2019 Total

Actuarial loss (gain)	(807)	2,724
Accrued benefit obligation, end of year	\$ 35,414	\$ 35,184

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

15. Post-employment benefits (continued):

An actuarial valuation for these benefits was performed to determine the City's accrued benefit obligation as at December 31, 2019 and has been extrapolated by the actuary to December 31, 2020. This actuarial loss is being amortized over a period equal to the employees' expected average remaining service lifetime of 10 years.

	2020	2019
Accrued benefit obligation, end of year	\$ 35,414	\$ 35,184
Unamortized net actuarial loss	(293)	(997)
Accrued benefit liability, end of year	\$ 35,121	\$ 34,187

Actuarial assumptions used to determine the City's accrued benefit obligation are as follows:

	2020	2019
Discount rate	2.00%	2.40%
Expected future inflation rate	2.00%	2.00%
Expected wage and salary range increases	2.50% to 3.00%	2.50% to 3.00%

16. Pension plan:

The City and its employees contribute to the Municipal Pension Plan (a jointly trustee pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2019, the plan has about 213,000 active members and approximately 106,000 retired members. Active members include approximately 41,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

16. Pension plan (continued):

The most recent valuation for the Municipal Pension Plan as at December 31, 2018, indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

The City paid \$13,343,310 (2019 - \$13,251,994) for employer contributions while employees contributed \$11,199,779 (2019 - \$11,120,458) to the plan in fiscal 2020.

The next valuation will be as at December 31, 2021, with results available in 2022.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

17. Contingent assets and contractual rights:

(a) Contingent assets:

Contingent assets are possible assets arising from existing conditions or situations involving uncertainty. That uncertainty will ultimately be resolved when one or more future events not wholly within the City's control occurs or fails to occur.

The City has legal claims, service agreements, and land dedications that may qualify as contingent assets. Amounts cannot be estimated as of December 31, 2020. Contingent assets are not recorded in the consolidated financial statements.

In 2019, the City had requested payment from the Office of the Minister of Public Services and Procurement Canada, for outstanding payments-in-lieu of taxes in the amount of \$11,139,593. As of December 31, 2020 and 2019, collectability of the requested amount is not determinable and has not been accrued for in the City's consolidated financial statements.

(b) Contractual rights:

The City has entered into contracts or agreements in the normal course of operations that it expects will result in revenue and assets in future fiscal years. The City's contractual rights are comprised of leases, licenses, grants and various other agreements, including the provision of police services with the Vancouver Airport Authority. The following table summarizes the expected revenue from the City's contractual rights:

2021	\$ 16,229
2022	12,957
2023	4,613
2024	3,639
2025	2,335
Thereafter	8,325

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

17. Contingent assets and contractual rights (continued):

(b) Contractual rights (continued):

The City is entitled to receive revenue from certain other agreements. The revenue from these agreements cannot be quantified and has not been included in the amounts noted above.

18. Commitments and contingencies:

(a) Joint and several liabilities:

The City has a contingent liability with respect to debentures of the Greater Vancouver Water District, Greater Vancouver Sewerage and Drainage District and Greater Vancouver Regional District, to the extent provided for in their respective Enabling Acts, Acts of Incorporation and Amending Acts. Management does not consider payment under this contingency to be likely and therefore no amounts have been accrued.

(b) Lease payments:

The City is committed to operating lease payments for premises and equipment in the following approximate amounts:

2021	\$ 2,736
2022	2,587
2023	2,574
2024	2,389
2025	2,084
Thereafter	3,385

(c) Litigation:

As at December 31, 2020, there were a number of claims or risk exposures in various stages of resolution. The City has made no specific provision for those where the outcome is presently not determinable.

(d) Municipal Insurance Association of British Columbia ("Association"):

The City is a participant in the Association. Should the Association pay out claims in excess of premiums received, it is possible that the City, along with other participants, would be required to contribute towards the deficit. Management does not consider external payment under this contingency to be likely and therefore, no amounts have been accrued.

(e) Contractual obligation:

The City has entered into various contracts for services and construction with periods ranging beyond one year. These commitments are in accordance with budgets passed by Council.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

18. Commitments and contingencies (continued):

- (f) E-Comm Emergency Communications for Southwest British Columbia Incorporated ("E-Comm"):

The City is a shareholder of the E-Comm whose services provided include: regional 9-1-1 call centre for the Greater Vancouver Regional District; Wide Area Radio network; dispatch operations; and records management. The City has 2 Class A shares and 1 Class B share (of a total of 35 Class A and 20 Class B shares issued and outstanding as at December 31, 2020). As a Class A shareholder, the City shares in both funding the future operations and capital obligations of E-Comm (in accordance with a cost sharing formula), including any lease obligations committed to by E-Comm up to the shareholder's withdrawal date.

- (g) Community associations:

The City has agreements with the various community associations which operate the community centers throughout the City. The City generally provides the buildings and grounds, pays the operating costs of the facilities, and provides certain staff and other services such as information technology. Typically the community associations are responsible for providing programming and services to the community. The community associations retain all revenue which they receive.

19. Trust funds:

Certain assets have been conveyed or assigned to the City to be administered as directed by agreement or statute. The City holds the assets for the benefit of and stands in fiduciary relationship to the beneficiary. The following trust fund is excluded from the City's consolidated financial statements.

	2020	2019
Richmond Community Associations	\$ 1,909	\$ 1,877

23. Segmented reporting:

The City provides a wide variety of services to its residents. For segment disclosure, these services are grouped and reported under service areas/departments that are responsible for providing such services. They are as follows:

- (a) **Community Safety** brings together the City's public safety providers such as Police (RCMP), Fire-Rescue, Emergency Programs, and Community Bylaws. It is responsible for ensuring safe communities by providing protection services with a focus on law enforcement, crime prevention, emergency response, and protection of life and properties.
- (b) **Utilities** provide such services as planning, designing, constructing, operating, and maintaining the City's infrastructure of water, sewer, drainage and diking networks and sanitation and recycling.
- (c) **Engineering, Public Works and Project Development** comprises of General Public Works, Roads and Construction, Storm Drainage, Fleet Operations, Engineering, Project Development, and Facility Management. The services provided are construction and maintenance of the City's infrastructure and all City owned buildings, maintenance of the City's road networks, managing and operating a mixed fleet of vehicles, heavy equipment and an assortment of specialized work units for the City operations, development of current and long-range engineering planning and construction of major projects.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

23. Segmented reporting (continued):

- (d) **Community Services** comprises of Parks, Recreation, Arts, and Culture and Heritage Services. These departments ensure recreation opportunities in Richmond by maintaining a variety of facilities such as arenas, community centres, pools, etc. It designs, constructs and maintains parks and sports fields to ensure there is adequate open green space and sports fields available for Richmond residents. It also addresses the economic, arts, culture, and community issues that the City encounters.
- (e) **General Government** comprises of Mayor and Council, Corporate Administration, and Finance and Corporate Services. It is responsible for adopting bylaws, effectively administering city operations, levying taxes, legal services, providing sound management of human resources, information technology, City finance, and ensuring high quality services to Richmond residents.
- (f) **Planning and Development** is responsible for land use plans, developing bylaws and policies for sustainable development in the City including the City's transportation systems, and community social development.
- (g) **Richmond Olympic Oval Corporation** is formed as a wholly owned subsidiary of the City. The City uses the Richmond Olympic Oval facility as a venue for a wide range of sports, business and community activities.
- (h) **Richmond Public Library** provides public access to information by maintaining 5 branches throughout the City.

Unaudited Statement of Safe Restart Grant
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2020

The Safe Restart Grant was received November 2020 from the Province of British Columbia. A requirement of the Safe Restart Grant is to include a schedule to the financial statements presenting the amount of funding received, use of funds and year end balance of unused funds. A schedule will continue to be reported annually until funds are fully drawn down.

Major services provided by the City of Richmond

Administration

Includes the office of the Chief Administrative Officer who oversees the overall administration of the City's operations. Also includes the Deputy Chief Administrative Officer, Human Resources, Intergovernmental Relations and Protocol, Corporate Communications and Marketing, Corporate Planning and Organizational Development and the Corporate Programs Management Group.

Community Safety

Brings together the City's public safety providers including RCMP, Fire-Rescue, Emergency Programs, Community Bylaws and Business Licences.

Community Services

Coordinates, supports and develops Richmond's community services including Parks Services, Recreation and Sport Services and Arts, Culture and Heritage Services.

Engineering and Public Works

The Engineering and Public Works Departments deliver public works services and utilities and engineering planning, design, construction and maintenance services for all utility and City building infrastructure.

Finance and Corporate Services

Includes Customer Service, Information Technology, Finance, Economic Development, Real Estate Services and Corporate Business Service Solutions.

Planning and Development

Includes the Policy Planning, Transportation, Development Applications, Building Approvals and Community Social Development Departments. This division provides policy directions that guide growth and change in Richmond with emphasis on land use planning, development regulations, environmental protection, heritage and livability.

Legal and Legislative Services

Includes the Law Department and the City Clerk's Office.

Other City entities

Gateway Theatre

Operates the City's performing arts theatre.

Lulu Island Energy Company

Operates the City's district energy utilities.

Richmond Olympic Oval Corporation

Operates the Richmond Olympic Oval and the Richmond Sport Hosting program.

Richmond Public Library

Operates Richmond's public library, including four branches.

City of Richmond contacts

The City of Richmond offers many civic services to the community. Additional services are provided through the Richmond Olympic Oval, Richmond Public Library, Gateway Theatre and Lulu Island Energy Company. For more information on City services contact:

"Our vision is
to be the most
appealing, livable
and well-managed
community in
Canada."

MESSAGE FROM THE MAYOR

The City of Richmond has always provided a high quality of life and worked hard to preserve this standard into the future.

The past year saw challenges far beyond anything anticipated. This 2020 Annual Report highlights examples of our innovation and success as we continued our journey to make Richmond Canada's most livable and well-managed community.

It was not an easy journey due to the pandemic, but public safety and security remained paramount. Recognizing the long-term impact of COVID-19 on our residents and businesses, Council quickly declared a state of emergency enabling us to transition key programs and services

online to reduce the risks of community transmission.

COVID-19 safety plans were developed for all City-operated facilities. Richmond was a leader in making masks mandatory in all its buildings. Reducing property taxes and delaying payment deadlines offered support to residents during a period of uncertainty. Council also recognized the growing strain the local business community was facing and implemented initiatives such as traffic flow and access changes in Steveston Village, one of the region's most popular destinations, to enhance safety while enabling businesses to remain open.

Many long-running, popular events and festivals were cancelled in 2020 in order

ON MAY 25, RICHMOND CITY COUNCIL ADOPTED AND ENDORSED THE FOLLOWING STATEMENT AGAINST RACISM AND VIOLENCE RELATED TO THE COVID-19 PANDEMIC:

"In Richmond, we are a community that celebrates a rich history of culture, diversity and heritage linked to the arrival and influence of immigrants that began over a century ago. The City of Richmond does not—and never will—condone or tolerate racist behaviour in any form. Such attitudes and actions do not reflect our community's cultural diversity or the spirit of inclusion that we are all proud of. Events of the past few months have created uncertainty, frustration and fear for some. But that is no excuse to cast blame on others. COVID-19 should not be blamed on any single culture or country and it is certainly not the fault of anyone in our community. Now, more than ever, we must stand together and be true to our shared values of diversity, inclusion and respect. Racial and discriminatory responses and actions have no place in Richmond. They have no place in our society."

to maintain public safety. That did not mean we could not celebrate and show our community spirit in other ways. The popular Doors Open Richmond event went online, attracting over 22,000 visits to 37 virtual locations. The annual Maritime Festival was reimagined and drew almost 50,000 people to its online site.

Throughout the pandemic, our #RichmondHasHeart social media campaign helped bring the community together to share their images and stories as a way to show support for the frontline workers and City staff working to keep people safe while essential services were in place.

In May 2020, Council endorsed a statement against racism and violence

related to the COVID-19 pandemic. In August, the City and Richmond RCMP partnered on an anti-hate campaign urging individuals to reach out to police if they experienced or witnessed hateful behaviour.

Of course not all civic services provided by the City could be offered in a virtual manner. The South Dike Upgrade between Gilbert Road and No. 3 Road was widened and raised almost two metres, offering further protection for climate change-induced sea level rise. Over 12 kilometres of watermain, sanitary sewers and storm sewers were constructed in 2020, helping to ensure adequate capacity to support future growth.

Richmond's success, despite the

challenges of COVID-19, is a credit to those who contribute to making our city a better place, including our staff, volunteers, businesses, and community and government partners. This Annual Report contains examples of our goals and achievements. As always, I invite your comments and questions through my office.

Malcolm Brodie
Mayor, City of Richmond

CREATIVE #RICHMONDHASHEART DISPLAYS WERE SEEN AT HOMES, BUSINESSES AND IN THE COMMUNITY.

MESSAGE FROM THE CHIEF ADMINISTRATIVE OFFICER

I am pleased to present the City of Richmond's Annual Report for 2020. It details our strong financial position, and outlines many of the initiatives we are undertaking to achieve our vision of making Richmond Canada's best managed city.

During this past year, our administration made significant progress in implementing Council's new strategic plan, despite the many challenges presented by the COVID-19 pandemic. Many of those achievements are highlighted throughout this report.

Keeping essential programs and services operating during a period of uncertainty was crucial, as was protecting our staff, residents and businesses. Shifts to online service were quickly implemented and the

City reduced high-traffic touch points in many facilities to prevent the spread of the virus and ensure good hygiene. In addition to City Hall, safety improvements were made at various Community Centres, Fire Halls, Police Offices, Libraries and Aquatic amenities to enable safer use by all.

A Community Ambassador outreach program was launched mid-summer, redeploying staff from across the City to assist with the patrolling of parks, outdoor facilities and businesses. The Ambassadors helped to emphasize common sense approaches to safety such as the need for physical distancing and to provide accurate information on Provincial Health Orders. It was an example of why Richmond had among the lowest COVID-19 case numbers in the region.

One of the foundations for any successful organization is its ability to demonstrate strong financial stewardship. A Financial Resiliency Plan was established as a multi-level effort to reduce the pressure facing residents and businesses during the pandemic, and all discretionary spending ceased. The City's long term financial strategy remained a hallmark of our administration and enabled us to continue to maintain effective and responsive service levels with a reduced property tax rate and deferred payment deadline.

Building in Richmond reached a construction value of \$717 million in 2020, excluding the value of approvals and anticipated permits which exceeded \$900 million. By administering the Building

Regulation Bylaw and working closely with industry, the City ensured that construction was safe and met all applicable codes, standards, regulations, and planning objectives. Construction of the Hamilton Sanitary Pump Station and new sanitary utility in the area also commenced in 2020, supporting projected population densities outlined in the Hamilton Official Community Plan Update.

The City also continued to recognize the need to protect our most vulnerable residents with the establishment of the Emergency Response Centre in Minoru as a safe, temporary shelter and connection to important support services.

Richmond has long been recognized as a leader in environmental action and sustainability, while supporting

development and building strong and connected communities. Our Recycling Depot was redesigned to enable more efficient access to recycling, while the City continued to shift its fleet vehicles toward electric and other fuel alternatives in order to further reduce greenhouse gas emissions. The City also planted hundreds of new trees in our parks through the Urban Forest initiative, using funding from developers as a "two for one" replacement for authorized tree removals necessary for building.

George Duncan
Chief Administrative Officer

COMMUNITY AMBASSADORS PATROLLED PARKS AND OTHER AREAS IN THE CITY TO REINFORCE THE NEED FOR SAFETY.

THE UPGRADED RECYCLING DEPOT IS NOW OPEN SEVEN DAYS A WEEK AND OFFERS EXPANDED SERVICES.

DEVELOPMENT ALONG NO. 3 ROAD.

2020 Achievement highlights

The Community Charter requires all BC municipalities to include a statement in the Annual Report of their objectives for the current and future years, along with measures to track success towards those objectives.

The City of Richmond's objectives and success indicators are expressed through the Council Strategic Plan. Soon after the new Council began its four-year term in October 2018, it undertook a strategic planning process to help it fulfill its governance role and achieve a successful term of office. Through that process, Council adopted a revised set of eight Strategic Focus areas, which provides the framework for the City's programs and services through 2020.

For more detail, visit www.richmond.ca/cityhall/council/about/strategicplan.

The following achievements represent highlights of our work to fulfil these goals in 2020:

1. A SAFE AND RESILIENT COMMUNITY

Richmond was the first municipality in the region to implement a mandatory mask policy, further protecting residents from COVID-19. Ongoing commitments to community safety saw residential break and enter crimes drop 21 per cent, while theft from vehicles decreased 18 per cent.

2. A SUSTAINABLE AND ENVIRONMENTALLY CONSCIOUS CITY

Upgrades to the City's Recycling Depot improved access and efficiency, leading to over 4,500 tonnes of materials received. Council also supported a pilot partnership with FoodMesh which resulted in 644,800 meals served to those in need and 414,555 kg of unwanted food items diverted from waste streams.

3. ONE COMMUNITY TOGETHER

Council was among the first in Canada to adopt and endorse a statement against racism and violence related to the pandemic. The City also opened its first Emergency Response Centre, a multi-stakeholder partnership to provide safe spaces for vulnerable residents and those experiencing homelessness due to COVID-19.

4. AN ACTIVE AND THRIVING RICHMOND

Despite access limitations due to the pandemic, the City fully opened the state-of-the-art Minoru Centre for Active Living. Conveniently located in Richmond's city centre, the facility features a 780 m² (8,400 sq. ft.) fitness centre, a 177 m² (1,900 sq. ft.) fitness studio, 650 m² (7,000 sq. ft.) leisure pool, two 25 metre pools and an errant rain cloud shower public art piece.

5. SOUND FINANCIAL MANAGEMENT

Council took the unprecedented step of reducing property taxes by 2.01 per cent and delayed the payment due date by several months to support residents and businesses as they faced the challenge of COVID-19. Through a variety of initiatives, the City maintained a position of financial resiliency and service throughout the pandemic.

6. STRATEGIC AND WELL-PLANNED GROWTH

Over \$900 million in combined construction approvals and anticipated building permits occurred in 2020 and almost \$50 million in development cost charges was collected or anticipated. A further \$6 million in Community Amenity Contributions was also secured through the City Centre Area Plan.

7. A SUPPORTED ECONOMIC SECTOR

The City launched a Business Support Centre as a one-stop resource for accurate and timely information for local businesses to access programs and resources from all levels of government and other agencies during the pandemic. It included job opportunities for displaced workers and a guide to Richmond-made PPE and other safety supplies.

8. AN ENGAGED AND INFORMED COMMUNITY

The creation of a dedicated COVID-19 section on the City's website enabled residents to access the latest impact of the pandemic on programs, services and amenities, with around 130,000 visits to the site in the first six months. A Community Safety app, developed in partnership with the RCMP, was also unveiled as an added information channel.

THE COMMUNITY SAFETY APP PROVIDES CITIZENS WITH DIRECT ACCESS TO CRIME PREVENTION AND SAFETY INFORMATION, AS WELL AS REPORTING TOOLS.

MINORU CENTRE FOR ACTIVE LIVING'S
AQUATIC CENTRE HAS SIX BODIES OF WATER
INCLUDING CANADA'S LARGEST HOT TUB.

Richmond: safe, sustainable, strong

It began with a strong sense of optimism for the coming year. Richmond's business sector was active, support for residents was strong and the City's financial position was solid with cash and investment balances over \$1.2 billion and an accumulated

surplus that reached \$3.2 billion.

Then came the pandemic, and the City quickly pivoted to enhance and protect the safety of its residents and put processes in place to support local businesses as they faced some of their toughest challenges

due to government-directed lockdowns and closures.

Council declared a State of Emergency on March 19 which gave it the authority to quickly and effectively address emerging issues as a result of the COVID-19 pandemic and make decisions in the best interests of Richmond. Property taxes were decreased 2.01 per cent and the payment deadline shifted to enable residents and businesses to adjust to the changing landscape.

A Community Ambassador program was launched to support community outreach regarding the safe use of public amenities and business operations. City staff were redeployed from all areas to assist Community Bylaw Officers with the patrolling of parks, outdoor facilities and businesses, and to provide information on Provincial Health Orders and to educate the public on physical distancing guidelines. It was an outstanding success and another strategy that led to Richmond maintaining some of the lowest COVID-19 case numbers in the region.

Richmond also became the first Metro Vancouver city to make masks mandatory in all its facilities, and developed initiatives such as an expedited patio program so restaurants, pubs and cafes could quickly convert sidewalks and roadways into added business space if desired as a means of added support.

The uncertainty of the pandemic was worrying to many, but also frustrating to some. Council tackled the emerging issue

of COVID-19 racism head-on in May with a public statement condemning racism and violence related to the situation. It said, in part, that "Richmond does not—and never will—condone or tolerate racist behaviour in any form... COVID-19 should not be blamed on any single culture or country and it is certainly not the fault of anyone in our community."

While the pandemic dominated many aspects of 2020, our achievements and expectations for the future will continue to improve the lives and affairs of our residents and businesses. The City of Richmond has always been a leader with bold, innovative programs and strategies that reflect our character and reputation as a safe, sustainable and culturally diverse city – the most appealing, livable and well-managed community in Canada.

TIMELINE OF KEY COVID-19 MILESTONES IN THE CITY

2020 Awards

A measurement of the City's success in achieving its goals are the honours and recognition from our peers and others. In 2020, Richmond again received numerous international, national and provincial awards recognizing our commitment to excellence and innovation.

ROAD SAFETY

Richmond was the recipient of the Institute of Transportation Engineers Award for Greater Vancouver's Road Safety Project of the Year for its Network Screening Study that identified the City's top 20 collision prone intersections and measures to make them safer. This annual award celebrates technical excellence in the field of road safety.

DISTRICT ENERGY

Recipient of over a dozen awards in the past decade, Richmond's District Energy Program continues to collect accolades for its innovation, efficiency and green sustainability. Among its honours in 2020 was an International District Energy Association Innovation Award, and a Canadian Energy Globe Foundation Award. This continued international recognition from peers in the District Energy industry is a result of the City and Lulu Island Energy Company's dedication to excellence, innovation and commitment to reducing greenhouse gas emissions through the use of district energy systems.

FLOOD PROTECTION

The Gilbert Road to No. 3 Road South Dike Upgrade project was announced as the 2020 recipient of the Public Works Association of BC Project of the Year Award. The prestigious honour is presented annually to an organization that constructs a major and complex public works or utilities project which deserves special merit because of its unique features or complexity relative to the resources of the community.

THE GILBERT ROAD TO NO. 3
ROAD SOUTH DIKE UPGRADES
INCLUDED RAISING AND WIDENING
APPROXIMATELY 650 M OF DIKS
AND CONSTRUCTION OF AN
IMPROVED MULTI-USE PATH.

THE EDWARDIAN COTTAGE,
BUILT AROUND 1905, IS
NOW HOME TO THE TERRA
NOVA NATURE SCHOOL.

PRESERVING OUR HERITAGE

The Edwardian Cottage at Terra Nova Rural Park was named by the BC Recreation and Parks Association as the recipient of its provincial Facility Excellence Award for projects with a capital cost less than \$1 million. The annual award recognizes outstanding facility design that reflects community culture and spaces that are accessible, engage the public in design consultation, and ultimately improve the well-being of the community.

FINANCIAL REPORTING

Once again, the Government Finance Officers Association of the US and Canada presented Richmond with the Canadian Award for Financial Reporting (the 18th year in a row) and the Outstanding Achievement in Popular Financial Reporting Award (the 11th successive year) for its 2019 Annual Reports.

SUSTAINABILITY

The City of Richmond's fleet received a Certificate of Achievement through the Government Fleet Magazine and American Public Works Association Leading Fleets award. The award recognizes operations that are performing at a high level in fleet innovation and leadership.

BUILDING FOR THE FUTURE

Richmond received the Canadian Association of Municipal Administration Professional Development Award for the City's Engineer-in-Training program. This award recognizes a community that has developed a unique and innovative program for staff that can be replicated in other communities.

Government Finance Officers Association

Presented to

**City of Richmond
British Columbia**

For its Annual Financial Report
for the Fiscal Year Ended

December 31, 2019

Christopher P. Howell
Executive Director/CEO

REPORT FROM THE GENERAL MANAGER, FINANCE AND CORPORATE SERVICES

Mayor Malcolm Brodie and members of Richmond City Council,

I am pleased to submit the Consolidated Financial Statements and Auditors' Report for the fiscal year ended December 31, 2020 for the City of Richmond, pursuant to Section 98 and 167 of the Community Charter. The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards as prescribed by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. Preparation of the financial statements is management's responsibility.

KPMG LLP was appointed by City Council to independently audit the City's consolidated financial statements. They have expressed an opinion that the City's consolidated financial statements present fairly, in all material respects, the consolidated financial position of the

City of Richmond as at December 31, 2020 and its consolidated results of operations, its changes in net consolidated financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

These financial statements combine the accounts of the City of Richmond, Richmond Olympic Oval, and Richmond Public Library (collectively referred to as the "City"), as well as the City's investment in Lulu Island Energy Company, which is accounted for as a Government Business Enterprise.

CONSOLIDATED STATEMENT OF FINANCIAL POSITION (IN \$000S)

	2020 Actual	2019 Actual	Change
Financial assets	\$1,471,442	\$1,320,747	\$150,695
Liabilities	582,457	514,878	67,579
Net financial assets	888,985	805,869	83,116
Non-financial assets	2,495,221	2,433,473	61,748
Accumulated surplus	\$3,384,206	\$3,239,342	\$144,864

The City's overall financial position improved by \$144.9 million, with accumulated surplus totaling \$3.4 billion. A significant part of this increase is due to growth in financial assets, as well as additions to capital and statutory reserves. This is partially offset by an increase in liabilities, especially accounts payable relating to postponed remittances to other governments relating to COVID-19 and deferred revenue related to the collection of Development Cost Charges (DCCs).

The City's cash and investments are \$1.4 billion while long-term debt continues to decline with an outstanding balance at the end of 2020 of \$22.7 million. Meanwhile, the City's tangible capital assets increased by \$60.3 million, which includes \$58.2 million of in-kind contributions from development as conditions of re-zoning.

CONSOLIDATED STATEMENT OF OPERATIONS (IN \$000S)

	2020 Budget	2020 Actual	2019 Actual
Revenues	\$577,229	\$579,052	\$581,942
Expenses	489,865	434,188	483,690
Annual surplus	\$87,364	\$144,864	\$98,252

The City's consolidated revenue for the year totaled \$579.1 million, a decrease of \$2.9 million from 2019 mainly due to decreases related to COVID-19.

Expenses decreased by \$49.5 million from prior year mainly due to cost mitigations relating to COVID-19 as well as a contribution in 2019 towards the Canada Line Capstan station of \$28.1 million that did not occur in 2020.

The annual surplus for 2020 was \$144.9 million and represents the change in investment in tangible capital assets, reserves and other accumulated surplus.

FINANCIAL SUSTAINABILITY

2020 saw new challenges with the COVID-19 pandemic including reductions in revenues, as well as increased cleaning and other costs incurred to prevent the spread of the coronavirus. Wherever possible, these impacts were mitigated through reduced expenditures such as implementing a tactical hiring freeze, staff redeployments, reduced seasonal staff, cancellation of special events and projects, and general operating costs reductions.

Respectfully submitted,

Jerry Chong, CPA, CA

Acting General Manager, Finance and Corporate Services
