Staff Recommendation

That the application by YKLM Art Space Co. Ltd. for a Temporary Commercial Use Permit (TCUP) for property at 4211 No. 3 Road be considered at the Public Hearing to be held July 16, 2018 at 7:00 p.m. in the Council Chambers of Richmond City Hall; and that the following recommendation be forwarded to that meeting for consideration:

“That a Temporary Commercial Use Permit be issued to YKLM Art Space Co. Ltd. for property at 4211 No. 3 Road to allow ‘Auction, Minor’ as a permitted use for a period of three years.”

Staff Report

Origin

YKLM Artspace Co. Ltd. has applied to the City of Richmond for a Temporary Commercial Use Permit (TCUP) to allow “Auction, Minor” as a permitted use at 4211 No. 3 Road on a site zoned “Auto-Oriented Commercial (CA),” to permit the sale of artwork on site. (Attachment 1). The applicant proposes to hold monthly art auctions to support existing art-related programming on-site, which includes art performances, art exhibitions, and artist studios.

If approved, the TCUP would be valid for a period of up to three years from the date of issuance, at which time, an application for an extension of the Permit may be made and issued for up to three additional years. Only one extension is permitted, after which a new application is required. The *Local Government Act* allows Council to consider TCUP issuance on its own merits and does not limit the number of TCUP issuances allowed on a site.

Findings of Fact

A Development Application Data Sheet providing details about the proposal is provided in Attachment 2.

Surrounding Development

The subject site is located in the City Centre planning area. Development immediately surrounding the subject site is as follows:

To the North: A quick service restaurant with a drive-thru, on a property zoned “Auto-Oriented Commercial (CA)”.

To the South: A low rise commercial and industrial building on a property zoned “Auto-Oriented Commercial (ZC10) – Airport and Aberdeen Village”.

To the East: Across No. 3 Road, low rise commercial buildings on properties zoned “Auto-Oriented Commercial (CA)”, and the Aberdeen Canada Line station.

To the West: Across the River Park Way road right-of-way (ROW), low rise office and industrial buildings on lots zone “Industrial Business Park (IB1)”.

Related Policies & Studies

Official Community Plan

The Official Community Plan (OCP) land use designation for the subject site is “Commercial.”

The OCP allows TCUPs in areas designated “Industrial,” “Mixed Employment,” “Commercial,” “Neighbourhood Service Centre,” “Mixed Use,” “Limited Mixed Use,” and “Agricultural” (outside of the Agricultural Land Reserve, only), where deemed appropriate by Council and subject to conditions suitable to the proposed use and surrounding area.

The proposed Minor Auction use is consistent with the “Commercial” land use designation in the Official Community Plan (OCP).

Richmond Zoning Bylaw 8500

The subject site is zoned “Auto-Oriented Commercial (CA),” which allows for a range of commercial uses. The applicant proposes to hold monthly auctions of artwork in the gallery space. Richmond Zoning Bylaw 8500 defines “Auction, Minor” as the sale of household goods and smaller equipment to the highest bidder. The attached Temporary Commercial Use Permit would limit the auction to the sale of artwork and household goods only, with no sale of motor vehicles, construction equipment, or industrial equipment permitted. The proposed auction use is consistent with the intent of the “Auto-Oriented Commercial (CA)” zone.

Local Government Act

The *Local Government Act* states that TCUPs are valid for a period of up to three years from the date of issue, and that an application for one extension to the Permit may be made and issued for up to three additional years. A new TCUP application is required after one extension.

Public Consultation

Should the Planning Committee endorse this application and Council resolve to move the staff recommendation, the application will be forwarded to a Public Hearing on July 16, 2018, where any area resident or interested party will have an opportunity to comment. Public notification for the Public Hearing will be provided as per the *Local Government Act*.

Analysis

The subject site is a former car dealership, which has been renovated to provide office and gallery space. The renovated building is approximately 2,008 m² (21,616 ft²).

The proposed auctions would take place in a 350 m² (3,767 ft²) gallery space. The applicant proposes to hold one auction per month, with bids made in person, online, and over the phone. The applicant intends to cap attendance at 100 guests, and anticipates that online and telephone bidding will reduce the number of guests in attendance. The attached Temporary Commercial Use Permit would limit the proposed auction use to this gallery space only.

No exterior renovations are proposed, except for improvements to the on-site landscaping. A Development Permit is not required for exterior alterations that cost less than \$75,000.

Landscaping

The subject site is largely paved, with a landscaped area between the building and the sidewalk. Concrete pavers flanking the landscaped area provide pedestrian access to the building. The landscaped area is currently planted with grass only. The applicant proposes to landscape a portion of this area with a variety of shrubs, flowers, and sculptures. The applicant’s Landscape Architect has indicated that the basin containing this landscaped area is not deep enough to accommodate trees. Additional landscaping located in planting beds flanking each driveway are proposed to be retained.

The applicant has provided a Landscape Plan showing the proposed improvements to the landscaped area (Attachment 4). Prior to issuance of the TCUP at the Public Hearing, the applicant is required to provide a Landscape Security based on the cost estimate of the Landscape Plan, plus a 10% contingency, to ensure that the agreed upon landscaping is installed.

Site Access and Parking

The applicant has provided a Traffic Impact Analysis (TIA) report to assess the capacity of surrounding streets to support the proposed new use. Transportation staff have reviewed the TIA report and are satisfied with its findings, with no upgrades to City infrastructure required.

Parking and loading must be provided consistent with the requirements of Richmond Zoning Bylaw 8500. Vehicle parking is required at a rate of 1 parking space per 3.5 seating spaces or 3.1 parking spaces per 10 m² of gross leasable floor area, whichever is greater, reduced by 15% based on the City Centre blended parking rates. The maximum occupant load of the gallery space is 190 persons, which would require 46 parking spaces. Based on the area of this gallery space, 92 parking spaces are required.

There are 168 parking spaces on-site. The TIA report indicates that 80 of the spaces are for the exclusive use of customers and staff of the businesses, including the applicant. The remaining 88 spaces are managed as a park and ride facility. The applicant has confirmed that customers will have access to a minimum of 12 park and ride spaces, in order to meet the minimum parking requirements of 92 spaces. These 12 spaces will be reserved on days that the proposed auctions take place.

Class 1 and Class 2 bicycle parking is required at a rate of 0.27 spaces per 100 m² of gross leasable floor area greater than 100 m², for a total of one Class 1 and one Class 2 bicycle parking space. The site plan provided by the applicant shows six Class 1 and eight Class 2 bicycle parking spaces.

Financial Impact

None.

Conclusion

YKLM Art Space Co. Ltd. had applied to the City of Richmond for a Temporary Commercial Use Permit to allow "Auction, Minor" as a permitted use at 4211 No. 3 Road, zoned "Auto-Oriented Commercial (CA)," to permit the sale of artwork on site.

The proposed use at the subject property is acceptable to staff, on the basis that it is consistent with the land use designations in the Official Community Plan and is temporary in nature.

If endorsed by Council, the applicant is required to submit the two securities described in the attached Temporary Commercial Use Permit prior to consideration at the Public Hearing on July 16, 2018.

Staff recommend that the attached Temporary Commercial Use Permit be issued to the applicant to allow "Auction, Minor" at 4211 No. 3 Road for a period of three years.
