Staff Report

Origin

This monthly report for the Community Bylaws department provides information on Grease, Soils, Property Use, Short-Term Rentals, Pay Parking, Parking Enforcement, Animal Control, Dog Licencing and Public Awareness Initiatives.

Analysis

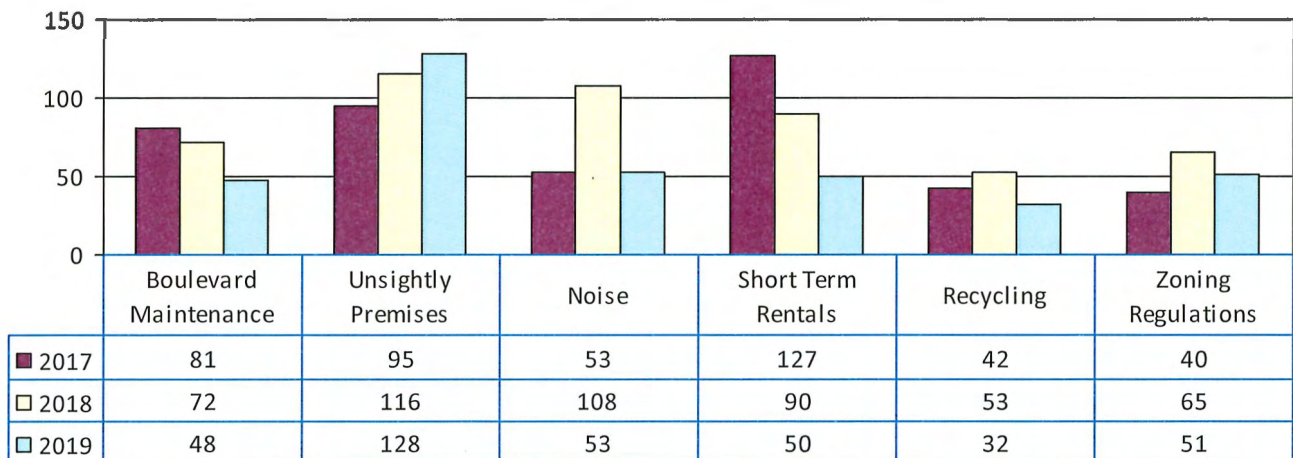

Property Use enforcement matters are divided among several groups in Community Bylaws, Engineering, Business Licencing and Vancouver Coastal Health. Figure 1 shows the calls for service (files opened) by Property Use Inspectors in the Community Bylaws department. Figure 2 shows all other property related enforcement.

Property Use

Property Use Officers investigate property matters based on public complaints as well as conduct proactive enforcement for self-evident infractions such as boulevard obstructions, unsightly properties and short-term rentals. This group also responds to complaints and investigates concerns relating to vacant homes and homeless camps.

During the month of April, bylaw officers continued to provide daily patrols of homeless camps in the Hamilton area in order to check on the well-being of the occupants and to ensure the site remains safe and clean. Staff are also preparing for an expected seasonal increase in complaints regarding short-term rentals.

Grease

The Grease Officer remains focused on education and voluntary compliance. During the month of April, the Grease Officer undertook 81 grease-trap inspections which are reflected in the cumulative total shown in Figure 2. There were no violation notices issued for contraventions of the Drainage, Dike and Sanitary Sewer System Bylaw No. 7551.

Soils

The Soil Bylaw Officer continues to respond to complaints and issues of non-compliance with Soil Removal & Fill Deposit Regulation Bylaw No. 8094. Four soil files were opened in April. The Officer continues to address issues of non-compliance on 38 properties in addition to monitoring 16 approved sites. There are 13 soil deposit proposals under various stages of review by City staff and/or the ALC. During the month of April, the Soil Bylaw Officer conducted 73 site inspections.

Dog Licencing and Patrols

During the month of April, 200 dogs were licenced. The total amount of dogs licenced to date is 6,407.

Regional Animal Protection Society (RAPS) Officers, conduct monthly rotational patrols of the dikes, parks and school grounds within the City. The following were patrolled during the month of April which resulted in no contraventions of the Animal Control Regulation Bylaw No. 7932 or the Dog Licencing Bylaw No. 7138.

Parking

Parking Officers continue to focus on safety and gain compliance through education and ticketing while conducting their daily patrols. During the month of April, Parking Officers saw an increase in vehicles parking overnight where prohibited, such as the Bowling Green. Staff will be conducting evening patrols beginning in May to deter overnight parking in restricted areas.

For the month of April, Parking Officers issued 2,427 violations associated with various parking and stopping offences.

Figure 3 reflects monthly and year-to-date parking enforcement activity measured by violation issuance. The corresponding revenue is reflected in Figure 4.

All Enforcement Activity

While parking violations make up the majority of tickets issued by City of Richmond bylaw enforcement staff, there are a number of other categories which are of interest to the public. Table 1 shows the number of violations in parking plus those in other categories. The number of tickets issued, in areas other than parking, is not necessarily an indication of staff effort as staff are instructed to pursue compliance as the main goal which sometimes is better served with a warning instead of a ticket.

The Community Bylaws Department derives most of its revenue from parking meters, parking permits and parking violations with the remainder of revenue generated from dog licences, false

alarm incidents (which are reported at year end only), tow permits and other permits and bylaw fines. These figures are shown in Table 2.
