Staff Recommendation

That Richmond Zoning Bylaw 8500, Amendment Bylaw 9269, for a Zoning Text Amendment to the “High Rise Apartment and Artist Residential Tenancy Studio Units (ZHR10) – Capstan Village (City Centre)” zone, a site-specific zone applicable only at 8888 Patterson Road and 3340 Sexsmith Road, to revise the required ceiling heights of the Artist Residential Tenancy Studio units and permit community amenity space for the purpose of constructing four (4) affordable, work-only, art studios.

Staff Report

Origin

GBL Architects Inc., on behalf of the developer, Concord Pacific, has applied to the City of Richmond for a Zoning Text Amendment to the “High Rise Apartment and Artist Residential Tenancy Studio Units (ZHR10) – Capstan Village (City Centre)” zone, the site-specific zone applicable to Concord Gardens, a five-phase, multi-family residential development at 8888 Patterson Road (Lot 1) and 3340 Sexsmith Road (Lot 2). (Attachments 1 and 2)

The purpose of the proposed Zoning Text Amendment is to:

- Revise studio ceiling height requirements specific to the development’s Artist Residential Tenancy (ARTS) units (i.e. subsidized affordable rental housing for professional artists, secured with a Housing Agreement) currently under construction in Concord Gardens’ first phase (Attachment 3); and
- Add 140.0 m² (1,506.9 ft²) of gross leasable floor area of “community amenity space” for use as four (4) affordable, work-only art studios in the development’s final (i.e. fifth) phase. (Attachment 4)

Findings of Fact

To date, the status of Concord Gardens’ development approvals are as follows:

- Rezoning (RZ 06-349722): January 2013 adopted
- Development Permits for:
 - i. Phase 1 (DP 12-611486) February 2013 / issued
 - ii. Phase 2 (DP 13-642725) January 2014 / issued
 - iii. Phase 3 (DP 14-670686) April 2015 / issued
 - iv. Phases 4/5 (DP 15-700800) In circulation
- Building Permits for:
 - i. Phase 1 (BP 12-643300) November 2013 / issued & under construction
 - ii. Phase 2 (BP 14-665321) November 2014 / issued & under construction
 - iii. Phase 3 (BP 15-703020) In circulation

A Development Application Data Sheet providing details regarding the subject Zoning Text Amendment proposal is attached. (Attachment 5)

Surrounding Development

The subject site is located in the City Centre’s Capstan Village area: an older, single-family residential and auto-oriented commercial area that, as per City Centre Area Plan (CCAP) policy, is being redeveloped with higher density, mid- and high-rise multi-family and mixed use projects, together with new public parks and streets, in anticipation of the future construction of a Canada Line station near the intersection of Capstan Way and No. 3 Road. Existing development surrounding the subject site includes:

To the North: Patterson Road and a row of single-family lots/houses designated under the CCAP for high-rise, mixed use development;

- To the South: A former TransLink park-and-ride, church, and single-family lots designated under the CCAP for medium density multi-family residential and institution uses;
- To the West: Sexsmith Road and an area recently rezoned for higher density multi-family residential and mixed-use development (RZ 10-544729 and RZ 12-610011, Pinnacle International), the first phase of which is under construction (including seventeen (17) subsidized affordable rental housing units for professional artists); and
- To the East: (Outside the City Centre) Garden City Road and the West Cambie Area, the latter of which contains a mix of townhouses, single-family houses, park, school, and local commercial uses.

Related Policies & Studies

City Centre Area Plan (CCAP): Key CCAP land use designations relevant to the subject Zoning Text Amendment application include:

- Arts District: Capstan Village is designated as part of the City Centre’s “Richmond Arts District”, which is defined as an area that encourages, among other things, “*a high concentration of public and private arts, culture, and heritage uses, facilities, amenities, events, venues for display and performance, work studios, and flexible spaces for living and working*”;
- Pedestrian-Oriented Retail Precincts: Sexsmith Road, south of Hazelbridge Way (i.e. frontage of Concord Gardens’ final phase), is designated as a “secondary” precinct, where pedestrian-oriented commercial and related uses (e.g., art studios with storefront-type windows open to the street) are highly desirable, but not mandatory; and
- Institution Bonus: The subject site is designated for, among other things, “institution” use, which:
 - i. Requires that an institution is constructed as the first use on the site; and
 - ii. On the basis of providing an institution use to the City’s satisfaction, the Plan permits the City to grant bonus density for non-institution uses (e.g., residential) over and above the density permitted on adjacent non-institution designated sites.

As per RZ 06-349722, Concord Gardens’ approved “institution”:

- Is comprised of twenty (20) ARTS units secured with a Housing Agreement (in addition to the standard developer 5% affordable housing contribution), which ARTS units are currently under construction, at the developer’s sole cost, in the project’s first phase;
- Is supportive of the CCAP’s “Richmond Arts District” objectives; and
- As approved via DP 12-611486 (Phase 1), must be designed in compliance with form of development requirements set out under Concord Gardens’ site-specific zone (ZHR10) with respect to, among other things, a minimum clear ceiling height of 4.5 m (14.8 ft) over at least 25.0 m² (269.1 ft²) of each unit to accommodate art activities requiring high ceilings.

Analysis

The developer has requested the subject Zoning Text Amendment on the basis of the following:

- The ZHR10 zone provides for a community amenity density bonus with respect to the provision of twenty (20) ARTS units in Phase 1, at the developer's sole cost;
- To satisfy the ZHR10 zone, the approved design of (18) of the twenty (20) ARTS units (DP 12-611486) includes movable (bridge-like) walkways over their studio spaces to provide:
 - i. Access between second-storey living and balcony spaces; and
 - ii. Within each ARTS unit, an area of at least 25.0 m² (269.1 ft²) with a minimum ceiling height of at least 4.5 m (14.8 ft) clear of fixed-in-place (i.e. unmovable) building features;
- Through the detailed design of the ARTS units, the developer has found that construction of the approved movable walkways is not economically feasible;
- To address this, the developer proposes to:
 - i. Replace the movable walkways with fixed-in-place walkways (Attachment 3), which will reduce the portion of each ARTS unit with a high ceiling by an area of 4.1 m² - 7.0 m² (44 ft² - 75 ft²), depending on the unit design, and amend the ZHR10 zone accordingly; and
 - ii. Provide at least 140.0 m² (1,506.9 ft²) of affordable, work-only art studio space in Concord Gardens' final (i.e. fifth) phase to a turnkey level of finish (constructed, owned, and operated at the developer's sole cost), comprised of four (4) storefront-type, universally-accessible, work-only, art studios along the development's Sexsmith Road frontage, together with parking, publicly-accessible outdoor space, and related features (Attachment 6, Schedule A – "Sexsmith Artist Studios Terms of Reference & Outline Specifications"), and amend the ZHR10 zone to add "community amenity space" for use as art studios (maximum 0.03 floor area ratio), together with required parking, in the development's final phase.

Staff are supportive of the developer's proposal on the basis that:

- The replacement of movable second-storey walkways with fixed-in-place walkways in Concord Gardens' ARTS units will not unreasonably impact their functionality because:
 - i. The scale and nature of art activities expected within the units (e.g., painting, photography, sculpture, digital media, fabric arts) must be such that they can comfortably co-exist with residential uses;
 - ii. The proposed change affects only eighteen (18) of the development's twenty (20) ARTS units (i.e. two units never included second-storey walkways);
 - iii. Depending on unit design, 73% - 83% of each ARTS unit's studio will be unencumbered by the fixed-in-place walkways; and
 - iv. As per the approved Phase 1 design (DP 12-611486), the high-ceiling portions of the ARTS units (which will be unencumbered by the walkways) measures 5.7 m - 6.1 m (19 ft - 20 ft), which exceeds the minimum clear height of 4.5 m (14.8 ft) required under the ZHR10 zone;

- The addition of work-only, art studio spaces to Concord Gardens' final (i.e. fifth) phase will:
 - i. Support CCAP "art district" objectives for Capstan Village by:
 - Increasing the concentration of arts uses within the area;
 - Expanding the availability of flexible, affordable work spaces for artists; and
 - Contributing towards a better connected local network of arts uses, public art, and public open spaces;
 - ii. Support CCAP "pedestrian-oriented retail precinct" objectives and contribute towards a more attractive, walkable community by:
 - Adding street-oriented art studios and related publicly-accessible open space along Concord Gardens' Sexsmith Road frontage, south of Hazelbridge Way (i.e. where it was not provided for via the original rezoning); and
 - Screening parking with non-parking uses in a manner that will enhance the visual appeal and pedestrian amenity of the Sexsmith Road streetscape without adding bulk to the building's massing;
 - iii. Support CCAP community amenity objectives by:
 - Providing well sized and configured space, appropriate for one or two artists per unit and a variety of visual arts activities (as demonstrated by operating/approved work-only, art studios located elsewhere in the region), including:
 - a. 33 – 35 m² (355 – 377 ft²) gross leasable space per unit (including work space and a 2-piece washroom);
 - b. Floor-to-ceiling windows on at least one side of each unit, a clear ceiling height of 3.9 m (12 ft 9 in), and a minimum width of 3.05 m (10 ft) to allow for effective daylighting and large artworks;
 - c. Exclusive use of parking, bike parking, and garbage/recycling facilities for studio tenants; and
 - d. Shared use of loading and visitor parking with Phase 5's residential tenants;
 - Securing the studio units and related facilities in perpetuity via legal agreements registered on title prior to Zoning Text Amendment adoption;
 - Ensuring the studio units will be affordable by basing the proposed initial rents on a review of comparable work-only opportunities across the region and limiting annual rent increases to CPI;
 - Ensuring the units serve the needs of lower income professional artists by requiring that tenants satisfy eligibility criteria, including professional qualifications and an annual household income of \$57,500 or less (i.e. as per the City's Affordable Housing Strategy with respect to tenant income levels for Subsidized Rental and Low End Market Rental housing);
 - Providing the studio facility at no cost to the City (i.e. construction, maintenance, and operation costs will be the sole responsibility of the developer/owner); and

- Providing for City design review and approval of the studio facility (via legal agreements registered on title) prior to Development Permit (DP 15-700800) issuance, Building Permit issuance, and occupancy; and
- The additional density requested by the developer:
 - i. Will be limited to approximately 140.0 m² (1,506.9 ft²) of gross leasable floor area, which may only be used for “community amenity space” for studio use, as per proposed zoning amendments and related legal agreements registered on title prior to Zoning Text Amendment adoption;
 - ii. Requires only one (1) additional parking space and eight (8) “Class 1” bike parking spaces, and the ZHR10 zone will be amended accordingly (i.e. “Class 2” bike parking and loading will be subject to standard bylaw requirements); and
 - iii. Is consistent with Richmond Zoning Bylaw “standard” zones that provide additional density for “community amenity space” (e.g., CDT1, RCL).

(Note: No density allowance for community amenity space is currently provided for in Concord Gardens’ site-specific zone, ZHR10, because the developer’s original rezoning did not propose this use.)

Existing Legal Encumbrances

Existing legal agreements registered on title with respect to the ARTS units (i.e. Housing Agreement and Housing Covenant) do not include any requirements regarding interior ceiling heights or related factors. (Those requirements are entirely contained within the ZHR10 zone.) In light of this, the developer is not required to amend any existing legal agreements; however, as per the attached Zoning Text Amendment Considerations (Attachment 6), prior to adoption of the subject Zoning Text Amendment, the developer shall be required to enter into the following legal agreements to the satisfaction of the City:

- Covenant(s) on Lot 2 (containing Phases 4 and 5) to restrict development (i.e. Development Permit issuance, Building Permit issuance, and occupancy) pending the developer’s design and construction of the affordable, work-only, art studios; and
- A statutory right-of-way for public access and related landscaping, activities, and infrastructure along the Sexsmith Road frontage of the affordable, work-only, art studios.

Site Servicing and Frontage Improvements

All Engineering, Transportation, and Parks off-site requirements with respect to Concord Gardens have been resolved via the rezoning and related Servicing Agreements. The proposed Zoning Text Amendment does not entail any additional works.

Financial Impact or Economic Impact

The subject Zoning Text Amendment has no financial or economic impact. More specifically:

- Artist Residential Tenancy (ARTS) Units (Under Construction/Phase 1): As per RZ 06-349722, Concord Gardens’ ARTS units are secured via a Housing Agreement and their construction, maintenance, and operation costs are the sole responsibility of the developer.

- Affordable, Work-Only Art Studios (Proposed/Phase 5): Like the ARTS units, it is proposed that the affordable, work-only art studios are secured via legal agreement such that their construction, maintenance, and operation costs are the sole responsibility of the developer.

Conclusion

Staff recommend support for the subject Zoning Text Amendment on the basis that the community benefit expected to be derived from the developer's provision of affordable, work-only, art studios in Concord Gardens' final phase (Phase 5), constructed to a turnkey level of finish at the developer's sole cost, outweighs the limited impact the developer's proposed design changes are anticipated to have on the utility of the development's approved (Phase 1) Artist Residential Tenancy Studio (ARTS) units.

It is recommended that Zoning Bylaw 8500, Amendment Bylaw 9269 be introduced and given first reading.

File No.: ZT 15-700276

Prior to final adoption of Richmond Zoning Bylaw 8500, Amendment Bylaw 9269, the developer is required to complete the following:

1. Sexsmith Artist Studios (SAS): The City's acceptance of the developer's offer to voluntarily contribute the Sexsmith Art Studios (SAS), the terms of which voluntary contribution shall include the developer's design and construction, at the developer's sole cost, of "community amenity space" and related features on Lot 2 (3340 Sexsmith Road), to a turnkey level of finish, as generally provided for under the subject rezoning application's proposed amendment to "High Rise Apartment and Artist Residential Tenancy Studio Units (ZHR10) – Capstan Village (City Centre)" zone, for use as four (4) affordable, work-only, art studios and related uses/spaces (e.g., parking, outdoor activity space), all to the satisfaction of the City. More specifically, prior to adoption of the Zoning Text Amendment Bylaw, as determined to the satisfaction of the City, the developer shall enter into legal agreements and/or provide other security in accordance with **Schedule A** (Sexsmith Artist Studios Terms of Reference & Outline Specifications) requiring, among other things, that:
 - 1.1. The gross leasable floor area of SAS (i.e. net of common areas and features situated outside the studio units, such as vehicle/bike parking, loading, garbage/recycling areas, and hallways) shall comprise at least 140.0 m² (1,507 ft²) and, together with parking and related uses/spaces, be fully contained on Lot 2, west of Ketcheson Road.
 - 1.2. The Sexsmith Art Studios will be managed, maintained, and operated by the developer/owner in accordance with City-approved guidelines including, but not limited to, provisions that the tenants of the Sexsmith Art Studios shall:
 - a) Not be subject to strata, maintenance, parking, or other fees over and above the City-approved monthly unit rents, except as otherwise provided for in **Schedule A** (e.g., private utilities);
 - b) Satisfy the criteria of a "professional artist" in accordance with **Schedule A**; and
 - c) Satisfy financial eligibility requirements (e.g., total maximum household incomes) in accordance with **Schedule A**.
 - 1.3. "No development" shall be permitted on Lot 2, restricting Development Permit issuance for any building on Lot 2 (DP 15-700800), in whole or in part, until the developer designs the affordable, work-only, art studios and related features (Sexsmith Artist Studios) to the sole satisfaction of the City, as generally described in the Sexsmith Artist Studios Terms of Reference & Outline Specifications (**Schedule A**) and providing for, among other things:
 - a) Four (4) functional, fully-finished, art studios including at least 140.0 m² (1,507 ft²) of gross leasable (indoor) floor area designed as storefront-type units located at the building's ground floor, fronting onto and directly accessible from Sexsmith Road;

CNCL - 220

Initial:

- b) A landscaped, universally-accessible terrace, secured for the use of the art studio tenants and the general public via a Statutory Right-of-Way, across the entire frontage of the art studio units;
 - c) Parking/loading, bike parking for studio tenants (Class 1), and a room for garbage, recycling (“blue box”), and organic waste carts for the exclusive use of the art studio tenants (i.e. 24-hours/day), together with necessary vehicle and pedestrian access/circulation (which circulation may be shared with the tenants of Lot 2’s residential building); and
 - d) Loading, garbage/recycling (“blue box”) /organic waste holding/pick-up facilities, visitor parking, bike parking for studio visitors (Class 2), and related features (e.g., vehicle and pedestrian access/circulation) secured for the shared use of the art studio tenants with the tenants of Lot 2’s residential building (i.e. 24-hour/day).
- 1.4. “No building” shall be permitted on Lot 2, west of Ketcheson Road (exclusive of parking or publicly-accessible open space), restricting Building Permit* issuance for any building on Lot 2, west of Ketcheson Road (exclusive of parking or publicly-accessible open space), in whole or in part, until the required affordable, work-only, art studios and related features (Sexsmith Artist Studios) are incorporated in the Building Permit* drawings and specifications, generally as determined via the Zoning Text Amendment (ZT 15-700276) and Development Permit (DP 15-700800) processes, to the sole satisfaction of the City.
- 1.5. “No occupancy” shall be permitted on Lot 2, west of Ketcheson Road (exclusive of parking or publicly-accessible open space), restricting final Building Permit* inspection granting occupancy for any building on Lot 2 , west of Ketcheson Road (exclusive of parking or publicly-accessible open space), in whole or in part, until the required affordable, work-only, art studios and related features (Sexsmith Artist Studios) are completed to the sole satisfaction of the City and have received final Building Permit* inspection granting occupancy.
2. Art Studio Terrace Statutory Right-of-Way (SRW): The granting of a statutory right-of-way for public access and related landscaping, activities, and infrastructure along the Sexsmith Road frontage of Lot 2 (3340 Sexsmith Road), the specific size and design of which shall be confirmed to the satisfaction of the City via the Development Permit review and approval processes for Lot 2 (3340 Sexsmith Road). More specifically:
- 1.1. The right-of-way shall be:
- a) Secured in coordination with the owner’s required provision of:
 - Four (4) street-oriented, affordable, work-only, art studios (Sexsmith Artist Studios) to help enhance public use and enjoyment of the streetscape in ways that contribute towards the establishment of a vibrant “arts district” on and around the subject site, as per the City Centre Area Plan (CCAP);
 - Public pedestrian and bike access between Sexsmith Road and the existing South Walkway SRW (CA2963422 to CA2963425); and
 - Existing City utility right-of-way (which SRW is intended to be modified or replaced prior to Development Permit issuance, as determined to the satisfaction of the City); and
 - b) Comprised of a strip of land, approximately 3.0 m wide, running parallel to Sexsmith Road, measured from the east boundary of the existing Sexsmith Bikeway SRW (CA2963418 to CA2963421), across the full frontage of the affordable, work-only, art studios (Sexsmith Artist Studios), together with additional right-of-way area to the north and/or south to facilitate access and/or utilities as determined via the approved Development Permit (DP 15-700800), to the satisfaction of the City.

1.2. The right-of-way shall provide for:

- a) 24 hour-a-day, public access for pedestrians (to universally accessible standards) in the form of stairs, ramps, walkways and related landscape features, which may include, but may not be limited to, lighting, furnishings, trees and planting, decorative paving, and innovative storm water management measures, to the satisfaction of the City;
- b) City utilities, traffic control (e.g., signals), and/or related equipment;
- c) Public art;
- d) Public access to fronting affordable, work-only, art studios (Sexsmith Artist Studios) and, as applicable, other on-site uses;
- e) Emergency and service access, City bylaw enforcement, and any related or similar City-authorized activities (i.e. as if the SRW area was dedicated street, highway, lane, or park in the City of Richmond);
- f) The owner-developer's ability to close a portion of the right-of-way area to public access to facilitate maintenance or repairs to the right-of-way area or the fronting uses, provided that adequate public access is maintained and the duration of the closure is limited, as approved by the City in writing in advance of any such closure;
- g) Design and construction, via a Development Permit (DP 15-700800), at the sole cost and responsibility of the developer, as determined to the satisfaction of the City; and
- h) Maintenance at the sole cost of the owner-developer.

1.3. In addition, the right-of-way shall provide for the following, provided that public access is not impeded and the features enhance the intended public amenity and operation of the right-of-way as specified in the Development Permit (DP 15-700800) approved by the City:

- a) Building encroachments, provided that any such encroachments are:
 - Located a minimum of 2.5 m clear above the right-of-way area; and
 - They are limited to features the Richmond Zoning Bylaw permit within required front yards (e.g., weather protection, balconies, bay windows, architectural appurtenances);
- b) Movable furnishings and planting;
- c) Temporary display and performance of artworks (excluding amplified music) for exhibition purposes;
- d) Temporary display of artworks for retail sale; and
- e) Complementary temporary uses, signage, and activities, including, but not limited to the hosting of art exhibitions and opening events that the general public is welcome to attend at no cost.

1.4. The right-of-way shall NOT provide for:

- a) Driveway crossings; or
