The Planning Committee, at its meeting held on Tuesday, January 20, 2009, considered the concern raised by the Richmond Seniors Advisory Committee with regard to Taxi-Saver Coupons no longer being available in Richmond, and recommends as follows:

**Committee Recommendation**

*That the City write to the office of Accessible Transit, at TransLink in Burnaby, B.C. to:*

- (1) express concern regarding the necessity for Richmond residents to order Taxi-Saver Coupons from the central office located in Burnaby and await the arrival of the coupons in the mail; and*
- (2) encourage the office of Accessible Transit to issue Taxi-Saver Coupons in Richmond.*
