Re: Presentation on Non Agenda Item.

With this letter, I, Graham Turnbull requests permission to make a presentation on a "Non agenda item" at the next City Council meeting on October 15/2008.

The presentation relates to a resolution of council passed at their last meeting September 22/2008, which stated that 4091 Chatham Street Heritage House be relocated to Steveston Museum Site at 3811 Moncton Street.

Since then we have had Opinion Polls in the Steveston Museum and other locations in Steveston and at this time we have in excess of 1000 signatures, opposed to the relocation in Steveston Museum Park.

Accompanying me will be members of the Executive of Steveston Museum Society. Trusting permission will be given to make this presentation,

Yours truly

Graham Turnbull
Chair, Steveston Historical Society
