Staff Report

Origin

The mandate of the Child Care Development Advisory Committee (CCDAC) is to provide Council with advice regarding the development of quality, affordable and accessible child care in Richmond. This report presents the CCDAC 2014 Annual Report (Attachment 1) and proposed 2015 Work Program (Attachment 2).

The report supports Council's Term Goal #2 Community Social Services:

- 2.1. Completion of the development and implementation of a clear City social services strategy that articulates the City's role, priorities and policies, as well as ensures these are effectively communicated to our advisory committees, community partners, and the public in order to appropriately target resources and help manage expectations.
- 2.3. Clarification of the City's role with respect to providing or facilitating the securing of space for non-profit groups.

This report also supports Council's Term Goal #7 Managing Growth & Development:

To ensure effective growth management for the City, including the adequate provision of facility, service and amenity requirements associated with growth.

Analysis

2014 Annual Report

Highlights of the CCDAC activities for 2014, as summarized in the Annual Report, are as follows:

- The 2014 Child Care Grants were reviewed by a CCDAC subcommittee and recommendations were provided to Council;
- On-going advice was provided on new developments proposed to include child care as community amenities;
- Input was offered into the development of a draft of Child Care Design Guidelines and Technical Specifications to be used to as a resource for the development of child care community amenity spaces and City capital child care projects (report to be presented in early 2015);
- The Committee reviewed and provided recommendations to assist the development of a child care layer for inclusion in the City of Richmond's Interactive Map;
- As a part of May Child Care Month, CCDAC co-hosted a children's art exhibition at City Hall with 20 participating child care organizations and over 100 attendees; and

• The Committee advocated for advancing the City's next child care needs assessment to begin in 2015, and, to support the assessment, reviewed existing child care needs assessments conducted by other Canadian municipalities.

Proposed 2015 Work Program

On December 2, 2014, the CCDAC approved the proposed work program (Attachment 2). In 2015, the CCDAC will give priority to:

- Reviewing the 2015 child care grant applications and providing recommendations to Council:
- Coordinating and hosting an event to celebrate May, which is child care month;
- Reviewing development proposals for new child care amenity spaces;
- Providing input into the design of a future child care needs assessment, (e.g., suggesting strategies to engage more parents about their needs and preferences, and reviewing survey questions);
- Monitoring the BC Early Years Strategy initiatives regarding investments in creating new child care spaces, and policy changes to provincial licensing requirements and early childhood educators' training; and
- Offering ideas and reviewing proposed communication materials to assist new child care providers in navigating municipal approval processes for creating child care spaces in the City of Richmond.

Staff will support the CCDAC 2015 Work Program as City policies, work programs, staff time and resources permit.

Financial Impact

The CCDAC operating budget reflects the existing funding plan, as budgeted.

Conclusion

CCDAC members are committed to improving the availability and accessibility of quality child care in Richmond. Staff recommend that the Child Care Development Advisory Committee's 2015 Work Program be approved.
