Attn: Mr, Edwin Lee
 Planning and Development Department

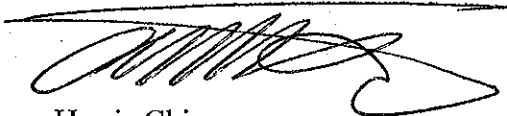

Dear Sirs,

Zoning Amendment Bylaw 8375 (RZ 07-390751) 7351 William Road

In view we are living in a Single-family Housing district, and our house is just opposite to the rear side of the property applying for rezone , we object the development to 2 single family lots with vehicles access from an existing rear lane.

Your kind consideration to the above will be highly appreciated.

Very Truly Yours

Harris Chi
 House Owner
