Your Name:	Anna Lukawska
Your Address:	#203, 8400 Ackroyd Road, Richmond, BC V6X 3E8
Subject Property Address OR Bylaw Number:	8488 (RZ 05-317846)
Comments:	Dear Sir or Madam, I strongly oppose to the rezoning of the above mentioned property to "Comprehensive Development District". I own apartment on the opposite block of this property, corner of Ackroyd & Cooney and within the last 5 years or so, due to continuous building and construction in this area, especially the high-rises, our building complex has suffered numerous cracks in the fundaments. We, the owners and tenants, have been previously explained that cracks in the foundations have been caused by vibrations due to new building constructions of high-rises in our area. I would like that this site remains at the zoning for "Townhouse & Apartment District" and have perhaps a smaller building constructed which would avoid further damages to surrounding buildings in the area. Kind regards, Anna Lukawska
