Dear Ms S. Carter - Huffman  
 I'm writing on b/l re of the strata  
 to oppose the building of a six units 3 stories  
 town home at the address of 6500 Conroy Road  
 (RZ 08-429600)

Considering the size of the lot, <sup>it</sup> may just  
 be able to snug it in. But like I <sup>last</sup> wrote  
 to Coun. Evelina Halsey Brandt to object such  
 a rezoning years ago. That if to do so, you have  
 to destroy all the healthy mature trees towering  
 30+ ft ~~about~~ above. (Here are the circumferences

- of only 3 (out of 6-8) that line along Cook Rd.
- ① From corner of Cook Rd 63 inches not cm)
  - ② at the driveway 58 inches.
  - ③ about 4 ft from the corner of the property  
 measured 76 inches

Are you going to allow them to cut all these  
 down & replace by dwarf ciders that are  
 3 ft tall

Shore trees mean a lot to the neighbourhood  
 especially in a heavily traffic area like this  
 intersection. Especially after <sup>you</sup> cut down all  
 the trees (also towering at 40 ft) at Ekerson  
 Rd (across from that house) & put a complex  
 in there. Not a tree was left & now replaced

1/2 equal amount of 3 ft cider is money  
really that important to you people in  
city hall.

This is an official objection against  
building rezoning of RZ - OS - 42 9600  
unless we have the guarantee of saving  
those three mature towering trees - as  
for the rest young trees scatter about,  
I'm reasonable & know they have to go  
to give way to progress.

I know I cannot write & ~~write~~ speak  
well. It takes all my courage to write  
to you in order to save the trees. Don't  
laugh at me; help me!

ELIZABETH KUTAN

The neighbours only found out when the  
trees are being cut down it is too late  
to cry over it. Now I give you early  
warning to reject the proposal, or you'll  
see my letter in the news.
