City Clerk:

I sent a letter of opposition to the original rezoning of this property citing traffic concerns. Apparently those concerns were not considered as Council passed the rezoning and now we are at the Development Permit phase. I imagine my concerns will continue to be ignored but once again I would like to restate and re-emphasize my concerns.

I live at 6051 Azure and hospital personnel use our neighbourhood to park in preferring to park here for free than pay the parking fee in the hospital parking parkade. Visitors to the hospital also use the area for free parking as well. There is just no parking in the area at all and I cannot imagine the chaos that will occur when the City adds another potentially 330 cars in the area trying to find parking. It is madness. I will, of course, speak through the ballot box but the damage has been done. I urge City Council to not pass this DP – stop the development at this stage. There is no parking and even if Council decided to implement resident parking only in our area (which I asked for years ago) adding a potential of 330 additional cars will not help.

I urge City Council to not issue the DP.

Best wishes, Susan
