Re: 4020 and 4300 Bayview St.,  
DP 08-44809

We, Alden & Jo'Ann Logan oppose the development as proposed in the above by Onni development at the above mentioned location.

We would prefer that the above site be used for parks and open air green space.

The Imperial Landing has already been over-developed. Onni Development should be ~~made~~ ordered to clear the mess on this site that has been an eyesore for several years and show some good faith and add a few ~~trees~~ trees, some park benches and leave the rest to nature.

Enough is Enough!

Yours Sincerely,  
Alden Logan  
Jo'Ann Logan
