Mr. Malcolm Brodie and Councillors
City of Richmond
No. 3 Road
Richmond, B.C.

Dear Mr. Brodie and Councillors:

I would like to speak at the next council meeting about changing No. 2 Road Bridge to Smokey Smith Bridge. Sergeant Smith won the Victoria Cross for bravery in Italy during the Second World War when I was in the Royal Navy in Italy. I would be pleased if an opaque projector could be placed at the meeting so I could put a few pictures on it.

Yours sincerely,

N. W. Regplerworth
